THE LOVE CASE

The trial of Henry Love for the murder of his wife, which resulted in conviction and the sentence of death upon the unfortunate man, touches this community more closely than any other portion of the province. It comes home to us very closely, and intense interest was manifested in it by all. Love has resided in the township of Artemesia all his life and is known by nearly everybody. In the capacity of well digger, carpenter and general handy man he had met most of the citizens of the township in one way and another. He was never considered vicious, although he was known to have a temper. He had little or no education. The deed which has now been brought home to him caused a thrill of horror in this community that has never been equalled. Previous to the trial people here had their minds made up as to the extent of his guilt, and no surprise was manifested at the result of the trial. Those who heard the case are unanimous in the statement that Henry Love had a fair trial and that the verdict was a just one. The motive was not made clear—that is only known to himself and his Creator, but the deed was done and that his sufficient. He will pay the penalty of his crime on May 27.

Vandeleur Happenings

The Women's Institute held their annual social in the school house on Wednesday evening of last week. Considering the state of the roads there was a goodly attendance and a very enjoyable time was spent. The proceeds amounted to $12.50.

Mr. M. Beard, Jr, is on a business trip to New Ontario.

Mr. Ross Alcox has been laid up for the past week with an attack of quinsy.

Mr. Wm. Buchanan was in Owen Sound on Thursday and Friday.

Mr. A. Dunlop was in Toronto last week on a business trip.

Miss Belle Gilbert of Kimberley spent Easter with her aunt, Mrs. Will Hutchinson.

Considerable damage was done to property in this vicinity by the terrific wind storm on Friday afternoon. Geo. Warling, Geo. Shannon, E. Cullis, F. Boland and R. Neely each had their windmills wrecked; E. Baker's silo was blown down, hay stacks were spread around the fields, fences were scattered, trees were blown down, and there was a general jambouree in the air, but, thank goodness, no person was injured so far as we can learn.

Mr. Harry Silcox of Rocklyn spent Easter with his uncle, Mr. G. Pritchard.

Miss Rena Davis spent Easter with friends near Brockville.

Miss Leslie left on Friday to spend the holidays with her mother in Markdale.

Riverdale

Buds, floods, whitewash and suds,
Birdies that gleefully sing;
Feeling blue, lagrippe and ague,
Such are the factors of spring.

We regret to report that one of our old and respected residents, Mr. John Faulkner, is in a very critical condition at present, owing to an attack of pleuro-pneumonia.

A lagrippe epidemic of a very malignant type is prevalent in this vicinity at present.

Maple syrup making operations are in full swing, but owing to the recent extremely mild weather it promises to be rather a unsuccessful undertaking.

We are informed that our public school teacher, Miss O. Hatch of Drayton, has decided to relinquish professional duties in this vicinity immediately. The Priceville reporter is kindly requested not to read this.

One of the most destructive gales in the history of this vicinity was experienced here on Friday last, several barns being blown down, houses shattered, wind engines overthrown and timberlands converted into brush piles.

Mr. and Mrs. H. Burns pleasantly entertained the young people to a grand quadrille, recently.

Easter passed off very quietly here, the usual display of a perfectly ridiculous looking style of hats being the only excitement.

Agricultural operations were commenced in this vicinity on Friday last, when a number of the farmers commenced ploughing.
