COUGHS, DISTEMPER, BROKEN WIND

have met their master in ZEV—made by the makers of Buckley's Mixture. Stockmen, poultry breeders, etc., who have used ZEV say it is positively "sure fire" relief for all respiratory diseases in horses, cattle, sheep, pigs, poultry and dogs. It is amazing how quickly it gets results in the most stubborn cases. In fact, we guarantee ZEV to do in a day or two what it took old-fashioned remedies a month to do. Pet size 50¢, Stock size $1.00. Get ZEV at

IN MEMORIAM

CAMERON — In loving memory of Muriel Edith Cameron, who entered into Eternal Life on Monday, Oct. 13th, 1930.

Let us be patient. These severe afflictions
Not from the ground arise,
But oftentimes celestial benedictions
Assume this dark disguise.
We see but dimly through the mists and vapors;
Amid these earthly damps
What seem to us but sad funeral tapers
May be heaven's distant lamps.

—Father, Mother and Brothers.

YOUR NAME IN MONDAY'S PAPERS!

Will your name appear in Monday's newspapers? If it does, will you be writhing with pain in the emergency ward of a hospital, will your mangled remains be resting in a funeral parlor—*or will you be held by the Police on a charge of manslaughter?*

If you are a motorist and value life and property, help to stop this slaughter of innocent people. The death toll from car accidents in Ontario *must go down!*

We are justly proud of the Police of this Province—but they cannot be everywhere. Most accidents occur when a policeman is not around. Traffic violators know better than to speed, cut in or crowd other cars with a policeman in sight.

Ontario Motorists will Co-operate

When you see a motorist driving in a manner dangerous to the public, take his number, make a careful note of the actual time and place and when you reach your destination write to the Motor Vehicles Branch, Department of Highways, Toronto, giving full details. We do not invite reports of minor infringements of the traffic laws; you are requested to use sound judgment. *We will deal adequately with offenders.*
