A Chance for Farmers

The Board of Agriculture is an organization composed of representatives from all the Farmers' Clubs in the county of Grey. The object of this Board is to spread the good agricultural possibilities of the county to every creature, and to induce others to come and take up our vacant farms and make them better than they are. The Board also hopes to give greater incentive to the farmers who are at present in the county and assist them to do better work than they are doing now.

It was thought by the members of the Board that an apple exhibit at the Toronto Flower, Fruit and Honey Show and prizes offered for the best stock from the county at the Guelph Winter Fair would be an inducement for Grey Farmers to put forth their best efforts and help to advertise themselves and the county to the rest of the province. To further this end the County Council was approached, and asked for a grant of $300 This the members of the council gave and now it is up to the farmers of the county to do thier share.

One Hundred Dollars are divided as follows as prizes at the Winter Fair to be held in Gueiph in December 1913:—

Sheep, Long Wool—1st $6.00; 2nd $4.00; Medium Wool—1st $6.00; 2nd $4.00.

Swine, Best Bacon Hog any breed—1st, $10.00; 2nd, $5.00.

Beef Cattle (steer or heifer) 2 yrs. and under—1st $10, 2nd $5.

Horses, (any draft breed) Mare or Gelding—1st $10, 2nd $5; Stallions—1st $12, 2nd $8.

To be raised in Grey County, and to be owned by exhibitor at least three months previous to Show.

The $200 has been set aside for the placing of an apple exhibit in Toronto in November and it is hoped that all fruit growers will assist with this work. More about this later.

Goats Are Wanted

During the past few months the Live Stock Branch of the Dominion Department of Agriculture has been in receipt of numerous inquiries as to where it might be possible to purchase either Angora or Milch goats. It would appear that in many parts of the Dominion the demand for these useful and profitable animals is rapidly developing and that those who at present have any surplus stock can find a ready sale for them if a channel of communication between supply and demand is established. Accordingly as a means of starting a convenient directory of Canadian breeders of Angora goats and Milch goats, the Live Stock Commissioner will be pleased to receive from such breeders information regarding their respective flocks covering the following points:

1—Kind and number of goats kept.

2—Usual number for sale each year.

3—Approximately the prices asked.

4—If possible a brief statement regarding expenses found necessary and the returns which may be expected by one engaging in this class of stock.

Communications supplying the above information should be addressed to the Live Stock Commissioner, Ottawa, Ont. Such letters do not require postage.

Frequently a challenge has been issued by poultrymen to beat certain records in the size of eggs. There has also been keen competition in the size of potatoes, turnips, pumpkins etc. Mr. Aaron Cober of Puslinch, now comes forward and challenges any farmer to beat the record he established in another line. Aaron has a calf which at two days old weighed 133 pounds. Its mother was a half-Jersey and its sire a Holstein. Without doubt the above record will be hard to beat, as the average calf at birth does not weigh more than half that many pounds. The value of the calf, taken at veal prices, $8.50 to $10 per cwt., would be $11 to $13.—Ex.

Police Magistrate Crawford, of Brampton, imposed a fine of $350 and costs or imprisonment for three months on C. J. Mosack, a Brampton hotelkeeper, for violation of the Licence Act. Mr Mosack has left town and it is said will not return.

Walter Limes, Hanover's new liveryman, had a sensational and hair-raising experience during the miniature hurricane on Good Friday. He had driven out to his farm on the South Line in the morning and was returning to town when he was caught in the storm. While crossing the Maple Hill bridge a terrific gust of wind picked up his horse and buggy, and hurled them all into the Saugeen river. Fortunately the water was not very deep where they landed and Walter and the steed escaped practically without a scratch. The buggy was badly wrecked.—Post.

In Memoriam

Robinson—In loving memory of Mrs. Eli Robinson, beloved daughter of Mr. and Mrs. George Whiteoak, Feversham.

Some day, some time, our eyes shall see
The face we loved so well;
Some day our hands shall clasp in hers
And never say farewell.
The flowers we lay upon the grave
May wither and decay,
But the love for her who sleeps beneath
Will never fade away. —AUNT
