The recent election was quite satisfactory to us, to Mr. Oliver, M.L.A., I trust, and to the great majority. We could have got along better perhaps with a lessened majority in the Province, but, you can trust Hepburn anyway. The people seem to think so. Well done Hanover and Egremont the old banner townships.

TELEPHONE TALKS IN THE WATSON FAMILY

"This is just like being home!"

Bill Watson occasionally gets fed up on that out-of-town job. Work is oppressive. His pals are dull. Meals are tasteless. The outlook, generally, is bilious. Good, old-fashioned homesickness, that's what it really is — and Bill has a sovereign remedy, once he has diagnosed the case: a long distance call home. And it costs so little, too, that he has decided to forestall attacks by a regular schedule of weekly calls.

Bill's ideas are right in line with the rest of the family. The Watsons have come to appreciate fully the comforts, conveniences and low cost of Long Distance. Do You realize how little it costs to telephone?
