MENTION HONORABLE GENERAL EXCELLENCE

Alkabasar

ARRIVED AT LAST.

THIS elegant Turkish Tonic is one of the most salutary and delicate preparations ever submitted for public approval in this hemisphere, and asserts its pretensions to patronage on the following grounds:—

That it is a preparation of one of the most eminent Purveyors to the Ottoman Court.

It prevents acidity of the stomach.

It relieves lowness of spirits.

It is a mild and invigorating tonic, and a most efficient but innocuous stimulant.

It renders the breath sweet and agreeable.

It stimulates the appetite if taken *before* meals.

It promotes digestion if taken *after* meals.

It neutralizes the propensity for strong liquors.

It renders the intellect bright and clear.

If taken habitually it imparts vitality and energy to all the bodily organs.

By its use the man of 70 will become, as it were, restored to the elasticity of 30; and to persons of delicate constitutions it is strongly recommended.

It is an especial favorite with Oriental ladies.

Secure then health, longevity and vital energy by the habitual use of the

ALKABASAR TURKISH TONIC.

Kept in stock by the principal Druggists and Grocers in the Dominion.

CHOLERA

Cured by the Timely Use of

A.A.A.

THE Best Remedy, indeed the only sure one, from all Summer Complaints from Diarrhœa to Cholera Morbus is ARNOT'S ARNICA ANODYNE. Nothing is more imprudent at this season of the year than to allow a slight Diarrhœa to continue unchecked, thereby weakening the system and predisposing it to be attacked by whatever epidemic is prevailing, when by taking a single dose of A.A.A. the disease will be arrested, and all danger effectually obviated.

In cases even of Severe Cholera, A.A.A., if administered properly according to the directions, will give immediate relief, and in a short time accomplish a complete cure.

No Householder, no Traveller, should be without a bottle of A.A.A. at hand to check disease at the outset.

PRICE 25 CENTS.

Sold by all Druggists in Canada.
