Francis Drake Biggest Pirate

Interpretation of Celebrated Seaman Slightly Different From Cut-and-Dried History.

Sir Francis Drake's disregard for the gallantry of Spain was lauded by Gordon L. Fraser, K.C. when he spoke to members of the Windsor Optimist Club last week, says the Windsor Star.

"I never thought much of it," remarked Mr. Fraser after telling how the famous English seaman had crumpled the gallantry of the Spaniards. "They are murdering each other now in Spain and maybe they should let them finish it," he added.

After referring to the recent piracy in the Mediterranean, he told of the one he considered to have been the greatest pirate in history, Sir Francis Drake.

Endorsed Him Privately

Mr. Fraser's interpretation of the career of Drake was far from the cut and dried school-history version. His clever and humorous tongue painted a word picture of the Elizabethan favorite to match his contention that Drake was one of the most colorful figures in the history of the world.

The speaker recalled in detail the series of expeditions conducted by Drake and his men, featuring the one that took them around the world.

Observing that while Queen Elizabeth told the world she did not endorse the actions of the British pirates against the Spaniards, she praised them privately, Mr. Fraser said, and even had an investment in the Drake main expedition which gave her a profit of more than a million dollars.

Loyalty of Men

Mr. Fraser emphasized the loyalty of Drake's men by maintaining that they would have even gone to hell with him for they knew if he took them there he could bring them back.

In closing, Mr. Fraser made brief mention of some other well-known buccaneers. He suggested that because of wireless and 40-knot boats, piracy today likely would not prove as prosperous a profession as it did in the 16th century.

Freak Fox Skins At Alberta Farm

Golden-Silver Pelts to be Sent to Paris For Exhibition

Parisian women will decide whether the "golden-silver" pelts of two 'freak' foxes bred in Alberta are worthy of adoption as a new style for the smartly dressed woman.

The pelts were shown to members of the Alberta Silver Fox Breeders' Association at their annual meeting here. Called golden silvers by some experts, the pelts were exhibited by William Clarke Blackfalds, Alta., on whose farms they were raised.

The golden silvers were a mystery even to the owner who could not explain how the peculiar strain developed. The pelts will be sent to Paris for exhibition.

Three Ask Freedom From Same Wife

Three men asked legal freedom at Long Beach, Cal., last week—from the same wife.

In a divorce complaint, Richard Sorenson alleged Patricia L. Sorenson married him, Sam Paul Gaffney and Earl Vernon Holloway within 11 months.

Gaffney's annulment action said he was not of age when he went through a ceremony with Patricia.

Holloway's annulment suit said the defendant was not divorced when she became his bride.

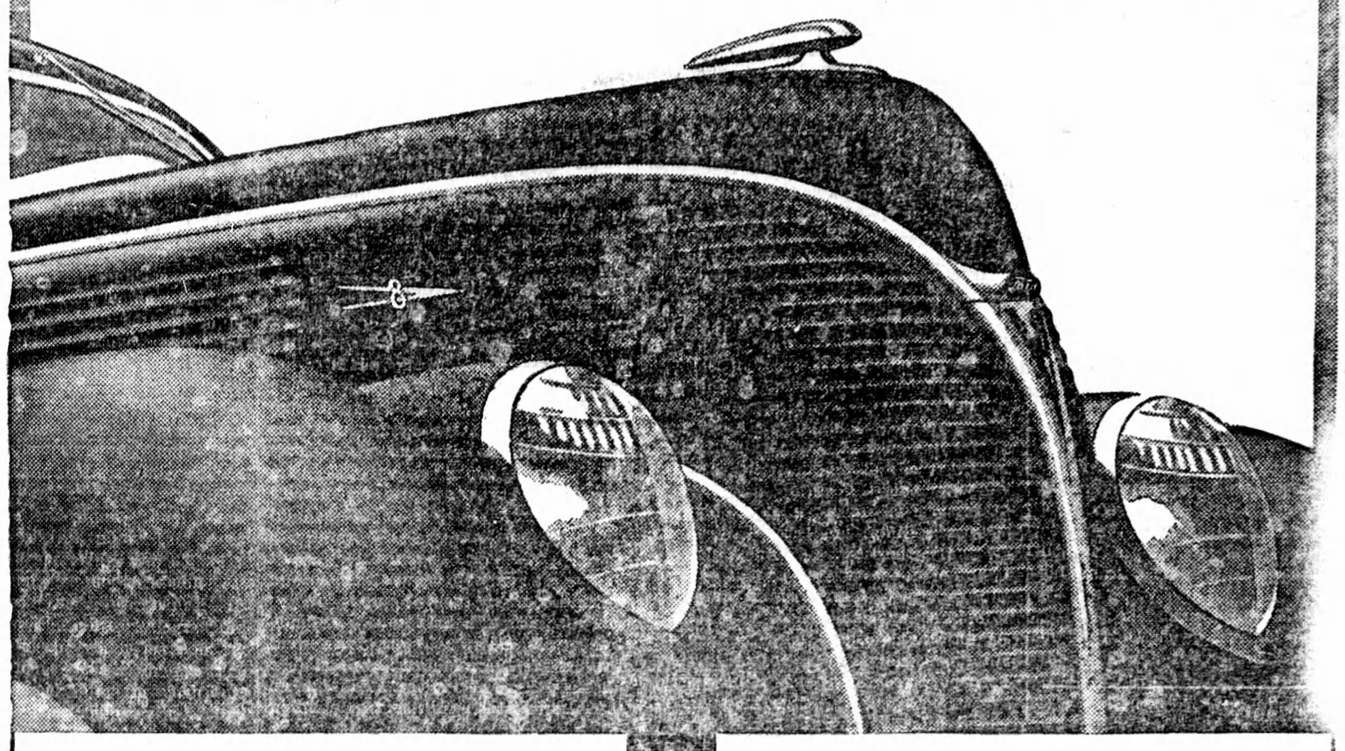
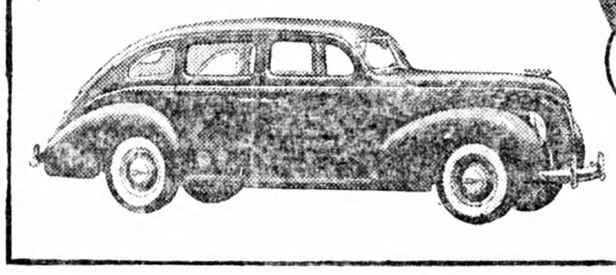
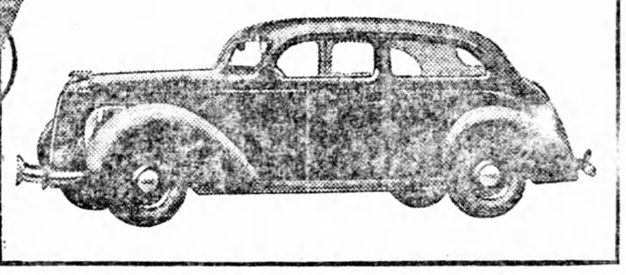
TWO NEW FORD V-8 CARS FOR 1938



THE DE LUXE



THE STANDARD



FORD offers two new cars for 1938 — the Standard Ford V-8 and the De Luxe Ford V-8. They are different in appearance — but built to the same standard of mechanical excellence — on the same 112-inch wheelbase.

Because people liked our 1937 car so well, they bought more than of any other make. They liked its looks, its smooth performance, and the way it handled. We have improved on that car in the newly styled Standard Ford V-8.

But some folks wanted still more size and style, with the same fundamental Ford advantages. For them, we have designed a new De Luxe line.

The De Luxe Ford V-8 Sedans are longer with more room, larger luggage space, and finer appointments. De Luxe cars are equipped with the 85-horsepower Ford V-8 engine. They provide more motoring satisfaction at low Ford prices.

The Standard is even lower priced than the De Luxe. It is a brilliant, modern car. It has graceful new lines and well-tailored interiors. It gives you the same basic advantages of the 85-horsepower Ford V-8 engine.

Before Ford made V-type 8-cylinder engines available to every one, they were used only in expensive cars. Since then, four million Ford owners have learned the genuine enjoyment of driving an 8-cylinder car with all-round economy. The low prices of the De Luxe and Standard cars make it easy for you to step into the V-8 class.

FIT YOUR CAR TO YOUR NEEDS

With two distinct designs, two body sizes and two price ranges, you'll find a 1938 Ford car to fit your personal needs exactly. Whatever one you choose, you get time-proved Ford V-8 performance. Whatever price you pay, you get a car built soundly to serve you well. . . . That's the Ford way.

FOR LOW DELIVERED PRICES SEE YOUR LOCAL FORD DEALER

De Luxe Ford V-8 models are Coupe, Tudor Sedan, Fordor Sedan, Convertible Coupe, Club Coupe, Convertible Club Coupe, Phaeton and Convertible Sedan.

Standard Ford V-8 is available in three models: Coupe, Tudor Sedan and Fordor Sedan.

Ford sells a fully equipped car at the lowest possible price. The prices on De Luxe models include twin tail lights, two windshield wipers, two sun visors, twin electric horns, cigar lighter, de luxe steering wheel, glove compartment clock and lock, chrome wheel bands, in addition to front and rear bumpers and guards, spare wheel and tire and tube, tire lock, and headlight beam indicator.

Prices on Standard models include front and rear bumpers and guards, spare wheel and tire and tube, tire lock, one tail light, one windshield wiper, one sun visor, cigar lighter, headlight beam indicator, and two horns.

HAVE YOU HEARD

AS 1937 CLOSES LET'S TAKE INVENTORY.

Check carefully your real assets in life,
If you have a clear conscience and good health,
If you have half a dozen good friends and a happy home,
If your heart has kept its youth and your soul its honesty —
Then you are one of life's millionaires.

The young man had gone to the bazaar, but was determined not to spend anything.

MAKE YOUR LIVER Produce its bile

Your liver has a big job to do. Make it do what it is supposed to. Its job is to produce 18 to 36 fluid ounces of bile every day and send it through the system. If it falls down on its job you suffer. AND HOW!

The most effective stimulant for the liver known to medical science is calomel, which in small doses is one of the highest use in congestive conditions, especially those due to over-eating, over indulgence in alcohol, lack of exercise, etc. Tanol Tablets contain a certain proportion of calomel, blended with cascara and other medicines. They are mild and harmless. But your liver understands and takes the hint. For sale at all druggists, 50c. (B)

Issue No. 1—'38

A—C

Pretty Seller — "What about this cigarette case?"

Young Man — "I don't smoke."

Pretty Seller — "This pen wiper."

Young Man — "I never have any use for them because I never write."

Pretty Seller — "This package of candy?"

Young Man — "I never eat candy?"

Pretty Seller — "Then what about this cake of soap?"

The young man bought it.

This is the end of 1937:
Don't be fooled by the calendar.
There are only as many days in the year as you make use of.
One man may get only a month's value out of an entire year,
While another will get a full year's value out of a month.
It's the use you make of your time that counts.

Boss — "Hi, there, you; didn't you tell me you never got tired."

Negro — "Dat's right, boss, ah allus stops an' rests befo' ah gets tired.

Read it or not:

Frost does not cause the leaves of trees to turn yellow and red in the autumn.

Percy — Mr. Pennington, your daughter has promised to marry me."

Mr. Pennington — "She said she would get even with you for not giving her an English bull pup for Christmas."

Play fair even with the Devil. Don't yell "get behind me Satan," and then continue to hang onto him with both hands.

Hired Hand — "Well, now, what time do I have to get to work mornings?"

Farmer — "Any time you like, jest so's it ain't later than half-past four."

THE JOY OF WORK

Don't pity the man who hustles all the whole day through —
But pity the other fellow who hasn't a thing to do.
Condole with the chap who's idle, who has no "row to hoe,"
With no one depending on him, and nothing to make him grow.
He misses the best of living, the joy of work well done,
The thrill of high achievement and victories nobly won.
And the man who "digs in" daily, and whose bread and butter depends
On his doing his very utmost, and who earns all he spends —
Is the one who finds completeness in every well-spent day —
Whose life is filled with sweetness in work as well as play.
His joy is in providing — through his own brawn and brain
For those whose love inspires him to hustle with might and main.
That man will keep on climbing, and nothing can make him stop;
For with such power behind him he's sure to reach the top.
So envy the man who hustles, and needs to hustle too;
And from your heart be thankful if that man should be — YOU!

Farmer Brown — What did your son learn at state college?"

Farmer Hicks — "Well, he hadn't been home three days before he showed me how to open a bottle with a half-dollar."

Don't get the idea that everybody is working against you; many of them don't even know that you are around.

"The time has come when even the strongest democracies in the world must be prepared to resist inroads upon their liberties by totalitarian states."—Harold L. Ickes.

Meets Death In Search of Sleep

Twenty-three-year-old Mary Nainby, of Clarence street, Seaton Sluice, England, met her death while trying to cure herself of insomnia.

This was revealed at an inquest on Miss Nainby, whose body was found jammed among the sharp rocks at the foot of the 40-foot cliffs at Collywell Bay.

Part of the medical treatment towards her cure, it was stated, was a walk each evening before retiring. Her usual practice was to walk around the crag at the top of the cliffs, where the footpath is only three inches from the edge.

It was slightly foggy at the time of her fall.

Medical evidence was that the girl had a fractured skull and broken neck.

WEAR SMART STYLES AT 45

Retain An Attractive Figure

Disfiguring extra pounds that make it difficult to dress as you wish are often due to sluggishness of your liver. When this great cleanser of blood and distributor of energy is inactive or overworked, sugars and carbohydrates which should be stored in the liver develop into fatty tissue. Middle aged and older women with attractive figures invariably possess healthy livers. Fruit-a-tives fruit liver tablets put your liver in good condition, and keep it healthy. You feel better, skin clearer, eyes brighter, are more likely to retain your graceful figure—wear smart young styles. Thousands of women use Fruit-a-tives for this reason. Try them, 25c., 50c., all druggists.
