VICINITY CHIPS

Born—On Sunday, Apr. 6, to Mr. and Mrs. Will Orr, a daughter.

Mr. Holland made a flying visit to Toronto the end of last week.

Mrs. J. Thistlethwaite and children visited in Toronto the past few days.

Mr. Ed. Thompson spent a few days in Collingwood during the past week.

Misses Lillian Armstrong and Agnes Henderson spent Sunday in Dundalk.

Mr. and Mrs. John White left on Monday to visit relatives at Westport, Lanark Co.

Mrs. W. C. Welton of Mt. Forest, is the guest of her son, Mr. B. Welton, in town.

Miss Tena LeGard of Toronto is spending a fortnight with her parents here.

Born—At Lion's Head, on Sunday, April 13, to Mr. and Mrs. R. Shaw, a daughter.

Miss Lulu Mitchell is taking a course in Domestic Science at McDonald Institute, Guelph.

Mrs. W. H. Thurston is visiting her daughter, Mrs. R. Shaw, Lions Head, for a month.

Miss K. Bellamy returned last Wednesday after visiting in Proton Station with her niece, Mrs. Lyons.

Mr. and Mrs. R. D. Meldrum left on Monday for Toronto, where they have purchased a residence.

A number of citizens attended the funeral of the late Mrs. John Boland, which took place to Markdale cemetery on Friday last.

Mrs. Thompson Wilson, Mrs. Henry Wilson and Mr. and Mrs. W. J. Talbot attended the funeral of the former's sister in Stayner, recently.

Mr. H. C. Duff of the Department of Agriculture, who has been in Scotland drumming up farm laborers for this county, is expected home this week with 100 men.

We neglected to mention last week the receipt of a sealer of delicious maple syrup from Mr. Jacob Lever of the suburbs. Mr. Lever remembers The Advance each year in this delightful manner. May his sugar bush never grow less.

Rev. James Buchanan of Dundalk who supplied Chalmer's church pulpit the past four Sundays, has been given a unanimous call to Elmvale, a splendid charge in the presbytery of Barrie, to which we understand he will go at an early date.

Postmaster Trimble would like to have us explain to all concerned that all letters addressed to a party served by the rural mail carriers must have a 2-cent stamp attached. Drop letters to be called for by parties not so served only require a one-cent stamp as formerly. By observing this, business men and others will save inconvenience and disappointment.

On Saturday a number of gulls were observed flying over, evidently having come from the Georgian Bay. It is only a few years since the gulls first decided to visit the inland waters during rough spring weather on the large lakes, but now they come in flocks. Last spring they were so plentiful near Kimberley as to be a nuisance to the farmers along the river.

Here is a storm story from the Mt. Forest Confederate: A farmer not a thousand miles from Mount Forest, was literally and truly blown out of his boots. Sitting with his boots off in his house he noticed that the barn door had blown open. Hastily pulling on his big rubber shoes he made for the barn. He had to pass through some mud in which the boots stuck fast, but the strong wind drove the owner on, and to preserve his equilibrium he had to leave his boots behind and perambulate in his nice clean stockings.

Rev. Mr. McVicar and family arrived in town Tuesday evening.

Rev. Mr. McLaren of the Baptist church will leave his charge here in a couple of weeks. His Flesherton congregation regret that he finds it necessary to make a change. Both he and his family are highly thought of by all. He is an earnest preacher and a citizen that we are all sorry to lose.

Hanover has erected a continuation school at a cost of $24,000. From a description and picture it appears to be very similar to the Artemesia Rural High School building erected here, with the same number of class ronms and auditorium. It is erected on the same plan and the same firm—Foster & Clark—were the architects. The only real difference is that the Hanover building cost $24,000, while ours cost $13,000!

Miss Jean McPhee, honour graduate of Household Science, McDonald Institute, Guelph, and expert demonstrator, will demonstrate bread and pastry making to the ladies of this section in the town hall on Wednesday, April 23, 1913, showing how easy it is to make the nicest and lightest bread in four hours, also showing easy methods of pastry making. This is under the auspices of the W. I. Members and non-members heartily welcome at 2.30 p.m. sharp, admission 10c.

At the induction of Rev. Mr. McVicar, which takes place in Chalmer's church to-day (Thursday), at 2 p.m., Rev. W. C. Mercer, Moderator of Presbytery, will preside. Rev. J. A. Matheson of Priceville will preach the sermon. Rev. Dr. McKenzie of Shelburne will give the charge to the minister and Rev. G. W. Rose of Corbetton will address the people. After the service a reception will be given the minister and his family in the school room of the church. Mr. McVicar will occupy the new pulpits next Sunday.

The Presbyterian last week contained the following interesting item respecting a former pastor of Chalmer's church here: Knox church, Paisley, of which Rev. G. C. Little is pastor, has shown a splendid spirit after the disaster to their beautiful edifice by the severe wind storm by which the roof was blown off and considerable damage done to the interior. Having shown their appreciation of the work of their pastor by adding a telephone to the manse and increasing the stipend $100, they have raised in about three days $1300 for repairs and remodelling the church and hope to have in a short time sufficient to make their church even more beautiful than before.

Artemesia Statistics

Assessor Meldrum has supplied The Advance with the following figures:

Value of real property	$915,630

No. of bitches	17
Total population	2550
No. male persons between 21 and 60	495
Total No. of electors on roll	971

The Late Wesley Pedlar

The Loup City Nebraskan of date April 3, in an extensive obituary notice of the late Mr. Wesley Pedlar, says:

In 1909 he was elected to the city council of Loup City, serving two terms, in 1911 he was elected mayor and re-elected in 1912, and was the only candidate for the position at the time of his death. Wes was a plain out-spoken citizen, which sometimes worked to his disadvantage but he was generally admired for his sincerity of purpose.

Wes came of a large family consisting of father, mother, seven brothers, two half brothers, and four sisters, making a family of fifteen in all, and was brought up in a new country where conditions pertaining to education were not the most flattering. Just at a time when by energy and application in practical life he had become most serviceable to himself and others, and at a time which he deemed to be the meridian of his existence, he was called to meet the decree of the powers that be.

He leaves surviving his widow of this city, his mother of Flesherton Ontario, an only daughter of Port Arthur, Ontario, five brothers, two half brothers and three sisters, the father, a sister and brother having preceded him to the great beyond.

Child Drowned In Rain Barrel

A little 3-year-old son of Mr. Eli Robinson, merchant and postmaster at Feversham, fell into a rain water barrel on Tuesday afternoon between 3 and 4 o'clock. The child was in the water only a couple of minutes, but was unconscious when taken out. Dr. Roszell of Maxwell was quickly on hand and worked over the little fellow for reveral hours with the hope of reviving him but was unsuccessful. It is only about a year since Mr. Robinson lost his wife, and another child has been under a nurse's care all winter. Surely Mr. Robinson is deserving of deed sympathy in his manifold troubles.

and allkinds of fresh groceries at lowest prices.

W. L. Wright, Grocer, Flesherton.

You better be careful in the selection of your twine this year. Be sure you get the best. Beware of mixed twines, which are really composed of low grade manila. They are unsatisfactory at the best, and they will annoy you to death straightening out tangles and picking up loose bundles. Buy good sisal, standard sisal, or high-grade manila binder twine and save yourself annoyance.

When you consider the satisfaction that sisal, standard sisal and high-grade manila binder twine will give and the amount of extra labor good twine will save, you will more fully understand the value of McCormick twines. McCormick binder twine is made in four brands—sisal, standard, manila, pure manila. Every brand is up to the McCormick quality. You will get perfect satisfaction if you use McCormick twine.

Don't be misled, come direct to us and we will explain the twine proposition.

S. Hempnill, Agent, Ceylon
