VICINITY CHIPS

Mr. W. J. McFarland, Markdale, was in town Monday.

Miss Lynette Hanbury of Dundalk is the guest of Mrs. R. Moore.

Miss Ina Smith of Markdale spent Sunday with Mrs. D. McTavish.

Mrs. W. A Armstrong leaves on Friday of this week to visit a sister at Fort Scott, kas.

Mrs. H. Alexander, Feversham, is the guest of her sister, Mrs. A. Stewart, this week.

Mr. Robert Neilson died in Toronto on Tuesday as a result of blood poisoning. The funeral will take place to-day (Thursday) from Proton Station on arrival of noon train, to Flesherton cemetery.

Mrs W. Trimble and Miss Zilla Trimble entertained the Methodist Choir in their home on Tuesday evening, when a very enjoyable time was spent.

Mother's Day was duly observed in the Methodist church on Sunday with an appropriate sermon by the pastor in the evening from the text: "Woman, behold thy Son."

The 1913 assessment places the population of Flesherton at 414. This is four less than last year. The total assessment is $119,692. The assessor only discovered twenty-seven dogs.

Heavy frosts for three nights last week retarded vegetation, but do not appear to have done any donsiderable damage. The clover crop is probably hurt somewhat, but fruit trees and shrubs were not sufficiently advanced to receive the full force of the blow. Even small fruits appear to have stood it all right.

Mr. W. S. Wilcock, who is taking a course in mining engineering, is home at present. He is now receiving the congratulations of his friend son the successful result of his recent examination, he having passed his second year with honours. Will also took honours in his first year.

At the annual meeting of the Ladies Aid of the Methodist church on Wednesday of last week the following officers were elected: Pres., Mrs. Jos. Clinton: 1st. Vice, Mrs. Geo. Mitchell; Sec., Mrs. R. Moore; Assistant, Mrs. Trimble; Treas. Mrs. Will Moore; Parsonage Com., Mrs. W. J. Bellamy, Mrs. H. Wilson, Mrs. John Hales.

At the annual meeting of the Woman's Missionary Society on Thursday last the following officers were elected: Pres., Mrs. Thurston; 1st. Vice Pres. Mrs. Geo. Walter; 2nd Vice, Mrs. W. Boyd: Rec. Sec., Mrs. G. Mitchell; Cor. Sec Mrs. Will Armstrong; Treas., Mrs. Robt. Wright; Christian Stewardship, Miss Annie Waller.

The annual convention of Artemesia and Markdale Sabbath School Association will be held in the Methodist church, Flesherton, on Tuesday, May 20. An afternoon and evening session will be held, at 2.30 and 7.15 p.m. Rev. E. W. Halpenny, General Secretary Provincial Sunday School Association, has arranged to deliver addresses at both sessions and will greatly assist in making the convention interesting and profitable. Special music at evening session.

We congratulate Mr. W. A. Campbell, whose name appears in the list of successful candidates who passed the first year's examination in Arts. Mr. Campbell is a son of Inspector Campbell, and "following in father's footsteps, following the dear old dad," he is taking up his work extramurally at Queen's University. At the recent examination he wrote on two subjects, Physics and Senior English, taking second-class honour standing in each. We are much pleased to hear of his success, and hope he'll soon be able to put the educational B. A. at the end of his name. To undertake the work outside the walls of a university is worthy of commendation. Few young people care to tie themselves down so closely to study but those who make the sacrifice are sure to reap the reward.—Chronicle.

The aunual meeting and election of officers of the Flesherton W. I. was held one day last week, when the following officers were appointed: Pres., Mrs. A. Stewart; Vice Pres., Mrs. Hickling; 2nd Vice Pres., Mrs. Wilcock; Sec.-Treas., Mrs. E. Best; Dist. Director, Mrs. E. Wickens. Luncheon was served on the new dishes recently purchased by the Institute. Mr. George Bellamy presented the ladies with a neat little cupboard made by himself for the purpose of holding the new dishes. A most enjoyable time was spent.

Will Develop Eugenia Power

Regardless of What Owen Sound May Do

Mr. H. H. Hogg, designer for the Hydro-Electric Commission, was at Eugenia for a few days last week gathering data for the purpose of preparing plans for developing the power, and stated that the Commission purposed going ahead with the development regardless of the attitude taken by Owen Sound.

Collingwood will probably be the town to receive most benefit from this development, as the intention is to connect up the Eugenia power at Collingwood with the Severn line, instead of stringing a second wire over that line.

Owen Sound has received its final word from the Commission, and if it does not see fit to accept there is no help for it, but its action will not prevent the scheme from going ahead and other smaller places deriving great benefit therefrom.

Artemesia R. H. S. Grades I. Throughout

Inspector John Waugh visited the Rural School here on April 22-23, and his report has now been received. This report is extremely satisfactory and gives the highest grading throughout. Among other things mantioned in the repot we quote following:

The accommodation provided for this school are all that need be desired. The library is valued at $179.46, scientific apparatus $235.26, maps and globes $47, drawing models $33.40. The equipment is reasonably complete and is in first rate condition. There are 52 pupils, and the staff is legally qualified. Mr. White, the principal, is doing excellent work and there is no doubt that with further experience Mr. Brown will prove to be a good teacher. Owing to the construction of the building there is very little need of fire drill, still it would be well to practice it occasionally. The work of pupils in all departments shows marked improvement. The general condition of this school is much improved. The trustees have shown commendable energy in doing all in their power to advance the interests of this school. There is plenty of evidence of the increasing power and influence of the school.

Possibly every merchant, tradesman, professional man in the town has felt the calls and demands made upon him recently a rather burdensome tax. The colored church in Guelph, the Turkish Free (?) Hospital, some personal appeals for local charity, and several appeals by letter for hospitals, sanitariums and charitable institutions of one kind and another are a few appeals that have been made to town business men within the past few weeks. To many of us these appeals for help, financial and otherwise, are becoming an intolerable burden. Because a business man happens to be engaged in a commercial pursuit it does not imply that he is a Carnegie or a Croesus. A year's voluntary contributions in response to appeals amounts to a considerable sum, and goodness knows the cost of conducting business has greatly increased. Every business man and woman enjoys helping every good cause when it is a personal duty, but really all of us are not rich enough to contribute to all local enterprises and repsond liberally to the innumerable out of town appeals also. No doubt but some persons have really had to stint their families, their church or himself or his business to respond to some calls on his purse. One sufferer remarks that "most of us find dodging our creditors trouble enough without having to dodge the professional beggars that infest ou Main street.—Exchange.

Odds and Ends

CORN! CORN!

Get your corn for planting. I have on hand a large stock of all the favorite kinds, including—Compton's Early, North Dakota, Whitecap and Improved Leeming.

Dwarf Essex Rape seed, the best to sow; Mangels, Sugar Beets and Turnip Seed. Get your supplies from the Old Reliable dealer in Flour and Feed—Ogilvies Flour, Five Roses, Dundalk White Rose, Ford's Patent and morning Glory.

W. L. Wright, Grocer, Flesherton.

Be Careful!

You better be careful in the selection of your twine this year. Be sure you get the best. Beware of mixed twines, which are really composed of low grade manila. They are unsatisfactory at the best, and they will annoy you to death straightening out tangles and picking up loose bundles. Buy good sisal, standard sisal, or high-grade manila binder twine and save yourself annoyance.

When you consider the satisfaction that sisal, standard sisal and high-grade manila binder twine will give and the amount of extra labor good twine will save, you will more fully understand the value of McCormick twines. McCormick binder twine is made in four brands—sisal, standard, manila, pure manila. Every brand is up to the McCormick quality. You will get perfect satisfaction if you use McCormick twine.

Don't be misled, come direct to us and we will explain the twine proposition.

S. Hemphill, Agent, Ceylon
