D. Alkabasay

ARRIVED AT LAST.

THIS elegant Turkish Tonic is one of the most salutary and delicate preparations ever submitted for public approval in this hemisphere, and asserts its pretensions to patronage on the following grounds:—

That it is a preparation of one of the most eminent Purveyors to the Ottoman Court.

It prevents acidity of the stomach.

It relieves lowness of spirits.

It is a mild and invigorating tonic, and and a most efficient but innocuous stimulant.

It renders the breath sweet and agreeable.

It stimulates the appetite if taken *before* meals.

It promotes digestion if taken *after* meals.

It neutralizes the propensity for strong liquors.

It renders the intellect bright and clear.

If taken habitually it imparts vitality and energy to all the bodily organs.

By its use the man of 70 will become, as it were, restored to the elasticity of 30; and to persons of delicate constitutions it is strongly recommended.

It is an especial favorite with Oriental ladies.

Secure then health, longevity and vital energy by the habitual use of the
ALKABASAR TURKISH TONIC.

Kept in stock by the principal Druggists and Grocers in the Dominion.
