THE
Flesherton Advance

An independent newspaper, published every Thursday at the office, Collingwood Street, Flesherton. Subscription price $1 per annum, when paid in advance; $1.50 when not so paid. Advertising rates on application. Circulation 1,100 weekly.

W H. Thurston - Editor

Court of Revision

The first sitting of the Court of Revision of the assessment of 1913, township of Artemesia, was held on the 7th day of June. The members of the council were all present, the reeve in the chair.

Appeal from Nelson Frewing as to lots 168 and 169, con. 3, S. W., to have the purchaser, R. E. McKay, entered on roll, granted; Wm. Stewart, as agent for Mrs. Johston, appealed against assessment of lots in Eugenia, $100 00 was deducted from the assessment on account of these having no buildings; John Burnett appealed against his assessment of lots 6, 7, 8, 9, con. 3, S. D. R., as being too high. The assessment was reduced $100.00; Thos. Lever appealed against his assessment on lot 140, con. 1, S. W., as being too high, reduced $100.00 on land and $50.00 on buildings; Mr. S. P. Embury appealed against his assessment on lot 117, 1 N.E., as being too high. The assessment on land was reduced $100.00. M. G. Orr appealed against his assessment on 174, 175, 1 N. E, as being too high. The assessment was sustained; Joseph Park appealed against his assessment on lots 180, 181, and 182, con. 3, S. W., as being too high. The assessment was sustained; Lot 14, Hamilton survey, was assessed to John McFayden at $25.00, lots 2 and 6, con. 2, S. D. R., were assessed to A. H. Haigh, instead of Archy McLean; lots 21 22 S. Simpson St., Eugenia, were assessed to J. A. Williams; lot 22, Camrobert N., Eugenia, was assessed to Robert Haney; E. A. Graham was entered on roll as tenant for R. Plantt's property in Eugenia, instead of Rev. P. Campbell.

F. Brown—A. D. McLeod—That the Assessment Roll of 1913, as finally revised by this court, be the assessment for all purposes for the year 1913, subject to any changes which may be made by the county judge on appeal to him.—Carried.

Artemesia Council met at Flesherton, in the town hall, on Saturday, June 7, 1913, after the adjournment of the Court of Revision, for general business. The members were all present, the Reeve in the chair. The minutes of last session were read and confirmed. Communications, etc, were read as follows: Sam. McMullen, claims for sheep killed by dogs $10.00; Wm. Chard, claim for sheep killed by dogs, $6 00; Sawyey-Massey Company, account for grader blade and bolts, $9.75; J. I. Graham, an account for repairs for Rock crusher from several parties, $23.51; Marshall Baird, notice of damages to wagon, etc., on town line, Artemesia and Euphrasia, to the extent of $15 95.

Graham—Caswell—That the bill for damages presented by M. Beard, be referred to commissioner for Eugenia ward.—Carried.

Graham—Brown—That the reeve, when meeting the representatives of Euphrasia township for settlement, request that a better price be allowed us on the over amount of statute labor performed by the township.—Carried.

Brown—Caswell—That Mr. Graham be refunded $23.51, being amount settled by him for repairs for rock crusher.—Carried.

Graham—McLeod—That the account of the Sawyer-Massey Company for grader bit and bolts, $9.75 be paid.

Brown—McLeod—That Wm. Chard be paid $4.00 for sheep killed by dogs as certified by James Fisher and Jos. Shier—Carried.

McLeod—Brown—That Samuel McMullen be paid $6.60 for sheep killed by dogs, as certified by Jos. Fenwick and John Becroft.—Carried.

Caswell—Graham—That we grant $25.00 toward building a cement sidewalk on Edgar St., Proton Station, provided ratepayers and others provide balance of cost to build the required distance and the commissioner approves of the work when completed, and report in writing.—Carried.

Egg Trading—New Basis

The produce merchants of Ontario and Quebec will, on Monday next, inaugurate a new system of purchasing eggs with the view to improve the quality of market eggs.

It has been pointed out repeatedly that the "case count" system of buying eggs has been largely the cause of the general unsatisfactory condition of the trade.

For many years eggs have been purchased by number without regard to quality. This has been decidedly unfair to the farmers and other producers who have taken pains to market good, clean, fresh eggs, and though placing no premium on good eggs, the system referred to has really become an incentive to the continuance of careless and dilatory methods.

Eggs have been shipped to consignees in all stages of decomposition and, as, the buyers had no redress, the farmers have been encouraged to hold eggs at certain seasons of the year when they have had no satisfactory place for storing them, with a consequent deterioration, while prices were rising.

While it may appear that the farmer has reaped an extra profit by including inferior eggs, the real facts show that the wholesaler has lowered the price paid the farmer the season when the eggs usually come forward and advanced them to the retailer to make up his loss. The loss, therefore, has been borne by the farmer and the consumer.

Several systems have been tried in various localities and been studied from every point of view but government officials and produce merchants, the one method which has seemed most satisfactory to the produce dealers of the provinces of Ontario and Quebec seems to be the "loss off" buying, which consists of making deductions from the sum total of receipts of eggs which are bad and unfit for food.

Accordingly at the conclusion of the last meeting of the Association of Produce dealers, it was voted that on and after June 1st, 1913, that three grades of eggs only be considered in the purchasing of eggs by members, viz:

New laid—Eggs which are sound, full sweet and not more than five days old.

Firsts—Eggs which are sound and sweet, but having a limited shrinkage.

Seconds—Eggs of inferior quality, but not bad.

The association also agreed that for bad eggs they will after that date pay absolutely nothing.

It has also been pointed out that any one guilty of dealing in rotten or decomposed eggs are liable, under the Adulteration Act, to a penalty of from $300 to $500, and imprisonment or both.

Better Farming Special

The better farming special which will be at Flesherton station all day on Tuesday June 17, will be well worthy of your attention. This is the only place at which the special will stop between Chatsworth and Woodbridge.

The equipment will consist of two coaches, one for the transportation of typical animals of the various classes of live stock produced in Ontario, including heavy horses, beef and dairy cattle, poultry, swine and sheep. The other coach will contain illustrative and demonstrative material, covering seed improvement, identification of weeds, testing of seed, drainage, soil moisture, alfalfa, ensilage, insects, diarying, poultry raising, etc., etc. Every farmer, no matter what lines he may be following, will find more or less of interest in the demonstration cars. Throughout the day instructors will be in charge of the equipment, prepared to answer questions and distribute literature.

Competent men will also be in charge of the live stock and will demonstrate the characteristics of the various classes represented, and give instruction in judging, breeding, feeding, etc., from 10 to 12 a. m. and 2.30 to 5.00 p. m.

The teachers and trustees of public and high schools are requested to allow the pupils to visit the demonstration cars, say between eleven and one, or three and five, and the public officials of the various places to be visited are requested to furnish a hall for an evening meeting free of cost to the Department. Where this is done, lecturers from the staff of instructors will be prepared to give lectures illustrated by lantern views in the evening.

The staff of instructors will be drawn from the Agricultural College, the Department of Agriculture and the regular Institute staff. Only men with special training and experience will be engaged to give instruction.

The horse breeder, the beef cattle man, the sheep raiser, the poultry man, the bee keeper, the general farmer and all who are interested in any special feature of farming, will be benefited by visiting the train to take advantage of the lectures, answers to questions and explanations given by instructors. The literature to be distributed and the evening lectures will be most valuable.

Victoria Corners

Held Over Erom Last Week.

We are surprised that Proton's correspondent did not mention the baseball game played between the pupils of No. 4 and the Proton pupils, when the latter visited the former on May 23. Maybe, however, since the results were as they were, Proton felt it was too much like boasting to have it put in the paper, so we won't boast of it either. But some day we'll beat Proton yet. See if we don't.

Miss Louie Corbett visited her aunt, Mrs. Lockhart.

Mr. Jas Stinson had a bad fall from a horse, but we believe he is getting better

Mr. Thos. Banton had a wood bee one day this week,

NERVOUS DEBILITY

OUR NEW METHOD TREATMENT will cure you and make a man of you. Under its influence the brain becomes active, the blood purified so that all pimples, blotches and ulcers heal up; the nerves become strong as steel, so that nervousness, bashfulness and despondency disappear; the eyes become bright, the face full and clear, energy returns to the body, and the moral, physical and mental systems are invigorated; all drains cease—no more vital waste from the system. You feel yourself a man and know marriage cannot be a failure. Don't let quacks and fakirs rob you of your hard earned dollars.

NO NAMES USED WITHOUT WRITTEN CONSENT

THREATENED WITH PARALYSIS

BEFORE TREATMENT

Peter E. Summers relates his experience: "I was troubled with Nervous Debility for many years. I lay it to indiscretion and excesses in youth. I became very despondent and didn't care whether I worked or not. I imagined everybody who looked at me guessed my secret. Imaginative dreams at night weakened me—my back ached, had pains in the back of my head, hands and feet were cold, tired in the morning, poor appetite, fingers were shaky, eyes blurred, hair loose, memory poor, etc. Numbness in the fingers set in and the doctor told me he feared paralysis. I took all kinds of medicines and tried many first-class physicians, wore an electric belt for three months, but received little benefit. I was induced to consult Drs. Kennedy & Kennedy, though I had lost all faith in doctors. Like a drowning man I commenced the NEW METHOD TREATMENT and it saved my life. The improvement was like magic—I could feel the vigor going through the nerves. I was cured mentally and physically. I have sent them many patients and continue to do so.

AFTER TREATMENT

CURES GUARANTEED OR NO PAY

We treat and cure VARICOSE VEINS, NERVOUS DEBILITY, BLOOD AND URINARY COMPLAINTS, KIDNEY AND BLADDER DISEASES and all Diseases peculiar to Men.

HORSE ROUTES

PROHIBITION KING

THE TROTTING COLT

Breed to trotters and get trotters, and to show horses to get show horses. Prohibition King's enrolmen No. 975 has been enrolled in accordance with Chapter 67 of the Statute of Ontario 2 Geo V. Prohibition King in his two-year-old form is a nice clean, jet black colt, standing 15½ hands high. He is bred to go fast and is certainly gaited to go fast, being one of those high going, open gaited trotters and we may well expect this colt to step fast in another year, as he is bred and gaited for it. He has made his first appearance in the show ring, defeating such horses as Red Top, Ravonia, etc. What will this fellow do when he comes to his growth. Prohibition King has the fast connections and by reading over his pedigree you will find he is of the same family as Minoo Heir 1.59½, the only horse, living or dead that ever beat Dan Patch, Lady of the Manor 2.04 Dare Devil 2.09, Heir at Law 2.00¾, Lord Derby 2.05¾, Nightingale 2.08, Mocking Boy 2.08¼, King Charlie 2.08, The Abbott 2.03¼, Shadow Comes 2.05, The Monk 2.05¾, and undreds others with very low records

His sire, Lord Ross 35673, A. T. R. was one of the best bred horses in Canada and was a winner wherevershown and also won sweepstake for best Standard Bred Stallion and three of his colts: and sired by a full brother to Dare Devil 1279, by Mambrino King the handsomest horse in the world. His dam, Nettie, F by Prohibition 2.21¼, 21812, by Petoskey 3933, he by Geo. Wilkes 519, was one of the few to have 158 first prizes and diplomas to her credit, and that she speaks for herself is the best evidence that can be given.

Monday morning—Will leave his stable, Meaford, to Clarksburg for noon and to Chas Hill's for night.

Tuesday—South to John Dobson's for noon, then by Maxwell sideroad and H. Guy's, Maxwell for night.

Wednesday—By gravel road to Thos. McArthur's, Ceylon, for noon, and Markdale for night.

Thursday—Berkeley for noon and to Wm. Geo. Dixon's 10th line for night.

Friday—North to Bognor for noon.

DON CARLOS

The Sweepstake German Coach Stallion will have same route and stands. This horse has been enrolled No. 1047 under Chapter 67, of the Statutes of Ontario 2 Geo. V.

The above stallion was under said Act inspected by the officers of the Board and found to be free from the malformations and diseases named in the regulations of the said Act. Arrangments can be made for living colts by applying to the manager.

JOHN FINDLAY,
Manager and Collector,
Meaford, Ont.
