THE STANDARD BANK OF CANADA

ESTABLISHED 1873

HEAD OFFICE TORONTO

KEEPING a bank account for "household expenses" and paying all bills by cheque has many advantages. It shows the balance on hand, the amount expended, provides receipts for every payment and does not require a large deposit to begin with.

VICINITY CHIPS

Mr. and Mrs. F. G. Karstedt visited Elmwood friends over Sunday.

Miss Katie Bellamy is spending a month with friends in Toronto.

Mr. and Mrs. R. H. Moore are visiting friends at Orillia and other points.

Miss Lizzie Campbell of Toronto is visiting with friends in this vicinity.

Owing to the temporarily crowded condition of our columns we are obliged to hold over considerable matter.

Misses Ruby and Lydia Aikenhead and Elsie Keith of Toronto are guests of Mr. and Mrs. F. H. W. Hickling.

Mr. W. H. Bunt attended the Grand Council of Chosen Friends in Toronto as delegate from the Flesherton Council.

Mr. and Mrs. David Wright of Emerson, Man., are visiting relatives here. It is eighteen years since their last visit, and about 25 years since they moved w t from Eugenia.

The Women's Institute of Maxwell will give a concert on Friday, June 13, in aid of building cement sidewalks. This is a worthy cause and ought to receive hearty support.

Mrs. Joseph Clinton left on Tuesday for a trip down East. She will meet her sister, Mrs. Connor, at Trenton, and they will oversee the e ection of a monument to the memory of the deceased members of the family.

The village council met as a Court of Revision on Wednesday of last week and adjourned until Saturday evening, when the business was completed. Something like twenty names were added to the list. There were no appeals against the assessment other than the removal of a couple of dogs.

After a season of extreme dryness the weather broke on Friday last and heavy thunder storms passed over the province doing an immense amount ofgood. This was followed by heavy frosts Saturday and Sunday night which damaged tender stuff that was not protected.

Louis Bendice of Mt. Forest was retailing bananas in this district last week, where he was led before Magistrate McMullen who found that Mr. Bendice did not possess the necessary documents for peddling. It stood the banana man twenty dollars worth of bananas and costs to settle with offended officialdom.

On Sundey morning Mr. M. K. Richardson occupied the pulpit of the Methodist church and made a strong appeal for a better support of church finances. The evening service was in charge of the W. M. S., when Mrs. R. H. Wright gave an excellent report of the recent W. M. S. convention in Toronto to which she was a delegate.

Big bills for the big first of July demonstration have been issued, from which it will be seen that a great day of fun is in store for those who attend. The aquatic sports in the forenon are new and will no doubt draw a large crowd, while the races and other events in the afternoon will be equally attractive. Don't fail to come to Flesherton and share in the fun on July 1.

Master Percy LeGard, the 13-year-old son of Mr. and Mrs. H. LeGard, came as near to death on Friday of last week as it is possible to go and survive. He was holding a stake while his father drove it into the ground with an axe, when the implement came off the handle and the blade struck him on the head, cutting a bad gash on the upper right side. Percy was dazed for a time. "A miss is as good as a mile."

The Methodist conference which is in session at Toronto has made the following changes on the Owen Sound district, according to the first draft of the stationing committee : Owen Sound, West Side, F. W. Hollinrake ; Fourth Avenue, P. N. Jones ; Markdale, W. W. Wallace; Flesherton, James Dudgeon ; Rocklyn, F. G. Stotesbury ; Walters Falls, T. Legate. Rev. Mr. Wellwood of Flesherton is down for Thornton, in Alliston district.

Mr. Thos. Carruthers of Sperling, Man. was a very welcome caller on Saturday last, having just arrived from the West. He attended the General Presbyterian Assembly in Toronto. Mr. Carruthers left Kimberley eight years ago. He is now farming at Sperling. The crops in that portion of Manitoba give only medium promise. Mr. Carruthers says that when he left home farmers were still threshing their last season's wheat. The cold and dry weather that has prevailed in Ontario applied also to Manitoba.

The Ladies' Aid of the Methodist church, will hold a garden party on the lawn of Mr. J. Breen, on Friday evening, June 20th. Ball and other games will be engaged in, also a musical program of Male quartettes, and choruses by local talent. Everyone come and bring their best girl. Admission, 15c and 10c. Don't forget the date—June 20th.

Mr. Wm. Carson sold a veal calf to Mark Wilson, butcher, on Monday, that is something worth talking about. The animal was only three months old and weighed 360 lbs. The price paid for this remarkable bovine sample was $28.80, which Mr. Carson considers paid him fairly well. There is a little gold mine in that kind of breeding, and Mr. Carson appears to know how to work it. He probably operated it as a hydraulic placer mine with milk as the applied force.

Half Price Sale

The seven thousand dollar stock of W. C. Pedwell, Feversham, is in the hands of the Northern Brokerage Company, who have instructions to clean out the entire stock regardless of cost—half price and less. This sale opens on Saturday, June 14, and continues for thirty days, and comprises bargains such as have never been seen in this district. Lists of these remarkable prices have been printed on bills. Look them up. It is the chance of a lifetime. Be there Saturday morning, June 12, at 8 o'clock.

Regulating the Streets

At a meeting of the village council on June 4th a bylaw was passed containing prohibitory clauses embracing the following :

No child can ride behind wagons, sleighs or other vehicles.

Coasting or tobogganing on the streets and riding of bicycles on the sidewalks is prohibited.

No child or children to be upon the streets between the hours of 8 p. m. and 6 a. m. for the purpose of play or otherwise than for travel thereon. Any parent or guardian of any child or children is responsible for the observance of this clause and for violation of the same is subject to conviction. The bylaw also provides penalties for disorderly conduct, using profane, loud or offensive language, loitering on the streets or laneways, intoxication, and for obstructing the streets with building material, merchandise, vehicles, or interfering with travel in any way that may endanger life, limb or property.

No ashes, siftings, shop sweepings, loose paper, straw or refuse of any kind may be placed upon the streets, nor can the same be burned upon the streets.

This is the gist of the bylaw as passed. The bylaw in detail may be read at the clerk's office by any person interested.

W. I. Meeting

Mrs. W. J. Hunter, of Pleasant, addressed the W. I. on Sat. of last week in the High School on "Benefits of Institute Work" and "Common Sense in House Keeping." The District Pres. (Mrs. Ellis of Kimberley) was also present and read a well prepared paper on "Hospitality and Cheerfulness" and Miss I. Wilson sang a beautiful solo. Mrs Hunter is a very enthusiastic Institute worker and those who failed to hear her missed a profitable afternoon. The social element of Institute work seems to stand to the front; it was the first element to prompt organization. The Institute is a sort of church union ; it unites all denominations and thus we get better acquainted. It has encouraged reading and studying and brought out our talent. It has taught us self possession and public speaking. Because we are farmers wives, we do not take a back seat, we take the stand and let people know how important we are—be sisters to our town members, the best people belong to the Institute. There are now 24,000 members in Ontario, so surely we ought to do a good work.

In speaking on "Common Sense in House Keeping," Mrs. Hunter referred to Mrs. Ellis' paper on Hospitality. She says hospitality is common sense, don't make a big show and tire yourself out just because Mrs. — is coming to tea; be hospitable, invite your friends, even if you have not got everything just so, and your furniture not so good as hers, invite them with a good heart and you have accomplished a good thing.

The great problem of to-day, "How to get help" can be greatly solved if we systemize and plan our work, and above all insist on punctuality even among the school children. Give each child a task to preform before school hour. This is one reason why the country boy is generally the most clever. He has to get up early in order to get to school on time. Send the children to bed early and then they can rise early and this means a great help to every mother. And women, always have the meals on time, then when a set hour comes the men will always come for their meals and no man likes to be kept waiting for his dinner. Don't spend all your time in scrubbing and cleaning. Our time is too precious and needs to be economized. Avail yourselves of every saving device possible. Use your mop instead of getting down on your knees and brushing for an hour and use the time saved by teaching your children and your time will be much more profitably spent and your reward greater.

Mrs. Hunter was considered to be one of the best delegates that has yet visited us.

Dairying for Profit

Everyone dairying for profit will find that a cream separator is indispensable. It is, therefore, simply a question of which separator will best meet his requirements.

The Dairymaid cream harvester has been designed to meet all demands. It is built of the best material by experienced workmen.

The essential points of the Dairymaid cream harvester are:

Simple construction, Durable construction, Close skimming, Large capacity, Easy cleaning, Light running.

These, and many others, are valuable features which make a Dairymaid cream harvester best suited to those dairying for profit.

For every up-to-date, well regulated farm, a Dairymaid cream harvester is a necessity. It will save you the inconvenience of hauling your milk to the creamery, and bringing back cold and tainted or sour skim milk.

Use a Dairymaid cream harvester and separate your milk while it is still warm and secure all the butter fat.

Call and examine a Dairymaid cream harvester and secure one of the handsome little booklets telling you more about this separator.
