The Flesherton ladies' baseball club strolled over to Swinton Park last Tuesday and played a friendly game with the Proton team. The score was large, running up to 16-8 in favor of the Flesherton girls. A prize of fifteen dollars was divided between the two teams, and Flesherton carried home ten dollars of that amount, Proton receiving the other five. V. Russell, Dundalk, umpired the game to the satisfaction of all concerned. In a game of football between Ventry and Swinton Park the same evening, Ventry won by a score of 2-1. Sam Ocheen refereed the game.

Miss Annie E. Scott, the W. M. S. Missionary among the Italians at North Bay, was the guest of Mrs. G. H. Walter last Thursday; she attended the auxiliary in the Methodist Church and spoke for a short time on the methods of work used to win the people. Miss Scott said it is estimated that there are 71,000 Italians in Canada, and while many are dirty, some are not, and all are of an affectionate disposition and are easily influenced for good, this, of course, was particularly noticeable among the children. Large numbers, when they come to this country will not accept the visits of the Italian priests, therefore more missionaries should be sent to work among them. The members who were present were pleased that they had an opportunity to listen to a live missionary, but regretted that Miss Scott's time was so limited.

The church garden party held at Rockvale a couple of weeks ago was a decided success, the proceeds amounting to $86.50. The Eighth line and Eugenia baseball clubs played a nice friendly game of ball, the score being 6-1 in favor of the Eighth line. The ladies football match attracted considerable interest. Miss Annie Betts and Miss Dora Pedlar were the captains the former captain winning the game with two goals to her credit. The other side could only see a big O.

On Monday afternoon there was quite an excitement in town for a short time, when the roof of D. McTavish's blacksmith shop was noticed to be on fire. The alarm was quickly given and many willing hands soon had the fire extinguished, but a few minutes more would have made the task very difficult as the buildings are frame and very dry. Little damage was done. We failed to see or hear anything of the fire engine.

An At-Home was held at the home of Mr. Thos. Levers of the Toronto Line on Friday of last week in honour of Miss Elva who bid adieu to her many friends before leaving for Hanover where she will attend the Model School. Miss Lever is an esteemable young lady and will be much missed in social life as well as a faithful correspondent for the Toronto Line north in The Flesherton Advance which we hope will be kept up during her absence. Her many friends and acquaintances in Flesherton and the surrounding community hope that she will have the success in her Model work that she had in her previous school work and trust that she will be guided and blessed in it by her Heavenly Father.

On Thursday, August 7th Mr. J. C Crane of Owen Sound, brother-in-law of Mr. W. W. Trimble of this place, met with a serious accident. That forenoon he had occasion to go into the vault in connection with his office. It being dark he struck a match and immediately there was a tremendous explosion which shook the whole building and hurled Mr. Crane back, his head and shoulders enveloped in flaming gas which it is thought had been ecaping all night in the closed vault. He called for help and Mr. C. S. Cameron whose office is in the same building rushed to his aid and tore his burning clothing from him. He was hurried to the hospital with head, chest and arms burned raw. Mr. Cameron extinguished the fire in the vault. We are glad to say that according to latest reports Mr. Crane is improving, though slowly.

A week ago Sunday evening Mr. Will Buchanan of Vandeleur supplied in the Methodist pulpit as Rev. Mr. Dudgeon administered the Sacrament at Eugenia. Will intends to enter the Methodist Ministry and was listened to with much interest. Last Sunday morning and afternoon Mr. A. L. Hatzin of the Eugenia circuit took Mr. Dudgeon's work while the latter administered the Sacrament at Mount Zion and Inistioge Methodist Churches. Mr. Hatzin was accompanied by Dr. G. W. Hill, chief of the Mohawk tribe of Iroquois Indians on the Brantford reserve. The Doctor sang two solos which were very much appreciated, and when he pays Mr. Hatzin another visit, we hope to have the pleasure of hearing him again.

In a nine innings baseball match here between Dundalk and Kimberley on Thursday afternoon, Kimberley won by one run, the score being 17-18. The Beaver Valley boys were kept hustling, as they had a pretty strong bunch to play against. Dundalk had the game their own way in the first five innings, but finally Kimberley got busy in the last four innings and won the day. It was a nice clean game throughout, with the exception of a little scrap on first base, which did not mar the game to any extent—such "things" will occur in any game. The game was well umpired by Mr. Geo. Mitchell, Flesherton and Mr. Geo. Hanbury, Dundalk, therefore there was no kick coming from either side. After this game the ladies of Kimberley and Flesherton clashed in a three innings game of baseball, the latter team winning by a large score. The score at the end of the game being 18-5, which was not too bad. We might be safe in saying that Mr. Chas. Stuart, Kimberley, umpired the game to the satisfaction of his own team. Of course there is no kick coming from the Flesherton club, as the score was quite large enough.

Hill—Munshaw

A quiet wedding was solemnized at 89 Wilcock St., Toronto on Thursday, August 14th when Mabel Gertrude Munshaw, youngest daughter of Mr. Aaron Munshaw of this place, became the wife of Mr. William Hill of Markdale. The ceremony was performed by Rev. Prof. W. T. Hallam. The young couple left the same day to spend a few days in Muskoka before leaving on a trip to Vancouver. As the bride is one of Flesherton's most popular young ladies, the Advance joins her host of friends in wishing them bon voyage.

A daring highway robbery was committed in Durham Saturday night, August 2nd. The victim was Albert Lewis, a young Englishman just out. He had in his possession $26 in money and a watch which he was to deliver to another Englishman in Durham. These were taken by two men, from whom he had enquired the way to a hotel. Mr. Lewis was able to identify one of his assailants on Sunday and as a result on Monday Arthur Brooks and James McLean were arrested for the alleged crime, and had a preliminary hearing before magistrate Telford and both men were committed for trial.
