CANADA
Life Assurance Com'y.
ESTABLISHED 1847.
THE unprecedented success of this Company may be seen by the following comparison of the new transactions of each year:

1868,	437 new policies for.....	$ 567,894
1869,	831 "	1,156,855
1870,	1,062 "	1,584,456
1871,	about 1,550 policies for..	2,350,000

While this extraordinary and gratifying increase of public support and confidence is due in some measure, to the large profits the company was lately able to divide among its policy holders, it is doubtless also to attribute to the fact, that this is a strictly Canadian Institution, charging low rates of premium, and offering every reasonable advantage which prudence and safety can suggest.
