TOWN AND COUNTRY.

TUESDAY EVENG, JUNE 18, 1872.

☞ *SEE FIRST AND FOURTH PAGES.*

THE typos are practising up for the cricket match next Saturday.

WHAT a good grace is now represented in the weather. There are excellent prospects for the camp.

EXECUTION.—To-morrow Phœbe Campbell will suffer the extreme penalty at London.

NO CLOTHES.—It is said that a portion of the P. W. O. Rifle Battalion has to go into camp without proper uniforms. How is that?

MUSICAL.—Prof. Andrews, the well-known elocutionist, Madame Pizzotti, the celebrated pianist, and Mrs. Thrower, the vocalist, will give an entertainment here about the first of the month.

POLICE COURT, Tuesday.—Ann McKeown, who has gone back again to bad habits, was sent to gaol for 15 days. Geo. Trotter and John Renny paid $2 and costs each. All for drunkenness.

TELEGRAPH IN CAMP.—The Dominion Telegraph Company have opened an office in camp at Point Frederick. This will be a great convenience to the volunteers, correspondents and the public. It is an enterprise besides.

NEW STAND.—It is proposed by the Kingston Cricket and Base Ball Clubs to erect a stand on the ground in place of the old pavillion. We should like to see the ladies grace the field once more in large numbers.

A LITTLE girl the other day, going up Princess street, called into Gordon's drug store and said to the proprietor in a low tone: "Sir, I have spent all my money at Greenfield's closing sale; how much chewing gum do you give here for nothing?"

LOWER BREWER'S.—Among the items passed by the House of Commons for public works, we notice $2,000 for a bridge over the Rideau Canal at Lower Brewer's Lock. The grant was made in answer to a large and influential petition from residents in Pittsburgh and Sterrington.

THE CAMP.—The tenders of the following persons for camp supplies have been approved by the Militia Department at Ottawa:—

Mr. Alexander Adair—Meat.
Mr. R. Carnovsky—Bread.
Messrs. Rigney—Groceries.
Mr. J. M. Dunlop—Forage.
Mr. John Baker—Straw for men.
Mr. I. Noble—Wood and potatoes.

ALMOST A FIRE.—This morning a chimney in the stone building on Princess street, above the Geraldi House, was on fire, but after the usual precaution being taken to put it out speedily no danger was felt. Therefore it was surprising to find about an hour later that the whole roof at the back and front had broken out in a blaze. The roof seemed, indeed, to to be completely under the flames, and the stores of Messrs. Thompson and Martin were in danger. But prompt action, and a little water promptly at hand saved the property.

—THE ELECTORAL DIVISION HORTICULTURAL SOCIETY.—The annual summer prize meeting of this society will be held in the Drill Shed, on Friday, the 5th of July next. It is to be hoped that parties having flowers, vegetables, manufactures, and other objects, worthy of public exhibition, will enter them for competition, and thus assist in making the show useful and attractive as possible. The efforts of the officers to stimulate floriculture, horticulture, and local manufactures, should be cheerfully assisted by our citizens, who are given by the society's exhibition a very elegant and pleasureable evening's enjoyment, besides the substantial rewards to merit.

PROSPECTUS

OF A

New Map of the whole Dominion of CANADA,

From Newfoundland to Vancouver Island, with the Northern and Western States,

BY

J. JOHNSTON, C. E. Montreal.

TO BE PUBLISHED IN THE FALL OF 1872.

SIZE OF MAP, about 7 feet. Extending from Newfoundland (east) to Manitoba (west) and from Lat. of New York (south) to Hudson's Bay (north) on a scale of 20 miles to the inch; from Manitoba to Vancouver Island—50 miles to the inch. This arrangement admits of the old Provinces of Upper and Lower Canada, New Brunswick and Nova Scotia—which are to a great extent surveyed—being drawn on a scale large enough to shew all important details. The great "North West Territory" and British Columbia—where comparatively little has been done in the way of actual survey—a smaller scale answers every purpose; and the map is thus kept within the dimensions best adapted for general office use.

Mr. Johnston has been engaged on the Manuscript during the last Three Years; neither labor nor expense has been economized in the endeavour to make this Map in every respect thoroughly accurate reliable.

The following are some of the most important details, which have been collated great care, from late official Plans and Reports:—the recent Explorations and Surveys in the "North West Territory;" Boundary Lines; new Townships and Mining Locations; New Railways, Canals, Colonization Roads, Free Grant Lands, New Settlements; the Elevations of the Inland Waters and Mountainous regions (above the sea) marked in feet, where they have been correctly ascertained, and the delineation of all prominent Topographical features.

☞ Additions and corrections will be made to date of publication.

Artistically Colored, Mounted on Cloth, with Rollers, &c., Price $10 per Copy to Subscriber. A liberal discount off this price will be allowed to the Trade.

☞ The manuscript has been submitted to the following eminent Geographers and Engineers receiving their unqualified approval and recommendation:—ANDREW RUSSELL, Esq., Geographer to the Dominion Government; LT.-COLONEL DENNIS, Surveyor General; THOS. DEVINE, Esq., P.R.G.S., Surveyor in Chief, Ontario; SANDFORD FLEMING, Esq., Government Engineer in Chief.

Address, J. JOHNSON, C. E., Notre Dame Street, or Box 400 P.O., MONTREAL.
