BETTS'

CAPSULE PATENTS!

TO PREVENT INFRINGEMENTS, notice is hereby given, that

Betts's name is on every Capsule he makes for the principal Merchants in England and France,

thus enabling vendor, purchaser, and consumer not only to identify the genuineness of the Capsule, but likewise the contents of the vessel to which it is applied.

The LORD CHANCELLOR, in his judgment, said that the Capsules are not used merely for the purpose of the ornament, but that they are serviceable in protecting the wine from injury, and insuring its genuineness.

CAUTION.

GENUINE PANCREATINE!

AND

PANCEATIC EMULSION.

The efficacy of these Medicines in the treatment of Indigestion, Bronchitis or Pulmonary Catarrh, Consumption, Wasting, &c., depending entirely upon their purity and strength, Messrs. SAVORY & MOORE caution the public against imitations of them which are set forth as possessing the remedial properties of the true preparations, but which are in reality either saponaceous compounds, ointments or pomades without a trace of the Pancreatic principle and entirely useless as medicines. These imitations are calculated to produce serious disappointment and to injuriously affect the reputation which the Genuine Pancreatine and Pancreatic Emulsion have acquired. It is therefore highly important that purchasers examine the labels on the bottles for the names and Trade Mark of

"SAVORY & MOORE."

The Original and only Manufacturers, Chemists to the Queen, H.R.H. The Prince of Wales, H.I.M. Napoleon the Third, His Highness the Khedive of Egypt, &c.,

143, New Bond Street, London.

Extract from an Analytical Report upon a foreign specimen of a so-called Preparation of Pancreatine.

This compound resembled an Ointment or Pomade in appearance and consistency, and was flavoured with Essence of Almonds or Prussic Acid. It was strongly alkaline, indicating free alkali, which acting upon the fat, produced the usual saponifying result; the whole forming a granular moist mass of fat, soap, glycerine and water. This ointment was physically and chemically different from the true Pancreatic Emulsion which I have also examined and which, besides being rich in Pancreatic juice, has the delicate smooth appearance and consistency of fresh cream; is palatable and readily taken."

Iron in the Blood

PERUVIAN AN IRON TONIC SYRUP

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass.
