which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

PREPARED BY SETH W. FOWLE & SONS, Boston, Mass. And sold by Druggists and Dealers generally.

The Royal Canadian Insurance Co.

AUTHORIZED CAPITAL $5,000.000.

THE present rates for Fire Insurance throughout the Dominion (the result of combination among the various Insurance Companies) are, it is believed, not only excessive, but unnecessary; and however severe the losses to those Companies may have been in the late calamitous fires in Chicago, Boston and other cities in the United States, the losses in the business of Insurance throughout the Dominion do not warrant the great increase which has lately taken place in the rates.

Such being the case, this Company represented by the wealthiest merchants of the Dominion obtained a charter during last session of Parliament, and are now prepared to do business at moderate rates. The promoters can with full confidence rely on the citizens of Kingston giving this Company a liberal support; the Directors pledge themselves that in the event of loss claims will be settled in the most liberal manner, and risks will be taken on their merits irrespective of any Company.

CAUTION.

GENUINE PANCREATINE! AND PANCEATIC EMULSION.

The efficacy of these Medicines in the treatment of Indigestion, Bronchitis or Pulmonary Catarrh, Consumption, Wasting, &c., depending entirely upon their purity and strength, Messrs. SAVORY & MOORE caution the public against imitations of them which are set forth as possessing the remedial properties of the true preparations, but which are in reality either saponaceous compounds, ointments or pomades without a trace of the Pancreatic principle and entirely unfit and useless as medicines. These imitations are calculated to produce serious disappointment and to injuriously affect the reputation which the Genuine Pancreatine and Pancreatic Emulsion have acquired. It is therefore highly important that purchasers examine the labels on the bottles for the names and Trade Mark of

"SAVORY & MOORE,"

The Original and only Manufacturers, Chemists to the Queen, H.R.H. The Prince of Wales, H.I.M. Napoleon the Third, His Highness the Khedive of Egypt, &c.,

143, New Bond Street, London.

Extract from an Analytical Report upon a foreign specimen of a so-called Preparation of Pancreatine.

"This compound resembled an Ointment or Pomade in appearance and consistency, and was flavoured with Essence of Almonds or Prussic Acid. It was strongly alkaline, indicating free alkali, which acting upon the fat, produced the usual saponifying result; the whole forming a granular moist mass of fat, soap, glycerine and water. This ointment was physically and chemically different from the true Pancreatic Emulsion which I have also examined and which, besides being rich in Pancreatic juice, has the delicate smooth appearance and consistency of fresh cream; is palatable and readily taken."
