The Portlaw postoffice will be closed up at the end of the present week. The rural routes have destroyed its usefulness.

Born—at 44 Geoffrey street, Toronto, on Monday, Jan. 26, to Mr. and Mrs. Arthur Wardrobe, a daughter.

At a joint meeting of the trustees and quarterly board of the Methodist church last week a committee of three was appointed to engage officers for the church choir, also Harold Mitchell, Fred Karstedt, jr., Clifford Blakeley and Roy McAuley were appointed ushers to care for both morning and evening services.

Rev. Mr. Colley of the Rocklyn circuit will preach in the Methodist church on Sunday morning next. Rev. Mr. Dudgeon goes to the Rocklyn circuit to hold quarterly service morning and afternoon of that day, but will be in his own pulpit here in the evening.

Mr. George Watson of Flesherton has purchased the waterpower at Priceville from A. D. McLeod and the land in connection therewith, including the pond. Mr. Watson expects to build a sash and door factory in the near future. The sum paid was $14.000. The new firm will be Watson & Son, Mr. Elmer Watson going in with his father.

At the Presbyterian Church on Sunday afternoon an innovation in the regular service took place by the installation of officers of the Sabbath School and Young Peoples Guild as planned for the whole church at the last meeting of General Assembly. The installation was conducted by the pastor and was impressive and interesting. It is intended that in this way these important departments of the churches work shall be more deeply impressed upon the congregations.

At a party held at Mr. George Best's, Toronto and Sydenham road, Thursday ningt of last week a large number of young people were present and had an enjoyable evening. When the hour arrived for their departure a small contingent of the crowd considered a little jaunt around the farm would add greatly to the evening's pleasure and landed back at the starting point. When daylight dawned over the horizon they were landed safely at home.—Com.

The public and high school pupils have been indulging in a weekly hockey tussle. Last week it was a tie. On Monday evening the public school kiddies punctured the high school goal five times while the boys of the upper halls of learning only shoved the puck through once. Now the cockerels have a whole week in which to crow.

Last winter Flesherton hockey boys beat Markdale three straight games. This winter Markdale has beaten our team the two games played. The last game was 5 to 2 but the Markdale club gave out in their paper last week that it was 8 to 2. It seems that the club to the north of us can neither play straight, clean hockey or tell the straight plain truth. It is to be hoped that the Flesherton boys will cut out the game with that club. Such exhibitions are not inspiring, to say the least.

The Woman's Institute will meet in the high school on Wednesday, Feb. 4, at 2.30 p. m., when Mrs. W. J. Bellamy and Mrs. W. Moore will give papers on soup making and Mrs. W. J. Lever and Mrs. E. Wickens will talk on "Our duty to our neighbors." Everybody welcome. Refreshments served at close of meeting.

At the annual meeting of the Agricultural Soceiety held last week the financial statement was not presented complete and it was held over for consideration, but it was shown that the society was considerably behind in its finances and an effort will be made to get the deficiency wiped out. The following officers were appointed for 1914. Hon. President, Geo. Mitchell; President, Chas. Stewart, re-elected; first Vice President, Alfred Harrisoe; second Vice President, Fred Brown. Secretary, W. Buskin; Treasurer, F. G. Karstedt. Board of Directors—Wm. Patton, F. G. Karstedt, L. Fisher, R. Allen, J. R. Fawcett, W. H. Bunt, D. McTavish, Fred Mathewson, W. H. Thurston, G. Proctor, S. Shunk, Geo. Cairns, A. Harrison. The date of show was set for Tuesday and Wednesday, Oct. 6 and 7.

The Agricultural Society concert in the high school on Wednesday evening last was patronized by only about 100 people. Several things conspired to make the attendance small, one of the chief being the weather. The program was a good one, comprising piano solos and duets, violin music by our always appreciated Miss Hulse, and humorous selections by Mr. Perrin of Toronto. This latter gentleman has never been heard here before. For those who like nonsense and an avalanche of good jokes, Mr. Perrin probably filled the bill. Mrs. Blackburn and Mrs. Trimble rendered a beautiful duet which was much appreciated, as was also a solo by Miss Irene Wilson. We understand the proceeds came within several dollars of meeting the requirements.

There was an innovation in the Methodist church Sunday evening when the choir was composed entirely of young men, and the address was directed especially to hockey players. The text was from 2nd Timothy, 2-3: "Thou therefore endure hardness as a good soldier of Jesus Christ." The pastor said during his discourse that he was in favor of all manly games but only of a clean game. He inferred that a visiting team here last week had indulged in some disreputable tactics, and he was proud of the Flesherton boys for the manner in which they submitted to these things rather than emulate them. The sermon was timely and appropriate, and full of the wisdom that experience brings. A quintette of male voices took the place of the usual mixed choir. A ten minute song service before the regular service has been inaugurated and will be continued.

Radley's hotel at Ceylon had an exceedingly narrow escape from destruction by fire on Saturday forenoon last. The fire started in an unused attic room which contained odds and ends. When discovered about 10 a. m. it was burning briskly, and it took a bucket brigade about an hour and a half to subdue the flames. The fire is supposed to have started spontaneously in a bundle of rags. The damage is estimated at some $400. The building was recently covered with a patent roofing, this no doubt had much to do with keeping the fire from being fanned from the outside. The whole South end of roof was on fire inside.

Mrs. Julia McLean, a pioneer settler in Cape Breton, died at Guelph at the age of 102 years.

Murder and Suicide Near Orangeville

Special to The Advance.

Orangeville, Jan. 26.—A terrible tragedy occurred about twelve miles west of this town, on the old Fergus road, about 10 o'clock this forenoon, when a young man named Edward Simpson, who had recently returned home from the West, shot and killed his father and mother and attempted to shoot his sister, who escaped. This afternoon Chief of Police Marshall, Thomas Dawson and Dr. Henry went out to arrest the murderer but on arrival at the house found that the young man had turned the weapon on himself and had been dead for some time. A jury was empanelled and after viewing the remains of the old couple found thst they had come to their death by shooting, at the hands of the son, while laboring under temporary iesanity. The tragecy has cast a pall of horror over the whole community.

Tom Whaller of Shelburne has a hen that hatched out five chickens a week ago. He set six eggs in his cotton-front hen house, and, considering that it was 32 below zero last week, he thinks this is a record.

Mary Dolan, who was sentenced to Kingston Penitentiary for life for the murdering of her infant child near Hawkestone in the spring of 1910, has been released after serving a little over three years. General breakdown is the reason for the granting of her freedom. The Dolan case created a sensation in Simcoe county following the finding of the infant's body in a suitcase floating in the Narrows at Atherley. The girl confessed, and her paramour, one McNulty, an hotelkeeper near Orillia, was involved and also sentenced as an accomplice.
