SPRUCE GUM SYRUP

AND

Other Patent Remedies of the Sisters of Providence.

THE Sisters of Providence believe it their duty to announce to the public in general, and to Druggists, Grocers and other Merchants in particular, that they have decided, in the interests of the poor, to continue the sale of their various patent medicines, notwithstanding the obstacles that have been raised against them, because they have in view only to procure for themselves some means of relieving the suffering members of Jesus Christ, and because they consider, besides, that they are perfectly in the right.

It is, therefore, with supreme regret that they see themselves hindered in the steps which it is necessary that they should take to gain their object, by persons who, not having to occupy themselves with the case of the poor and sick, and who, moreover, have only in view their own interests and those of their families, employ threats of prosecution before the Courts of Justice, and who even have recourse to these and other extreme measures so as to prevent them drawing profits from their industries by preventing them to sell their patent remedies.

As these threats tend to injure infirm persons whom Divine Providence has confided to their care, in dissuading those who have the charity to encourage them from buying these remedies, as they were accustomed to do before they were frightened by such threats, the aforesaid Sisters find themselves obliged to declare publicly that they are determined to endeavour, with all their strength, to multiply, by the sale of these remedies which they manufacture, their modest resources for the relief of the unfortunate.

Full of confidence in the justice of their cause and entirely convinced that they infringe on the right of no one soever, they venture to assure all benevolent persons, who are accustomed to encourage them by purchasing the said remedies, that no one can disturb them. They prefer to declare to them that they hold themselves responsible for the damages which would be thus caused, if any should be incurred in this respect.

From Dr Duncan McCallum, Montreal:

I, the undersigned, have been suffering very much for the last two years from Rheumatism in the ankle joint, so much so that I was often prevented from attending to my calling, but three applications of Dr Birnbaum's Rheumatism and Gout Remedy gave me that relief from pain and stiffness which I did not experience for the last two years, and after eight days' use of this remedy I find myself entirely cured.

I owe this statement to the public, to the profession and to the merits of the genuine article. DUNCAN McCALLUM, M.D.

PROSPECTUS.

The 'National Insurance Company,' of Montreal, was incorporated under an Act passed at the last Session of the Dominion Parliament, for the purpose of carrying on the business of Fire Insurance. The promoters believe there is ample room for more Canadian Insurance Companies, and that their organization will not only supply a want of additional facilities for doing business, but will serve a patriotic purpose of building up *Home Institutions*, keeping in the county the capital so much needed for its development.

The Capital Stock of the National is $2,000 000 (with power to increase to $5,000,000) in 20,000 shares of $100 each. Ten per cent is payable on subscription, which will give the Company, on the present Capital, the sum of $200,000, which is all that is required to place the Company on a sound financial basis. The remainder of the capital is subject to the calls of the Directors, although it is not anticipated that any further calls will be necessary.

Important to the Users of Steam.

REASONS

WHY TANDY'S PATENT BOILER IS SUPERIOR TO ALL OTHERS:

1st.—It is simple in construction, easy to keep clean and less liable to get out of order than any other Boiler.

2nd.—It is constructed on sound scientific principles, the water circulating as near as practicable at right angles with the action of the heat.

3rd.—The water circulates inside the tubes which gives double the strength and one third more effective heating surface with the same number and description of tubes when fixed in an ordinary Boiler.

4th.—It is one third lighter than other Boilers with the same amount of evaporative power and cheaper in a corresponding degree.

5th.—It cannot prime, it gives perfectly dry steam and effects a saving in fuel of at least 20 per cent on any ordinary Boiler.

6th.—It requires no brick work to set it and is applicable to every variety of purpose, both for steam engines and heating buildings by water or steam.

☞ N.B.—I will replace any other boiler now in use with my Patent Boiler and take the saving in fuel in part payment. It can be seen in operation at my Works.

SATURDAY EV'NG, MARCH 18, 1876.

SAINT PARICK'S NIGHT.

Arrah boys and girls, attention!
Just list to what I say—
I'll sing about St. Patrick dear
Who drove the snakes away;
The toads and frogs they left the bogs—
He made them jump with fright—
And that's why every Irishman
Finds joy on St. Patrick's night.

There's been a great mistake, my boys,
E'er since the world began,
About St. Patrick's birthday, and
I'll put ye's right if I can;
Some said 'twas on the eight of March,
While the ninth could plain be seen—
So they put the two together, sure,
And that made seventeen.

A word about the shamrock green
I'll say before I go—
'Twas dear St. Patrick planted it,
And that's what made it grow;
Across the sea in Erin's Isle
May the shamrock ever shine bright,
For my father always sends me some
To wear on Patrick's night.

TEMPERANCE CONVENTION.—A very respectable convention was held in Napanee yesterday of the leading temperance men of Lennox and Addington. It was resolved at once to have a County Dunkin by-law submitted to the electors, as the county council is in session. A large deputation waited on them and was addressed by Major Williams, Rev. J. Kines, T. W. Casey and H. Roe. The council was asked to submit a by-law to the electors without the formality of the usual requisition and a resolution was unanimously adopted by the council agreeing to do so.

To break up Colds, Fevers, Inflammatory and Bilious attacks, take a full cathartic dose of Dr. Pierce's Pleasant Purgative Pellets when the attack first comes on, and follow with two or three Pellets each day until a perfect cure is effected. They cure these cases by rabusing all the secretions, relieving obstructions, thus reducing action of the heart, relieving the congested blood-vessels, softening the pulse, producing gentle perspiration, and subduing the heat and fever. Unlike other cathartices, they do not, after operation, have a secondary tendency to render the bowels more costive. This is an important improvement, as all who have ever taken many pills or other cathartics, for the purpose of overcoming constipation, know to their sorrow that the secondary effect of all such medicines has been 'to render a bad matter worse.' These Pellets produce such *a secondary tonic effect upon the bowels* as to bring about a permanent, healthy action. Hence their great value, taken in small daily doses for a length of time in *habitual constipation and in Piles*, attended and produce and they generally are, by torpor of the costiveness. Sold by druggists.

Hemorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

A CARD.—To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. Joseph T. Inman, *Station D., Bible House, New York City.*

☞ A common cough or cold should never be trifled with, often when neglected it is converted into a serious and generally fatal pulmonary disease. The more prudent aware of this promptly use Bryan's Pulmonic Wafers, a curative which has sustained its reputation for over twenty years—they are always efficacious and exert a most beneficial influence on all the bronchial and pulmonary organs. Sold by all druggists and country dealers. Price 25c per box.

1874 vs 1542.—Pennyroyall doth purge melancholy and doth comfort the stomacke and the spyrites of man: Isope cleanseth vicus fleume, and is good for the breste and for the lunges: Rosmary is good for palses and for the falynge sykenes, and for the cowghe, and good against colde: Roses be a cordyall, and doth comforte the herte and the brayne.'—*Boorde's Dyetary of Health for 1542.* Fellows Hypophosphites, by giving tone to the nerves, removes melancholy and restores the spirits, promotes expectoration by strengthening the muscles of the chest, and is consequently the remedy for congestion and inflammation of the lungs, cough and cold. From its great nerve strengthening properties it is found to prevent a return of epileptic fits, it gives power of endurance to the brain, and strengthens the action of the heart.

Physicing Horses.—Many persons physe their horses frequently—especially every spring. This is a great error and one which has caused the loss of many valuable horses, as physic as it is usually given, often produces inflammation of the bowels which generally proves fatal; it also weakens the horse and thus renders him more liable to disease, or less able to throw it off—what is required is a medicine which will operate gently upon the bowels and act upon the liver and lungs removing all obstructions therefrom, purifying the blood and enabling all the organs to do their work without overtasking any, which is accomplished by the use of "Darley's Condition Powders and Arabian Heave Remedy," it is safe and certain. Remember the name and see that the signature of Hurd & Co.'s on each package. Northrop & Lyman, Toronto, Ont., proprietors. Sold by all medicine dealers.

READ THIS TWICE.—Five to thirty drops of Thomas' Eclectric Oil, will cure common Sore Throat. It never fails in Croup. It will cure a Cold or Cough in twenty-four to forty-eight hours. One bottle has cured Bronchitis of eight years standing; recent cases are cured in three to six days. It has restored the voice where the person had not spoken above a whisper in five years. As an outward application in all cases of pain or lameness, nothing like it has ever been known. One bottle will cure any case of Lame Back or Crick in the Back. For diseases of the Spine and contraction of the muscles it is unequaled. In Rheumatic or any other pain the first application does you good. It stops Ear Ache and the pain of a Burn in three minutes, and is altogether the best and cheapest medicine ever offered to the people—the cheapest, because it takes so little to do you good. It is composed of six of the best oils known, and nothing but oils. Is worth its weight in gold. Why not buy it to-day?—A B Doltcheza, assistant postmaster, Arthabaskaville, P Q, writes:—"Thirteen years ago I was seized by a severe attack of rheumatism in the head, from which I have nearly constantly suffered. After having used Thomas Eclectric Oil for nine days, bathing the sore head, I have been completely cured, and have only used half a bottle. This I can certify under oath if you wish."—Rev J Mallory, of Wyoming, N Y, writes "Dr Thomas Eclectric Oil cured me of Bronchitis in one week. Dealers all over the country say, "We have never sold a medicine that has given such complete satisfaction as this."

☞ Sold by all medicine dealers. Price 50 cents.

Prepared by S N Thomas, Phelps, N.Y., and Northrop & Lyman, Toronto, Ont., sole Agent for the Dominion. Note.—Eclectric—Selected and Electrized. Sold in Kingston by E. H. Parker, J G King, Heath and Gunn, G Kitchart Jas. McCannon, and all medicine dealers
