THE OPPOSITION POLICY.

The commercial policy of the Opposition is represented in the following resolution moved by Sir John Macdonald in the House of Commons:

"That this House is of opinion that the welfare of Canada requires the adoption of a National Policy, which by a judicious readjustment of the Tariff will benefit and foster the Agricultural, the Mining, the Manufacturing and other interests of the Dominion; that such a Policy will retain in Canada thousands of our fellow countrymen, now obliged to expatriate themselves in search of the employment denied them at home; will restore prosperity to our struggling industries, now so sadly depressed; will prevent Canada from being made a sacrifice market; will encourage and develop an active interprovincial trade; and moving (as it ought to do) in the direction of a reciprocity of Tariffs with our neighbours, so far as the varied interests of Canada may demand, will greatly tend to procure for this Country, eventually, a reciprocity of Trade."

This is the policy which it is the interest of all who desire to see the country prosper to support. Mackenzie & Co. are opposed to it—have declared their hostility to encouraging Canadian manufactures and have sneered at the men who are giving a living to thousands of mechanics throughout the country. To this policy the "Reform" candidate in Kingston is opposed; therefore all who are desirous of encouraging the spread of manufactures in our midst should vote for the leader of the Opposition—Sir John Macdonald.

Dr. Fowler's Extract of Wild Strawberry.

This preparation stands peerless as a remedy for all summer complaints. Have you diarrhœa? It will positively cure you. Have you cholera morbus? It will positively cure you. Have you colic or cramps in the stomach? It will positively cure you. Is your stomach sour? It will positively cure you? Are you going on a sea voyage? Be sure and take a bottle of the Strawberry in your haversack, for use in sea-sickness, vomiting and other irritations of the stomach and bowels; it will positively cure you. Every one speaks highly of it. "I have no hesitancy in recommending *Dr. Fowler's Extract of Wild Strawberry*."—G. W. Earl, St. Catharines. "I would advise any one suffering from summer complaints to give *Dr. Fowler's Extract of Wild Strawberry* a fair trial."—Carman M. Gould, M.D., Castleton. "*Dr. Fowler's Extract of Wild Strawberry* gives perfect satisfaction."—Thomas Douglas, Cambray. "Can recommend *Dr. Fowler's Extract of Wild Strawberry* with confidence." Judge S. S. Peck, Minden. "My customers bear high testimony to the virtues of *Dr. Fowler's Extract of Wild Strawberry*."—T. Stevenson, Orangeville. Milburn, Bentley & Pearson, Toronto.

A Stubborn Fact.

Dr. Fowler's Extract of Wild Strawberry is, without a doubt, the safest and most reliable remedy in existence, for diarrhœa, dysentery, cholera morbus, sour stomach, sea-sickness and all summer complaints. It acts like a charm. Its effects are marvellous—relief instantaneous, cure speedy. Physicians and all who use it recommend it. It should be kept in every home at this season, for use in cases of emergency. For sale by all dealers. Milburn, Bentley & Pearson, Proprietors, Toronto.

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. Joseph T. Inman, *Station D, Bible House, New York City.*

In the Hard Dry Cough of Chronic Bronchitis, with its difficult expectoration and laboured breathing, the demulcent properties of Robinson's *Phosphorized Emulsion of Cod Liver Oil, with Lacto Phosphate of Lime*, manifests itself in its healing and soothing effect upon the irritated mucous membranes of the bronchial passages; the cough quickly yields, the breathing is eased, while nature, thus aided, reasserts herself, and where once gaunt Consumption stared the victim in the face, no hopes beckon on to live and health. Prepared by J. H. Robinson Chemist, St. John, N.B., and for sale by druggists generally. Price $1.00 per bottle; six bottles for $5.00.

This is to certify that my wife, having been troubled for a length of time with asthma and general nervous debility, and having been treated by medical men and used many preparations, finally tried a bottle of Victoria Hypophosphites, and realized the most immediate and permanent benefit she ever got from any previous medicine. She felt like a new person.—Yours truly,
R. G. Scimore
