VICINITY CHIPS

Miss Ettie Thompson returned home Saturday after visiting Toronto friends.

Dr. Middlebro of Owen Sound visited with his cousin, J. J. Thompson.

Mrs. A. E. Webster of Toronto visited with her parents, Mr. and Mrs. M. K. Richardson, over the week end.

A robin serenaded The Advance for the first time this year on Saturday last. We are glad to welcome the arrival of these singing grub-killers once more.

The News has published a splendid picture of the Borden cabinet suitable for framing, which it presents free to each yearly subscriber. Subscriptions taken at this office.

Miss Jennie Hale of Feversham, school teacher at Maple Valley, died of pneumonia and heart failure on Friday last. The funeral took place at Feversham on Monday afternoon. Miss Hale was a niece of Mr. R. J. Sproule of this place.

The W. I. are having Miss Collins of Toronto, demonstrator in sewing here on Friday, April 3rd, at 2.30 o'clock, p. m., to arrange for a sewing class. She will meet the ladies in the high school, and all who are interested are invited to attend.

Mr. Albert Blackburn of Rock Mills is the happy owner of a ewe that is a money maker for him. In the past four seasons Nanny has presented her owner with eleven lambs, and has raised every one of them. She is of a Leicester persuasion.

At the assizes last week Alex. Stewart of Garryowen sued Oliver Gibbons of Meaford for $5000 for assault and bodily injury. Oliver struck Stewart with a walking stick and knocked him senseless. He has since been subject to epileptic fits. The jury awarded Stewart $1000.

Messrs. D. McTavish, Reeve, and W. A. Armstrong left yesterday on the big delegation to Ottawa to ask the government for a subsidy to electric ry. Their appointment was made at a special meeting of the village council held Tuesday evening of last week. The Council donated five dollars towards expenses to the Great Waterways Union.

The monthly meeting of the W. I. will be held in the high school on Wednesday, April 1st, at 2.30 o'clock p. m. Papers will be given on, "How to treat our teachers," by Mrs. Thurston, and "How to make our Institute useful, interesting and entertaining," by Mrs. W. Boyd. Everybody is invited to attend this meeting.

Mr. Jacob Lever came forward on Saturday with what we believe to be the first maple syrup of the season. Mr Lever remembers each year that The Advance has a sweet tooth and the jar sent in on Saturday was a prime article derived from the lordly maple during the warm spell of a week ago. Mr. Lever has our warmest thanks.

The entertainment given by the ladies of the Methodist church last week was a pronounced success from all points of view. Supper was served from 6 to 8, after which a choice and high class program was given consisting of quartets, solos. violin solos by Miss Hulse, reading, duet, and one or two short addresses, everything having an emerald tinge. Those who were present pronounced this one of the best entertainments ever given here by strictly local talent. The proceeds were quite satisfactory—some $35, we believe.

On Thursday afternoon the Methodist Sunday School turned out nearly one hundred strong, and were treated to a sleighride. The Presbyterian Sunday School also took their annual sleighride the same day. Although the day was cold, the youngsters enjoyed themselves heartily. After the drive the children were treated to luncheon at the churches.

Miss Teressa Moore of Hawkestone is visiting her cousin, Mr. Robert Moore.

Mr. Lye of Toronto was up one day last week tuning the pipe organ in the Methodist church. It is more toney now.

Mr. Chas. Stewart took his Sunday school class out to Mr. A. Gilchrist's on Friday evening last for a frolic and they enjoyed themselves thoroughly.

On Wednesday evening of last week about thirty-five friends of Miss Allie Wilcock met at the home of Mrs. R. H. Moore and held a miscellaneous shower for the bride to be. Miss Wilcock received many useful and expensive gifts and showers of good wishes. A very jolly evening was spent by the young ladies present.

The Surveyors Are Back On the Job Again

The electric railway surveyors who left the survey of the line from here to Owen Sound to take up some work in south-western Ontario, returned to town on Monday and took up their quarters at the Munshaw house. They will spend three or four days here making another survey from Saugeen Junction to this village, after which they will take up the survey where it was left off at Markdale, and proceed to Owen Sound.

After the survey to Owen Sound is completed they will be back here again to take up the Collingwood survey, and expect to be in this vicinity for several weeks.

The Public Library

The Board met on Saturday evening, March 7, and for the convenience of rural subscribers agreed to open the library in the afternoons of Wednesday and Saturday from 3 to 5 p.m.

A travelling library will be installed shortly. This will consist of fifty or sixty books, some of which will be recent works on domestic science, fiction, non-fiction and books for boys and girls.

Subscriptions come in slowly, but it is hoped all public spirited citizens will help to develop a taste for reading among our people. All will agree that success for our town lies, not so much in taking what we can out of it, but putting something into it. Our schools and churches are creditable indeed, but even these become enigmatical if we should prove a non-reading public. So much did the Board feel the necessity of a forward movement in increasing the library reading constituency and making provision for it that canvassers for membership have been appointed to cover the whole territory. Appeals will possibly be made to the township council, Women's Institute, Agricultural Society, and even our schoolboards and churches for financial aid, and in this important effort the Board solicits criticisms of the moral worth of books passing into the hands of its readers. We are anxious for a clean, wholesome library. Hand in your name before the new books come. Get your neighbor's subscription also and our treasurer will be good enough to throw ten per cent. off your own.

Died

Gordon—Suddenly, of pneumonia, at her late home, 73 Grange avenue, Toronto, on Wednesday morning, March 18, Mary Jane Kerr, beloved wife of Alexander Gordon, in her 63rd year. She leaves a husband and devoted daughter to mourn their sad loss. Interment took place in Prospect cemetery. She was a sister of the late Mrs. Bowerman, who predeceased her only a few hours. They are resting side by side to await the resurrection morn. Two sisters are the only survivors of the family—Mrs. James Purvis, who is so well and favorably known at Eugenia, and Mrs. Colperson. The many friends at Eugenia extend their sympathies.

CAME ASTRAY

Came to the premises of the undersigned, lot 3, con. 10, Osprey, off and on for some months, one two-year-old heifer. The owner is requested to prove property, pay expenses and take it away.

—Wm. Smith, Eugenia p.o. R.R. No. 1

A. F. & A. M. At Home To Their Many Friends

Prince Arthur Lodge, A. F. and A.M., were at home to their friends on Friday evening of last week in the assembly hall of the high school. The hall was tastefully decorated and homelike. After spending some time in games and other amusements a very interesting program was given and thoroughly enjoyed by all present. The following assisted in the program: Mrs. Blackburn, Miss Trimble, Miss Irene Wilson, Master R. N. Cornfield and Herb. Sullivan of Flesherton, and Mrs. Armstrong, Miss Brown, Miss Plewes, Miss Clarke and Bro. Geo. Thompson of Markdale, while P.M. Bor. M. K. Richardson occupied the chair in his usual pleasing manner. It is needless to say that every number was greatly appreciated by all. After this part of the evening's entertainment had been completed the guests repaired to the dining hall where elaborate preparations had been made. The tables appeared very inviting and a dainty repast was served. After satisfying the cravings of the inner man, games, etc., were resumed for some time, and the singing of Auld Lang Syne brought the entertainment to a close. Quite a number of Brother Masons and their ladies from Markdale were present. The lodge here is to be congratulated on the success of the At Home.

B—H. Williams, S. Morgan, C. Williams.

Average attendance 23.

M. G. McMullen, Teacher.

One of the most interesting facts in connection with the recent eruption of Sakurajima, in Japan, is that earthquake shocks were strongly registered in Europe at the time of the shocks which attended the eruption, and caused so much damage in the neighboring city of Kagoshima. According to C. Davison, who discusses the subject in Nature, this is the first time that a volcanic earthquake has been recorded across an entire continent since the horizontal pendulum was adapted for seismographic purposes. Volcanic earthquakes as a rule are decidedly local, indicating that the seat of the disturbance is at a very moderate depth in the earth.

Odds and Ends
