Artemesia Council

Artemesia Council met on Saturday last with all the members present, the Reeve in the chair. Minutes of last session and of special session of April 11 were read and confirmed. Communications as follows were read: Thos. H. Binnie, asking a grant of $5 to Grey Co. Board of Agriculture towards prizes for Grey county stock at the Guelph fat stock winter fair; the Corbet Foundry Co. re bridge steel, etc.; Messrs. Lockhart, Acheson & Nicholls personally waited upon the Council in regard to Mr. T. J. Stinson's application to change the boundaries of school sections three and four; the chief engineer Hydro Electric Commission re radials, etc.

Graham—Brown—That pathmasters be requested to send the clerk a list of lots and an estimated number of rods which, in the opinion of a majority of the ratepayers in their road division where rail fences now are on the north and west sides of highways, it would be an advantage for winter roads to bonus the owners to replace them by wire, and how much the owners will accept and make the change during the present year—Carried.

Aldcorn—Brown—That the Reeve and Commissioner Aldcorn are hereby authorized to secure plans and specifications and proceed to build bridge over the Saugeen river in the village of Priceville—Carried.

Cameron—Aldcorn—That the application of Mr. T. J. Stinson to have his lands removed from school section No. 4 and placed in school section No. 3, be not entertained by this Council—Carr'd.

Brown—Aldcorn—That this Council meet as a Court of Revision on the assessment roll of 1914 at 10 o'clock a.m. on Monday, the first day of June, and the clerk give the required notice thereof—Carried.

Council adjourned.

Portlaw

Mrs. John W. McKee underwent an operation for appendecitis at her home. Dr. McFaul of Collingwood, assisted by Drs. Roszell and Martin, performed the operation. A trained nurse is in attendance, and we are glad to report that the patient is progressing as well as can be expected toward recovery.

Mrs. Abram Blakey has been very ill the past two weeks, and so far there is apparently very little, if any, improvement.

Mr. Wallace, a student of Wycliffe college, preached in Mount Zion church a week ago Sunday in the interests of the Dominion Alliance, and delivered a much appreciated discourse on the work of the society and temperance.

Mr. and Mrs. C. Hindle are moving to Mrs. W. Badgerows farm on the fourth line.

Stone's Line

A gloom was cast over this neighborhood last week by two deaths on this line. Much sympathy is felt for the bereaved ones.

Mrs. Sewell from the West attended her brother's funeral, and Mrs. Plumb McElvine and two children of Owen Sound attended her uncle's funeral.

Mr. Henry Stone lost a valuable mare last week, and about six weeks ago he lost five sheep and thirteen lambs. They were too fat.

Mrs. John Chard of Markdale visited her sister, Mrs. H. Stone, on Friday.

Well, we suppose the farmer's wives will have to stay at home now, as there are getting to be so many autos that it is not safe for a woman to drive herself these days. Guess the autos will have to bring the stores to our doors now and buy our butter and eggs.

It is stated that the Walkerton Binder Twine factory which has been closed for some years will be reopened and in operation in July.

McIntyre

Held Over Last Week

Once more we hear the merry whistle of the plowboy as he plys his vocation. There is very little seeding done here yet but a goodly number are preparing the seed bed.

Mrs. Robert Stevenson is recovering slowly after undergoing an operation last week.

The sympathy of the community is extended to the parents of the late Thomas Campbell, who died at the residence of his uncle, Mr. H. McLean, on Tuesday of last week. His body was interred in McIntyre cemetery on Thursday. A large number of friends and relatives gathered to pay their last respects. He was in his 21st year and was respected by all who knew him. Rev. Mr. Swalen of Dundalk preached a very appropriate sermon from Rev. 22-17, "The spirit and the bride say come, and let him that heareth say come, and let him that is athirst come, and whosoever will, let him take of the water of life freely."

Dr. Martin had a hasty call to Mrs. Stewart's last Thursday to relieve her from the effects of a very fiery diet.

Miss Florence Stevenson is, we are glad to report, able to be up again.

Miss Duncan spent the week end with Miss Fadden.

A mare belonging to Fred. Steele foaled a colt last week with only thee feet. The colt is perfect in every other respect and jumps around as lively as a cricket.—Creemore Star.
