JAMES REDDEN calls the attention of the public to the honest look of this Chinaman's countenance, and at the same time reminds it that the reason of the great success which has hitherto attended his business is, first—The genuine quality of his celebrated Teas which he imports direct from the flowery vales of China, through the agency of the above Hung-Chang-Chi Chow; Second—The extraordinary low price not only of his TEAS, but also of every article which comprises his vast Stock of Groceries, including everything from Bird's nest Soup to nightingales tongues.

BEWARE of NEW YORK COUNTERFEITS.

sold under the name of "Holloway & Co., by J. F. Henry, Curran & Co., Druggists, and also by the Metropolitan Medicine Company of New York, with an assumed trade mark, thus —Again one Joseph Haydock of New York, likewise passes off counterfeits of his own make under the name of Holloway & Co., having for a trade mark a Crescent and Serpent, McKessen & Robbins of New York are agents for the same.
These persons, the better to deceive you, unblushingly Caution the Public in the small books of directions affixed to their Medicines, which are really the spurious imitations, to Beware of Counterfeits.
Unscrupulous Dealers obtain them at very low prices and sell them to the public in Canada as my genuine Pills and Ointment.
I most earnestly and respectfully appeal to the Clergy, to Mothers of Families and other ladies, and to the public generally of British North America, that they may be pleased to denounce unsparingly these frauds.
Purchasers should look to the Label on the Pots and Boxes. If the address is not 533, Oxford Street, London, they are the Counterfeits.
Each Pot and Box of the Genuine Medicines bears the *British Government Stamp*, with the words "HOLLOWAY'S PILLS AND OINTMENT," thereon. On the label is the address, 533, Oxford street, London, where alone they are Manufactured.
☞ Parties who may be defrauded by Venders selling spurious "Holloway's Pills and Ointment" as of my genuine make, shall on communicating the particulars to me, be amply rewarded, and their names never divulged. Signed

NEW STAZAS BY LONGFELLOW.

NATURE.

As a fond mother, when the day is o'er,
Leads by the hand her little child to bed,
Half willing, half reluctant to be led,
And leaves his broken playthings on the floor
Still gazing at them through the open door,
Nor wholly reassured and comforted
By promises of others in their stead,
Which, though more splendid, may not please him more;
So Nature deals with us, and takes away
Our playthings one by one, and by the hand
Leads us to rest so gently, that we go,
Scarce knowing if we wish to go or stay.
Being too full of sleep to understand
How far the unknown transcends the what we know.

THE DESCENT OF THE MUSES.

Nine sisters, beautiful in form and face,
Came from their convent on the shining heights
Of Pierus, the mountains of delights,
To dwell among the people at its base
Then seemed the world to change. All time and space,
Splendour of cloudless days and starry nights
And men and manner, and all sounds and sights,
Had a new meaning, a diviner grace.
Proud were these sisters, but were not too proud
To teach in schools of little country towns,
Science and song, and all the arts that please
So that while housewives spun and farmers plunged
Their comely daughters, clad in homespun gowns
Learned the sweet songs of the Pierides.

PATTI ON THE ELOPEMENT STORY.

The following is the text of the letter Adelina Patti to the editor of the Paris *Figaro*:—

"Paris, Feb. 26, 1877.

"SIR,—I began on the 15th of the present month suit for a judicial separation against the Marquis of Caux. The matter being before the Courts, I shall make no further observations upon a subject on which the legal authorities will have to pronounce. I was shown this morning certain articles published in your paper on the 21st and 22nd of this month and I take the earliest opportunity in my power to protest against a story which is absolutely incorrect. I arrived at St. Petersburg on the 1st of December last. My husband and myself took our residence in a suit of apartments in the Hotel de Mouth, which I then occupied for the ninth time. I remained their until the 22nd of this month, passing my life in the sight of all, enjoying the consideration that has always been given me, surrounded even to the last hour of my stay by numberous and honourable friends and escorted by them to the very carriage which brought me straight to Paris, accompanied by my maid, my theatrical agent, and two servants. I arrived in Paris yesterday for the purpose of attending to my suit, and in order that I might appear to-morrow before the President of the tribunal.

"I request you to publish this in your earliest number.

"ADELINA PATTI."

A DISTURBANCE IN CHURCH.—How annoying it is, when in church, listening to some great effort, of some popular preacher, to be constantly disturbed by the steady, persistent cough, of some neighbour, and yet nothing is easier than to stop a cough, a couple of WINGATE'S PULMONIC TROCHES, will check it at once.

A CARD.

To all who are suffering from the errors and discretions of youth, nervous weakness, early decay, loss of manhood, etc., I will send a receipt that will cure you, free of charge. This great remedy was discovered by a missionary in South America. Send a self addressed envelope to the Rev. Joseph T. Inman, Station D, Bible House, New York City.

MANHOOD RESTORED.

Victims of youthful imprudence, who have tried in vain every known remedy, will learn of a simple prescription, FREE, for the speedy cure of nervous debility, premature decay, lost manhood, and all disorders brought on by excesses. Any druggist has the ingredients. Address
DAVIDSON & CO., 86 Nassau St., N.Y.

TO THE WORKING CLASS.—We are now prepared to furnish all classes with constant employment at home, the whole of the time, or for their spare moments. Business new, light and profitable. Persons of either sex easily earn from 50 cents to $5 per evening, and a proportional sum by devoting their whole time to the business. Boys and girls earn nearly as much as men. That all who see this notice may send their address, and test the business we make this unparalled offer: To such as are not well satisfied we will send one dollar to pay for the trouble of writing. Full particulars, samples worth several dollars to commence work on, and a copy of Home and Fireside, one of the argest and best Illustrated Publications, all sent free by mail. Reader, if you want permanent, profitable work, address, GEORGE STINSON & CO., Portland, Maine.

CATARRH

Cannot be cured by Snuffs, Washes, or Lotions applications. Thousands have been cured some of 40 years standing, by using the CONSTITUTIONAL CATARRH REMEDY. Certificates and treatise on Catarrh mailed to any address on application to T. J. B. HARDING, Brockville, Ont. Sold by all Druggists. Price—$1.00 per bottle.

Two Questions Easily Answered.—Why should men wear beards? Because they are a great protection to the throat and lungs, and add much to their personal appearance. Why should we use Bryan's Pulmonic Wafers? Because when used for coughs, colds, tickling in the throat, hoarseness, &c.; they act like a charm. Ministers and lawyers use them, and singers and public speakers say they are the very best medicine in existence for the cure of such complaints. Sold by all druggists and country dealers. Price 25c per box.

Not Quite So.—It is among the most savage and debased tribes only that the condition and comfort of the horse have been neglected, but we believe there are many in civilized countries who are guilty of the same neglect, and without the excuse of the former; here all may avail themselves of the use of an article which has done more than anything else heretofore known to improve the condition and relieve the suffering of the horse. Those who will not use it will be the losers, their horses the sufferers; to avoid both use "Darley's Condition Powders and Arabian Heave Remedy," and you will be satisfied with the result. WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q. writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas Eclectric Oil, and since then have had no attack of it. I would recommend it to all." —J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried on my horses in cases of cuts, wounds, etc., and think it as equally as good for horse as for man."—A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and are pronounced by the public, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Ruman, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much, Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine.
