A DREAM.

Beneath the shade of willow trees,
Close by a rippling stream,
Reposing on a grassy bank
I fell asleep and dreamt.
I dream of Western sunny isles,
Bespangled o'er with flowers,—
Of Eastern maids and fairy queens—
Of solitary bowers.

I dream of Isabella fair,
My love, my own sweet heart;
Of ling'ring in a balmy grove
To gain her hand and heart.
We pause beneath a spreading oak—
Her hand I take in mine:
You are the only one I love,
She answers, I am thine.

I clasped her to my breast at once,
When lo! she disappears,
But leaves a deathly skeleton,
Which laughed at my fears.
My blood runs cold, my heart stands still,
My love begins to sink—
I awake: Heavens! wh re am I?
I'm lying in the—drink.

"THERE'S MILLIONS IN IT."—The Montreal *Star* says: "The speculators in wheat, corn and pork in this city are greatly excited to-day over the advance in these articles, consequent upon the outbreak of war. Already fortunes have been realized by a number of our active, wide awake business men. We know of several who have made within a week from $30,000 to $150,000. Wheat on the 17th inst. in one week advanced to $1.71, and to-day sold up to $1 80, but closing at $1 71. The same article on the 24th March was at $1.31, whilst on the 24th April—one month—it advanced forty cents. Pork has made a corresponding rise, advancing $2 25 per bbl. in 30 days. Corn has also appreciated greatly, rising yesterday from 39½c. to 54c., and to-day advanced to 60c., but closed at the morning board in Chicago at 59½c. There have not been so many smiling faces 'on the street' for a long time as were seen to-day. The Montreal boys have had the 'inside track.' Let us hope they will keep it."

From Chas. H. Colgate, Esq.,

Of the firm of Colgate & Co.; Manufacturers of Flavoring Extracts, 21 Blackstone St., Boston.

Somerville, Mass., Dec. 6, 1876.

Messrs. Seth W. Fowle & Sons:

Gentlemen — Last Spring my little daughter, aged five, become very much emaciated with loss of appetite, and great prostration of strength, so much so that we were obliged to take her out of school. This continued through the Summer and caused us much anxiety. After trying various remedies without deriving any benefit, our family physician recommended the use of PERUVIAN SYRUP. After using it one week we saw a marked improvement in the child's condition, and in a month she was rapidly gaining in health and strength, her appetite being excellent. At this date she is perfectly well, with round, plump cheeks, and healthy color, and is again attending school regularly. I consider her restoration to health entirely due to the PERUVIAN SYRUP, and feel that I cannot too highly recommend it as a tonic.

Very gracefully yours,

CHAS H. COLGATE.

SMOKING is looked upon by many as a great evil, which it undoubtedly is, when carried to excess, and it is well known that nearly all smokers, smoke too much. This is certain sooner or later to cause much suffering, and the best way to counteract the bad effects of tobacco, in the system, is to keep the blood pure and healthy by using SMITH'S GREEN MOUNTAIN RENOVATOR.

MANHOOD RESTORED.

Victims of youthful imprudence, who have tried in vain every known remedy, will learn of a simple prescription, FREE, for the speedy cure of nervous debility, premature decay, lost manhood, and all disorders brought on by excesses. Any druggist has the ingredients. Address DAVIDSON & CO., 86 Nassau St., N. Y.

MORE VALUABLE THAN GOLD.

Why do you suffer from the loathsome disease, Catarrh, when a sure and safe remedy can be had by using the GREAT CONSTITUTIONAL CATARRH REMEDY. It has cured thousands of this disgusting complaint, and it will cure you. Send stamp for treatise to T. J. B. HARDING, Brockville. For sale by all Druggists and medicine dealers.

Consumption, so prevalent and so fatal, is dreaded as the great scourge of our race, and yet in the formative stages, all pulmonary complaints may be readily controlled by using Bryan's Pulmonic Wafers. They will relieve the worst cough in a few minutes and have a most beneficial influence on the bronchial and pulmonary organs—but they must be used in time. Public speakers and singers will also derive great benefit by using them. Sold by all druggists and country dealers. Price 25c per box.

Owners of Horses Rejoicing.—And why not? And why not? And who knows but what their horses are rejoicing as well; who can prove the contrary? But their owners rejoice because of the astonishing and almost miraculous effects of their horses of "Darley's Condition Powders and Arabian Heave Remedy." Some were lean and poor having no appetite, others would devour their food ravenously, yet derive no benefit from it; some were hide bound with rough and shaggy hair; others had severe colds and coughs; many had the heaves and other complaints peculiar to horses, on all it operated like a charm, the disease or complaint was speedily removed, the appetite and digestive organs corrected, the skin softened and a sleek and shining appearance given to the coat all without any danger to, or preventing the horse being used. Remember the name and see that the signature of Hurd & Co. is on each package. Sold by all medicine dealers.

ELECTRICITY! THOMAS' ECLECTRIC OIL!—WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents worth has cured crick in the back, and the same quantity lame back of eight years standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical: J. Collard, of Sparta, Ont., writes, "Send me six dozen Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now; its cures are truly wonderful. Wm. McGuire, of Franklin, writes, 'I have sold all the agent left, it acts like a charm—it was slow at first, but takes splendidly now.' H. Cole, of Iona, writes, "Please forward 6 dozen Thomas' Eclectric Oil, I am nearly out, nothing equals it. It is highly recommended by those who have used it." J. Bedford, Thamesville, writes, "Send at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodford, writes, "Send me some more Eclectric Oil. I have sold entirely out. Nothing takes like it." Miller & Reid, Ulverton, P.Q., writes, "The Eclectric Oil is getting a great reputation here and is daily called for, send us a further supply without delay."
