The display in the ladies' department was very fine—better than on previous years. There was also a fine display of butter, bread and buns in the other hall. The exhibit was very satisfactory. It's Just A Blessing.

Such is the expression from all druggists and dealers everywhere who are selling DR. KING'S NEW DISCOVERY for consumption. No like preparation can begin to have such an extensive and rapid sale. And why? Simply because of its wonderful merits No cough or cold, no matter of how long standing or how stubborn, can resist it healing qualities. Asthma, bronchitis, hoarseness, hay fever, pain in the side or chest and difficulty of breathing or any lingering disease of the throat and lungs rapidly yield to its marvelous powers. It will "positively cure" and that where everything else has failed. Satisfy yourself as thousands have already done by getting of your druggists a trial bottle for ten cents, or a regular size bottle for $1. For sale by all druggists.

GOOD ADVICE.—We advise every family to keep **Downs' Elixir** always on hand. It is the best remedy for coughs and colds ever offered to the public.

For cleansing the system of all morbid matter and warding off diseases, no medicine possesses such efficacy as BATTER'S MANDRAKE BITTERS.

As a Liniment for horses HENDY & JOHNSON'S ARNICA AND OIL LINIMENT is unequalled. It cures sprains, bruises, and lameness, at once.

HOW TO GET RICH.—The great secret of obtaining riches, is first to practice economy, and as good old "Deacon Snyder" says, "It used to worry the life out of me to pay enormous doctor's bills, but now I have "struck it rich." Health and happiness reign supreme in our little household, and all simply because we use no other medicine but Electric Bitters and it only costs fifty cents a bottle." Sold by all druggists.

A NAME TO REMEMBER.—Nerveline, the great pain remedy. Nerveline, promptly relieves cramps. Nerveline, the remedy for Canadian cholera. Nerveline is death to all pain whether internal, external or local. Nerveline should be kept on hand in every family, for Nerveline is a prompt remedy for all pains. Sold by Polson & Co.

POLITICAL OUTRAGE.

Negroes Fighting With Razors—Police Decided by a Mob.

During the democratic parade in Wilmington, Del., a premeditated attack was made upon it by 100 armed negroes, resulting in the serious wounding of a large number of the paraders and five or six negroes. The assault was made while the parade was passing National Hall, in which the Higgins (colored) Republican Club have their headquarters, and was entirely unprovoked.

The negroes first threw a brick through a transparency carried by the Blue Hen's Chickens, and, emboldened by the fact that no response was made to the insult, they next knocked Thomas Kane, the Lieutenant-Colonel of the Young Men's Democratic Club, off his horse with a stone, seriously injuring him. Several of Kane's friends rushed up to avenge this outrage, when they were met by bullets fired from the rooms of the Higgins Club. The Democrats then assembled in force and made an assault on the hall, driving the negroes out and up to Ninth and French streets. National Hall was gutted, the windows and doors smashed, and a number of neighboring houses, occupied by negroes, were considerably damaged. Six Democrats were severely wounded.

The negroes suffered slightly, and made a determined stand at Ninth and French streets, and, being fully provided with shotguns, pistols and razors, showed an ugly front to the Democrats, who fought almost entirely with sticks, stones and brickbats. A fierce fight ensued and the negroes were again routed, but the Democrats suffered severely, their list of wounded being swelled to fourteen. The blacks, largely reinforced, made another stand at Eleventh and Orange streets and defied the police who attempted to disperse them, declaring they would shoot dead the first man who dared to approach. After a protracted parley the negroes agreed to go home if the police would withdraw. This the latter did, but the negroes continued in the neighborhood till long after midnight, without, however, doing any damage.

In the morning another riot occurred, caused by an attempt by a special policeman to arrest three negroes who were suspected of being leaders in the disturbance. Two policemen and several others, including two women, were wounded.

HEALTH, TONE AND VIGOUR.

Sir Astley Cooper's VITAL RESTORATIVE,

FOR

Strengthening the Nerves and Purifying the Blood.

TRADE MARK: "Elixir Vitæ."

This Preparation is Pronounced by the Most Eminent Members of the Medical Profession to be Unequalled for its Power in Replenishing the Vitality of the Body.

By its supplying all the essential constituents of the blood and nerve substance and for developing all the powers and functions of the system to the highest degree.

IT IS AGREEABLE TO THE PALATE, AND INNOCENT in its action, while retaining all its extraordinary properties; and, as a specific, surpassing all the known therapeutic agents of the day for the speedy and

Permanent Cure of

Nervous prostration, Liver Complaints, Palpitation of the Heart, Dizziness, Noises in the Head and Ears, Loss of Energy and Appetite, Hypochondria, General Debility, Indigestion, Incapacity for Study or Business, Lassitude, Trembling of the hands and Limbs, Impaired Digestion, Mental and Physical Depression, Consumption in its first stages, Impaired Sight and Memory, Nervous Fancies, Impoverished Blood, Nervous Debility in all its stages, Premature Decline, Shortness of Breath, and all morbid conditions of the system arising from whatever cause.

THE ACTION OF THE VITAL RESTORATIVE IS TWO-FOLD,

on the one hand increasing the principle which constitutes nervous energy, and on the other the most powerful blood and flesh generating agent known; therefore, a marvellous medicine for renovating impaired and broken down constitutions; it quickly improves the function of assimilation to such a degree that, where for years concentrated, anxious, cadaverous and semi vital condition has existed, the flesh will rapidly increase in quantity and firmness, and the whole system return to a robust state of health.

The Vital Restorative

acts electrically upon the organization; for in essence it assists nature to generate that human electricity which renews and rejuvenates the osseous, muscular, nervous, membranous and organic systems. It operates on the system without exciting care or thought upon the individual as to the process. It moves the lungs, lives, heart, kidneys, stomach and intestines with a harmony, vigour, yet mildness, unparalled in medicine.

The Vital Restorative

gives back to the human structure, in a suitable form, the phosphoric or animating element of life which has been wasted, and exerts an important influence directly on the spinal marrow and nervous system, of a nutritive tonic and invigorating character, maintaining that buoyant energy of the brain and muscular system which renders the mind cheerful, brilliant, and energetic, entirely overcoming that dull, sluggish disposition which many persons experience in all their actions.

Finally, the Vital Restorative

maintains a certain degree of activity in the previously debilitated nervous system, its use enables all debilitated organs to return to their sound state and perform their natural functions. Persons suffering from Nervous Debility, or any of the hundred symptoms which this distressing disease assumes, may rest assured of an effectual and even speedy cure by the judicious use of this most invaluable remedy.

THIS MEDICINE IS EXTENSIVELY USED IN THE ARMY, and is also in very general use in Hospitals and Public Sanitary Institutions throughout the land, as well as in private practice, and is considered as an invaluable remedy.

Beware of Spurious Imitations.

Ask for "Sir Astley Cooper's VITAL RESTORATIVE." Do not let the Chemist persuade you to take any other. The argument of larger bottles and less price is put forward.

It is QUALITY the afflicted require, not quantity. Sold by all Chemists, at 2s 9d., 4s 6d. 11s and 22s. per bottle.

PROPRIETORS—HILTON & HARGRAVE, 9 Norfolk-street, Strand, London, England.

CAUTION.—See that the words "Sir A. Cooper's Vital Restorative" are blown on each bottle, and that our Trade Mark "Elixir Vitæ" is on the label, without which it cannot be genuine.
