The assessment of the town of Hanover has been increased from $575,000 to $7000,000, Chatsworth from $100,000 to $115,000 Neustadt from $115,000 to $150,000, Markdale from $258,000 to $275,000.

How is your fall wheat? One gentleman informs The Advance that his field appears to be totally barren. While the straw is long, the heads contain no grain. This he attributes to the recent heavy frost.—Later Since the above was in type we learn that all the fall wheat in this district is in a similar condition to the field referred to and will have to be cut for fodder. One gentleman in the south east of the township has twenty acres that will have to be cut for fodder. Although fall wheat is not raised as a general crop here now, many farmers raise a few acres, and it means a big bulk loss.

Public Library subscriptions are now only 50 cents to the end of the library year, Feb. 1, 1915. About fifty splendid books on Agriculture, Domestic Science, Fiction, etc., also books for boys and girls ; books on Art, the Apiary, books for moral and spiritual uplift, will be on the shelves this week. Five dollars' worth of these were a gift of the Women's Institute. Thank you, ladies. Let us all help in making Flesherton an educational centre. We have splendid—almost unequalled public and high schools, good churches. Lend a hand to keep the public eye on Flesherton.

There was a spectacular fire on the street Saturday evening, when D. McTavish's new Ford auto was nearly demolished through carelessness in handling gasoline. It was about 9.30 when Fred McTavish drove up in front of F. G. Karstedt's store to fill his gasoline tank. Fred Karstedt proceeded to fill the tank by the light of a lantern, when there was a flash, and in a moment the whole machine was a mass of flames. A nearby sand pile came in handy as a means to quench the flames, but this was not done until all the upper works and one tire had been burned. The damage will amount to somewhere in the vicinity of $200. It was a dearly bought lesson for the young men, but they got off easily as neither of them suffered any injury.

James Paton Killed

James Paton, who moved from this township to near Guelph last spring, was killed on Tuesday of this week by a kick from a horse. Mr. Paton was widely and favorably known throughout this county as the owner of fine stock horses. No particulars are to hand.

We regret to chronicle the death this morning of Harry Grasby, a prosperous young farmer in the township of Normanby, about a mile and a half south of town. He was 27 years of age, and had been ill of pneumonia only two weeks. Seven years ago he was married to Maria Morrison, who with three small children mourn the loss of a kind husband and father. He was a Methodist in religion and also a member of the Orange Order. He was a very industrious young man, highly esteemed in the community and honest in his dealings with all men. Interment takes place on Saturday afternoon to Maplewood cemetery.
