VICINITY CHIPS

Miss Celia VanDusen of Toronto is visiting her mother here.

Mr. and Mrs. John Miller of Toronto are guests of Mr. and Mrs. Strachan.

Mr. and Mrs. Bothwell of Port Hope called on friends here last week.

Master George Carter of Toronto is visiting his grandmother, Mrs. Geo. Murphy, Flesherton.

Mr. and Mrs. Thos. Walter and little daughter of Toronto are visiting friends here this week.

Mrs. Robert McFadden of Mono Road is visiting with her parents, Mr. and Mrs. Robert Waller.

Mrs. R. Best was last week summoned to the funeral of her sister, Mrs. Doupe, at New Liskeard.

Mr. Alfred Wardrobe of Toronto holidayed with friends here during the past week.

Mr. Bert Jamieison of Porcupine visited his mother here during the past week. Bert is taking a position at Sudbury with the Algoma Central railway.

Dr. Burt, specialist in eye, ear, nose and throat, will be at the Munshaw, house, Flesherton, on Wednesday, July 29, for consultation. Glasses supplied.

The first serious accident on the Eugenia works occurred last week when Albert Heron of Maxwell received an injury by the fall of a gin pole which will incapacitate him from work for some time.

Misses Minerva and Valeria Stafford left last Wednesday for their home in Montreal, where they will pursue their studies. They will be much missed by their young friends, among whom they were a general favorite. Mrs. Ottewell accompanied them as far as Toronto.

Mr. Charles Stafford of Griffin, Sask., has been visiting friends here during the past week. We understand that Charley has sold his property in the West, and is thinking of coming back to old Artemesia, if he can find a suitable farm.

The Methodist Sabbath school held their annual picnic in R. Richardson's grove, north of the village on Thursday last. Teams took the bunch to and fro. Swings, sports and good things to eat made everybody feel that they had a happy afternoon.

Mr. A. R. Fawcett, proprietor of the Burks Falls Arrow was a welcome caller on Saturday. Mr. Fawcett was the founder of this paper. He was visiting with relatives in this section. We regret very much our absence from home when he called.

The ladies of the Methodist church will hold a monster garden party on the fair grounds on Tuesday evening, July 28. The attractions will comprise a baseball match at 5.30 between Markdale and Vandeleur clubs, and a tug-of-war between the Ladies Aid and officials of the church. Fire works and balloon ascension. Tea from 5 to 7. The ladies hope to accommodate a thousand people. Come and help swell the crowd.

Dr. E. C. Murray, Mr. and Mrs. R Bentham and ye editor and wife took a motor trip to Lions Head, the latter part of last week, and enjoyed a successful day's fishing on the Bruce peninsula. Crops throughout most of the route, and especially in the vicinity of Owen Sound, were looking magnificent. Around Owen Sound even the hay crop is a bumper one—more than average. It was a surprise to us to see such hay fields as are to be found in that section. Further up on the peninsula all crops are also good and frosts did not hurt the vegetation. The roads were good and the trip thoroughly enjoyed by the party.

A son of sunny Italy got a sudden jol on Tuesday morning in front of the bank which caused him some painful reflections. He was holding a horse attached to a light wagon, and while doing so attempted to raise an umbrella. The animal gave a sudden sidewise spring and dumped the Italian gentleman on the street. The horse then ran against a post and broke away from the rig, and then fell on the cement walk where it was captured. There was considerable excitement for a few moments and Mr. Italian was profuse with his broken English, explaining just how it happened.

Dr. McNally, Provincial District Officer of Health, visited the two local Boards of Health on Wednesday of last week, and put them through their facings for over two hours. He told them in good, plain English just what they had to do towards complying with the Health Act—among other things appointing a Sanitary Inspector for both village and township. Dr. McNally also visited the Eugenia camps and left a code of instructions with the Medical Health Officer as long as the moral law, dealing with these camps. The Dr. said he did not wish to be dogmatic, but there were certain things we had to do, willy nilly, and these will come out in due course if the officials jump properly as strings are pulled.

Took Paris Green

Mrs. Otto Konolt, a comparatively young woman, living about four miles west of Priceville, took a dose of Paris green on Sunday. A physician was quickly called and antidotes administered. It is now thought that she will recover.

We wish to extend our sincere thanks to our many friends for their kindness, and the many expressions of sympathy we received from them during our recent trouble.

—Mr. and Mrs. Wm. Paton.
