RELIEF AND HEALTH T. YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues.—We SPEAK IN THIS FAITH FOR WHAT WE DO KNOW, after ten years experience, and PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the PRINCIPAL PHYSICIANS IN NEW ENGLAND, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or those of others stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac simile of CURTIS & PERKINS, New York, is on the outside wrapper.

The Great English Remedy.

SIR JAMES CLARKE'S CELEBRATED FEMALE PILLS

THIS invaluable medicine is unfailing in the cure of all those painful and dangerous diseases incident to the female constitution.

It moderates all excesses and removes all obstructions, from whatever cause, and a speedy cure may be relied on.

TO MARRIED LADIES

it is peculiarly suited. It will, in a short time bring on the monthly period with regularity.

CAUTION.

These Pills should not be taken by females that are pregnant, during the first three months, as they are sure to bring on a miscarriage, but they may at every other time, and are perfectly safe.

Price $5, shall be presented to each of the children, and that $50 each be given to individuals, whom he named, to be found, and if not, to their legal representatives.

The prisoner said that he contemplated death with composure and calmness. It would undoubtedly be pleasant to live long, but as it was the will of God he should bear his cause, he was content. It was painful to him that he should be thus legally murdered for the good of the cause, and he was prepared to submit to his fate without a murmur. Mrs. Brown becoming depressed at these remarks, he bade her cheer up, telling her that his spirit would soon be with her again, and that they would be united in Heaven.

With regard to his executor, he said that he desired no religious ceremonies, either in the jail or on the scaffold, from ministers who consented or approved of the enslavement of their fellow-creatures; that he would rather to be accompanied to the scaffold by a dozen slave children and a single old slave mother, with their appeal to God for blessings on his soul, than all the clergy of the whole clergy of the country, combined.

During the past week several letters containing checks and drafts had been forwarded to him by his friends in different sections of the country. These he indorsed, and made payable to his wife Mary A. Brown, one of them was for $100 and one for $50, and handed them to her.

THE EXECUTION.

The prisoner was brought out of jail at ten. Before leaving, he bade adieu to his fellow prisoners, except Cooke. He charged Cooke with having deceived and deceived him in relation to the support he would receive from the slaves; he was led to believe that they were ripe for insurrection, and had found that his representations were false. Cooke denied the charge, but made little reply.

The prisoner then told the Sheriff he was ready. His arms were pinioned, and with a black slouch hat on, and the same dress he wore during the trial, he passed out to the door, apparently calm and resigned.

Among out the six companies of infantry and one troop of horse, with General Harney and his entire staff, were deployed around the jail, while an open wagon with a pine box, in which was a fine rosewood coffin was awaiting for him.

He looked around and spoke to several persons he recognized, and walking down the steps he took a seat on his coffin box, with the jailer, Avis. He looked interest on the fine military display, but no remark. The wagon moved off by two miles of infantry, in close order. On reaching the field, the military totally full possession. Pickets were posted, and the citizens kept back at the point of the bayonet from taking any position that assigned them.

Brown's demeanor in its moments of excitement was like a snake marking its prey; his head, part of the body is curved up in position, and in the spring the head is thrown forward entirely by the action of the muscles.

The other day a General Harney made a mistake by sending a party to in... Island, or at any rate, an British possession, and negotiated by justice of the peace. We, how... as usual, puzzle and civil, and the best construction on the act, as for reasons. PRACTICAL EXPERIENCE

BETTER THAN

EXPERIMENTAL SCIENCE.

HOLLOWAY'S OINTMENT.

CONSOLATION FOR THE SUFFERING.

Nearly fifty years continual use in every part of the habitable globe, amongst the savage and civilized alike, has proved that simple eruptions, open sores, hard tumors, scrofulous developments of glands, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in, and using as a dressing, this inestimable Ointment.

SCROFULA, ERYSIPELAS, AND SALT RHEUM.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful ingredient.

ERUPTIONS OF THE SKIN,

Arising from a bad state of the blood or chronic disease, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient; warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Burns,	Chapped Hands,
Chilblains,	Fistula,	Skin Diseases,
Gout,	Lumbago,	Rheumatism,
Piles,	Ringworm,	Salt Rheum,
Wounds,	Sore Legs,	Swelled Glands,
Sore Breasts,	Sore Heads,	Sore Throats,
Piles,	Stiff Joints,	Venereal Sores,
Sores of all kinds,		Mercurial eruptions,
Wounds of all kinds,		Tetter, Ulcers.

CAUTION.—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.

Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots, at 25 cents, 63 cents, and $1 each.

There is a considerable saving by taking the larger sizes.

Hours for personal consultation daily from 1 till 4, Sunday excepted.

Sold in Dublin by Beary, 162 Great Britain street; Edinburgh, Robinson, 11 Greenside st; Glasgow, Love, Bookseller, and by all the Agents.

From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which has characterized his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c., have produced most distressing results. Lasting benifit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr. D'R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, and to those who may be in need of such aid he offers every assurance of speedy restoration.

Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicine sufficient to meet the exigencies of the case, sent out by next mail, thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

DR. DE ROSS' GUTTÆVITÆ; or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones and all those diseases for which mercury, sarsaparilla &c., are too often employed to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s., and four times the quantity at 33s. per bottle of the Agents below. The £5 packages containing twelve 11s quantities (by which £1 12s. are saved) will be sent from the Establishment only, on receipt of the amount, per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "Walter De Ross, London, are printed in white letters on the Stamp affixed to the above, by order of Her Majesty's Honorable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.

Pains in the Back Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s. 8d. 4s. 6d., 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners Street, Oxford Street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their affections rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may, without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

Yes, over the world—wherever disease exists; by whatever name called, or peculiarities assumed; whether special to soil or climate, or common to all regions; epidemic or endemic; acute or chronic; contagious or non-contagious—RADWAY'S REMEDIES are as necessary to the sick as food to the starving or garments to the naked.

This broad, unqualified statement is based upon a series of unchallenged facts, extending through many years, and verified in detail by the voluntary testimony of thousands of individuals whose veracity cannot be impugned, so that no principle of Science, no portion of authentic history, no rule of experience, no nobler result of any well known cause, rests upon more sure and unassailable foundations than those which underlie the world wide reputation of Radway's Ready Relief, Regulating Pills and Resolvent.

Have the ever failed? Advertised throughout the civilized world, used by millions, their names familiar as household words in every city, town, and village of the United States and Canada—If the Remedies had, in any instance fallen short of their object, would not the fact have become known? But not a whisper against their infallibility has been heard; not a murmur of disapprobation or of doubt, qualifies the general enthusiasm with which they are indorsed and recommended by all who have experienced their effects.

THE HOME VERDICT.

There is no disease, plague or pestilence, pain or ache, however malignant, violent or destructive it may be to human life, but that one or the other of these remedies will arrest, cure, and exterminate. Every family should be armed with Ready Relief & Regulating Pills—for with these sovereign specifics, to resort to on the visitation of either plague or pestilence, either in the form of Fevers, Cholera, Influenza, or Small Pox, in their most aggravated degrees of violence, no danger need be apprehended.

FOR FAMILY USE.

All diseases or complaints incidental to the human race; all Pains, Aches, Inflammations, Burns, Sores, Scalds, Bruises; all Rheumatic, Neuralgic, or Nervous complaints; all diseases of the Lover, Heart, Kidneys, Stomach, are quickly relieved and effectually cured by a few doses of the Ready Relief and Regulating Pills.

SKIN DISEASES.

All eruptions of the Skin, Sores, Ulcers, Tumors, Tetters, Canker, Humors, Venereal Sores, Syphilis, Bronchitis, Catarrh, Diseases of the Chest and Lungs, Constitutional Diseases, are quickly and permanently exterminated from the system by the use of RADWAY'S RENOVATING RESOLVENT.

There is a large class of horrible maladies—among them Scrofula, Hereditary Syphilis, and Consumption—known as Constitutional, and which the faculty say cannot be cured, but may, sometimes, be rendered less intense and violent. Away with such compromises with Disease! Away with the idea that because a complaint is introduced in the constitution, it can only be mitigated or assuaged. We assert, and will prove, to the confusion of whoever may question the fact, that Radway's Resolvent disposes of all constitutional disorders as certainly and effectually as a cool breeze from the mountains refreshes and purifies the hot summer air.

Complaints which interfere with the regular action of the digestive and excretive organs, are a great trial to multitudes of both sexes, and a source of vast revenue to the physicians whose drastic and mercurial treatment weakens the patient and strengthens the disease.

And yet it is a truth as palpable as the sun, to all who have witnessed the operation of our Remedies, that Radway's Regulating Pills and Ready Relief are absolutely irresistable in dyspepsia, and all obstructions and irritations of the Liver, Stomach, the bowels and the secretive organs.

CHEERING NEWS FROM THE CONTINENT.

From various parts of the continent which have been visited by epidemics, we have received accounts of cures effected by these Remedies, which are as wonderful as they are cheering. During the Fall of last year a most distressing and fatal species of influenza, accompanied by eruptive fever and pulmonary congestion, swept through a large portion of British America and New England, carrying off numbers of children and adults of both sexes. It raged much about wherever its course was not had to the Ready Relief and the Regulating Pills, but wherever these medicines were administered, its progress was promptly arrested. Of these facts we have authoritive proof from Canada, Nova Scotia, Newfoundland, and the Eastern States. It may be said that this testimony is nothing new but simply confirmatory of what was known before in relation to the absolute control exercised by these remedies over epidemic and contagious distempers. It was the same in the Asiatic Cholera of 1849-1851-1855. Wherever this terrible plague made its appearance, it resisted all methods of medication of physicians, and was only successfully arrested and subdued by RADWAY'S READY RELIEF AND REGULATING PILLS.

PESTILENCES AND PLAGUES.

In the terrible Yellow Fever visitation of 1853-7, and 8—by which the population of several Southern cities suffered so much—and some districts almost depopulated—Radway's Ready Relief and Regulating Pills were proved to be positive curatives and preventatives. Letters from Physicians, Statesmen, eminent Jurists from the infected districts, certifying to the miraculous efficacy of these remedies, as preventatives and curatives of Yellow Fever and other malignant Fevers, incidental to the Southern States, have been published.

Wherever and whenever Radway's Ready Relief and Pills have been pitted against any infectious or contagious malady, the lives of the patients have invariably been saved. An exception to this rule cannot be found—not one. On the other hand, of the Yellow Fever patients treated in the 'usual way,' when we were last scourged with the disease about one-third, and in some localities, two-thirds died.

SMALL POX.

Small pox, which is always present with us more or less, in spite of vaccination and Quarantine laws, is quelled—with amazing rapidity by Radway's Ready Relief and the Regulating Pills. We have on record over a thousand legally authenticated cases of Small Pox cured, without disfigurement by these preparations.—Even the disorders of brutes yield to the Remedies, as was shown by the effect of the Relief on the 'Black Tongue,' the destructive cattle plague, which swept off whole herds of our most valuable stock in the summer and fall of 1858. In short, every disease which afflicts or ever can afflict, the animal physique, may be set down as within the hygeian range of these mighty antidotes, which penetrate to the very core of every ailment, and restore the body to health, giving the disturbed fluids their regular and equal flow.

EPIDEMIC IN THE EIGHTH REGIMENT WHILE QUARTERED AT QUARANTINE.

The Eighth Regiment of New York State Militia, commanded by Col. Lyon, has given unequivocal testimony in favor of Radway's Remedies. An epidemic dysentery attacked this fine corps while quartered at Staten Island, for the protection of the Quarantine buildings; and we have it over the signatures of the colonel and 296 privates that Radway's Ready Relief proved in all cases an immediate specific. Supplies of the medicine were looked for with more anxiety by the soldiers than otard or champagne. It proved equally valuable as a preventative and a curative; and the soldiers felt themselves invulnerable alike to imported and epidemic diseases, while this talisman was within their reach.

IRRESISTIBLE CONCLUSIONS.

Unimpeachable testimony from all parts of the globe establish these astonishing facts: That Radways Remedies are equally efficacious in all climates and under all circumstances; that they cure the most virulent, and dangerous types of all known diseases with equal facility as they act on and disorder to regularity and harmony, this RESTORATION OF THE SYSTEM PRODUCES HEALTH; and finally that this blessing is perpetuated, and life prolonged by their conservative influence—we challenge a contradiction to these facts.

Radway's Remedies are sold by Druggists and Merchants throughout the world. Radway's Ready Relief is sold for 25, 50 cents, and $1.00 per bottle; Regulating Pills, 25 cents per box; Resolvent, $1.00 per bottle.
