Canada's War Loan On Market Soon

In preparation for Canada's first war loan effort of the new world war, a National War Loan Committee and a National Subscription Committee are in process of formation across Canada, and will be organized in time for the initial effort on the economic war front.

The National War Loan Committee, under the chairmanship of the Hon. J. L. Ralston, K.C., M.P., Minister of Finance, will be composed of five former Ministers of Finance, Canada's nine Provincial Treasurer, and more than 20 representative citizens, resident from coast to coast.

Mr. Dunning has also accepted the chairmanship of the National Subscription Committee, which will assist the National War Loan Committee, and will be concerned with the securing of larger subscriptions of a national character. It will be responsible for organizing the work of canvassing the larger institutions and corporations, in addition to stimulating the broader sale of the bonds to the public. This committee will have the active co-operation of investment dealers throughout Canada, a number of whom have already done considerable work in preliminary organization.

The First War Loan will provide Canadians, as a whole, with their first opportunity to participate in Canada's war effort. To enable everyone to subscribe, it is indicated that bonds will have denominations as low as $50 each or smaller subscriptions.

In announcing the acceptance by Mr. Dunning of the chairmanship of the National Subscription Committee, Mr. Ralston said, "Canada is indeed fortunate that Mr. Dunning has agreed to undertake this important task. His experience as Minister of Finance and also in connection with the Victory Loan campaigns during the last war make him the ideal man for the job."

IN MEMORIAM

LeGARD — In loving memory of our dear mother, Christena LeGard. who passed away January 12th, 1923.

In the book of our life there are memories
Of the happiest moments we've known,
And recorded in love is the blessing
Of a wonderful mother, our own.
For she saw only good in our dreaming
And soothed every moment of strife,
And her name is the sweetest name written,
Mother mine, in the book of our life.
