THE TRADE RETURNS.

The Trade Returns, owing to a change in the fiscal year, have been made up to the 1st July in 1864. Mr. Borchette, Commissioner of Customs, makes the following comparisons: The importations during the first six months of 1864, show a large increase upon the first six months of 1863, namely: Gross value of importations from 1st January to 30th June, 1864, $23,882,316; 1863, $20,093,240 increase; 1864, $3,788,976. This increase is entirely on imported goods, chargeable with duty. The value of free goods has, on the contrary, fallen off during the six months referred to, as shown by the following figures: Value dutiable goods, 1864, $14,309,886; 1863, $9,588,666; increase in 1864, $4,721,220. Value of free goods other than coin and bullion, 1864, $7,096,826; coin and bullion, 1864, $247,554; total free goods, 1864, $9,572,330. Value of free goods other than coin and bullion, 1863 $8,526,749; coin and bullion, 1863, $2,077,834. Total free, 1863, $10,504,574; decrease in value of free goods, 1864, $952,244. The duty collected for the corresponding six months in each year stands thus: Customs duties, 1864, $3,068,568; 1863, $2,155,624; increase in 1864, $912,744. The principal articles upon which this increased amount of duty was collected are cottons, woollens, tea, iron and hardware, linen and hats, caps and bonnets. The importation of these goods and the duties thereon for six months, were respectively as follows; 1863, cottons value $2,086,545 duty, $417,309; woollens, value, $1,341,113, duty $268,182, tea, lbs., 1,691,059, value $658,435, duty $166,406; iron and hardware, value $449,538, duty $489,555; linen value $223,338, duty $44,667; hats, caps &c., value $108,531, duty $21,433; 1864, cottons, value $3,277,985, duty $654,438; woolens, value $,2,537,669, duty $499,084; tea lbs. 3,048,597, value $1,059,674, duty $275,126; iron and hardware, value $776,225, duty $151,422; linen value $421,543, duty $4,136; hats, caps, &c., value $281,197, duty $55,546.

Turning from the imports and exports, we here also find a considerable increase in the first six months of 1864 over 1863, the gross value of exports being in 1864, $13,883,504 against, in 1863, $11,966,895, showing an increase of nearly $2,000,000, arising principally from the increased exportation of animals and their products, and of timber, lumber, and ships built in the Province chiefly at Quebec and exported. The aggregate trade of the Province in imports and exports for the period referred to thus represents a gross amount of $37,765,724 in 1864, against $32,060,135 in 1863, being an increase of $5,706,589 during the first six months of 1864. Excise returns of spirits distilled and malt liquors brewed in the Province for six months covered by the present tables, exhibit the following results:—Proof spirits distilled in 1864, gallons, 2,420,419; duty, $454,939,02. 1863, gallons, 2,106,243; duty, $316,184 70. Increase in 1864, 138,754 32. Malt liquors, 1864, gallons, 2,976,949; duty, $91,539 21. 1863, gallons, 2,944,500; duty, $88,812 33. Increase, 1864, $272,694. Showing an increase in the aggregate amount of the excise duties on the two articles mentioned of $141,480 26.

During the first six months of 1864, the traffic on the Welland Canal was about 12½ per cent less than in the corresponding period of 1863, and above 3½ per cent less than in 1861. So, also, on the St. Lawrence Canal, there is a decrease in 1864, as compared with 1863, of 33 per cent, and as compared with 1861, of nearly 23 per cent. The local or internal traffic appears to have somewhat increased on the Chambly, Burlington Bay and Ottawa Canals.

POLICE COURT.

Friday, Feb. 3rd.

Before the Mayor.

Richard Ferguson, charged with drunkenness, was fined $1.

Mary Delaney, who met a friend yesterday and got a glass too much, was charged with drunkenness and vagrancy, and was discharged, on promise never to trouble the Court again.

Bridget Keys, a vagrant, was remanded.

Nelson Switzer, from Sydenham, was charged with being found in such a state as to be unable to take care of himself. It appears that he was drugged by a person named Price, also from Sydenham, for the purpose of being carried over to the United States and enlisted in the Federal army. A brother of Switzer, a stage driver, laid an information against Price yesterday, but he could not be found, having left town. Switzer was sent home to-day.

FOREIGN ENLISTMENT.

Ex-Policeman Thomas McDermott and McKay Wart were charged with a breach of the Foreign Enlistment Act, in making overtures to John H. Conway to enlist in the United States army. Mr. R. M. Wilkison, County Attorney, appeared for the Crown, and Mr. Macarow appeared for the prisoner McDermott.

Mr. Macarow contended that there was no information or warrant to put the men on trial. The information stated that the prisoners, induced, John Herchmer Conway to join the Federal army. The Act states that the prisoner must hire, retain, enlist or receive before he could be convicted. Mr. Macarow claimed the right of having the prisoners tried separately, and the case of Wart was taken up first.

John H. Conway deposed that he lives in the township of Kingston, at Mr. Fairfield's, on the Bath road; came to Kingston on Tuesday; met McKay Wart near Dunn's tavern; Wart spoke to him, and took him into Potter's to drink; witness drank once, and went down town and at another tavern had a drink; the prisoner said that if he would enlist in the Northern army he could get any money he wanted; stopped in town that night and in the morning Wart made other offers to him to enlist in the United States army; witness concluded to go with Wart; Wart said he would go to Saunders' and get some money to go over with, and witness and prisoner went together; met McDermott there, and he treated; McDermott said that the sleigh was waiting at the corner; witness understood that the sleigh was to take him to the Cape; McDermott said for Wart and witness to get into the sleigh, and he would go ahead and get in on the ice; before they started McDermott gave witness his hat, so that he would go out of town in disguise; met McDermott on the ice, and he got in the sleigh; the cab driver said "who is to pay me, before I go over?" and McDermott gave him an American five-dollar bill, and half a dollar in silver, and asked him whether that would do; witness told him he would have to get some money before he would go, and McDermott took the money back from the calmen, and gave him an American ten dollar bill, and told him to drive back and get it exchanged; McDermott got out and staid on the ice and the cab driver drove back and got it changed; witness got out at the exchange office; Wart exchanged the money and gave witness a dollar; witness here refused to go any farther, and Wart endeavored to induce him to go over, and said he would get from $600 to $800; witness still refused to go and gave back the hat McDermott had given him, and Wart left; witness gave information to the police.

James Simpson deposed that he is a cab driver; saw Wart for the first time on Wednesday; Halligan a cab driver asked witness whether he would drive over to the Cape as he had two passengers engaged; went up to Saunders' as directed by Halligan, and saw McDermott and asked him if there were two passengers for the Cape; he said he believed there were, and after a while Wart got into the sleigh with last witness and said they were for the Cape; drove to the ice and saw McDermott there, he got into the sleigh; witness demanded the fare and McDermott handed him a five dollar U. S. bill and a half dollar in silver; last witness complained of his hands being cold and wanted money to buy mits; McDermott gave him a ten dollar greenback and took the other money back and told him to go back and change it; Wart changed the bill; Conway got out of the sleigh at the office, and Wart and witness went back to the ice, where they met McDermott.

Sergt. Hugh McCauley deposed to arresting McKay Wart. Wart said to him that he (Wart) had thought of giving himself up, but thought it best to keep out of the way. Wart was then committed to the next Assizes.

The case of McDermott was then taken up, and Conway and J. Simpson repeated the evidence given on the charge against McKay Wart. On cross-examination Conway stated that McDermott had never asked him to go to the other side to enlist. The Mayor reserved his decision in McDermott's case till five o'clock. McDermott in the meantime being bailed on his own recognizances.

We did not believe in "cure-alls" until we tried AYER's inimitable PILLS, and now we think the whole secret lies in the fact, that purgatives are the natural remedy for disease, and Dr. Ayer has made the best of purgatives. They cure all our complaints.—Logan (O.) Press.

Through a trial of many years and through every nation of civilised men, AYER's CHERRY PECTORAL has been found to afford more relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled Consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy, and the pale, thin features of him who was lately lusty and strong whispers to all but him, CONSUMPTION. He tries everything; but the disease is knawing at his vitals, and shows its fatal symptoms more and more all over his frame. He is taking the CHERRY PECTORAL now: it has stopped his cough and made his breathing easy: his sleep is sound at night: his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the CHERRY PECTORAL an imperishable renown. But its usefulness does not end here. Nay, it causes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easy cured by the CHERRY PECTORAL if taken in season. Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" * * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,

" * * * Then will send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

" * * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,

" * * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

" * * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

" * * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated, because the materials of which they are composed are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with the disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine will not help them; let not even these despair; incredulity and skepticism is overthrown by a host of testimony which is truly irresistable. At first the virtues ascribed to the Mountain Pills were deemed fabulous. The public had been so often deceived that they could not believe the simple truths put forward by their discovery. Yet facts undeniable, attested by witnesses of the highest character and respectability have proved, and are proving each day, the virtues of this mighty healer. They mark, by their miraculous efficacy and power a new era in medicine.
