On the evening prior to her marriage, a number of the friends of Miss Ethel Trimble met at Miss Ella Karstedt's and gave Miss Trimble a miscellaneous shower. A jolly evening was spent by the young ladies.

The Hyland people expect to have No. 2 dam at Eugenia completed about Nov. 15. They are now rushing work on the power house in the valley and have about 50 men employed there. They have the cement foundation nearly completed and will soon be at the brick work. It now transpires that the Ambursen Co. do not purpose putting the big dam up to its full height this fall, but sufficient to hold back enough water for present requirements, and will add the balance next summer.

At an enthusiastic and largely-attended meeting of the members of East and South Grey Liberal-Conservative Association, held in Dundalk, officers were elected and organization carried out of the new riding of South East Grey for the Dominion House, necessitated by the Redistribution Bill, which gives Grey County only two members instead of three, as heretofore. The meeting was presided over by Mr. Jas. S. Wilson of Hanover, and the following officers were elected:—President, Wm. Breese, Chatsworth; vice-pres., Dr. L. G. Campbell, Markdale ; sec., J. W. Tucker, Markdale ; treas., Dan McTavish, Flesherton, auditors, W. J. Bellamy, Irwin Morrison. The next annual meeting will be held in Durham in June.

Markdale and Flesherton High School Baseball teams will play a game on the Agricultural grounds, Flesherton, to-day (Wed.) at 4 o'clock, Admission 10 and 15c. Everybody come and cheer the boys to victory.

Edgar, the 19-year-old son of Thos. Lawrence of Vickers, was accidentally shot by Jos. Hamlet, a young Englishman. As there was gross carelessness therewith some penalty will no doubt be attached.

Mrs. James Patton has purchased the handsome little bungalow opposite the Park House from W. A. Armstrong and will come to town to reside. It will be remembered that Mr. Patton was killed by a horse near Guelph last spring. We tender a hearty welcome to Mrs. Patton.

Ladies ! remember to attend the W. M. S. Convention in the Methodist church on Friday next. Sessions begin at 9.00 a. m., 2.00 and 7.00 p. m. Mrs. (Dr.) Wilmott, Toronto, is the principal speaker. Dinner and tea will be provided in the church for all who come from a distance.

Saturday, October 31 is to be "Tag Day" in Flesherton in aid of the neglected children in Grey county, when all places of business will be visited and all pedestrians will be solicited to aid in the saving of the coming generation. Only wearing a tag will save you from many solicitations.

The Advance tenders congratulations to Mr. and Mrs. W. T. Hodgson, whose wedding announcement appears elsewhere. As Miss Ethel Trimble the bride was known as one of Flesherton's most charming and popular young ladies. The ceremony took place on Saturday and the bridal couple motored to Orangeville where they took train. They will be at home in Owen Sound after Nov. 1.

The glib-tongued agents of the C.P.R. who sold property in this district a couple of years ago, are now charged by some parties in this vicinity with having misrepresented facts, and an effort is being made to have sales cancelled and money refunded with interest. We are informed that the company has offered to refund the money without interest in some cases, but this is not satisfactory and the matter is likely to go to court.

The Presbyterian Young People's Institute will meet in Eugenia, Thursday, October 22. This is not a meeting for children but for young men and women with the hope of interesting many more in civil and religious works. All adults are invited whether members of Young People's Societies or not—irrespective of denomination. Afternoon and evening sessions will be held and Dr. McGillivray Convener of S. S. and Y. P. S. for the Presbyterian church in Canada will be present and address both sessions. As Eugenia is busy, oh, so busy ! the Executive decided on picnic style so all bring loaded baskets and oblige.

Mr. T. Blakeley has taken a partner in the planing mill and chopping business in the person of Mr. W. Henry, a recent comer to the village. The firm name is now Blakeley and Henry. This will mean greater expansion in business and more promptitude in turning out work. Since coming to Flesherton last spring Mr. Henry has proved himself a good citizen and success for the new firm is hoped for by all. A new double chopper with 18-inch plate was recently installed in the mill, and this adds very materially to the speed with which work is done. On Saturday last 180 bags were run through, and on Monday 160 bags. Mr. Blakeley says the new and much larger chopper does not require as much power as the older and smaller machine.

In the library Thursday evening the Board held an important and interesting meeting. The treasurer reported the financial standing as adequate to meet all payments due at the end of the library year. Helpful donations had been made by the village council and Women's Institute, all of which are hereby gratefully acknowledged. As the township of Artemesia is likewise a benefactor it is hoped the council may see its way clear to help in this deserving educational work before the close of the year. Flesherton has won prestige, and rightly so, in intellectual work, and we trust both the village and township will join hands in maintaining the high status. The Board agreed to the following : (a) to send a representative to the Library Institute at Owen Sound ; the Educational Department pays expenses and gives a donation of five dollars to all libraries thus represented in the Association ; (b) place the fee for new subscribers to the library at 25c until Feb. 1, 1915, and $1 until Feb. 1, 1916. Subscribe now and get the benefit of the extended time ; (c) remove all books discovered to be unworthy of the library shelves. Two were discovered and removed.

THIS

World - Wide War

has created demand for newspapers unprecedented in history.

The fact that Canada is in a state of war along with the mother country and their Allies against the combined forces of Germany and Austria and the further fact that Canadian troops are now on the firing line, will have the effect of increasing our interest in the struggle.

The ADVANCE clubbed with The Toronto Morning World will be mailed to subscribers from now to the 1st of January, 1916, for $3.50. Think of it! A morning daily paper and a weekly paper 15 months for only $3.50.

Take advantage of this special offer at once as we are obliged to reserve the right to withdraw it without notice as the ramifications of the war may cause a very rapid increase in the cost of white paper, which will mean a much higher price for your newspaper.
