Defeat of Dr. Tupper.—Dr. Tupper has been defeated in the County of Annapolis, in Nova Scotia, by a candidate not in favor of the Intercolonial Union. But we understand that local issues and local jealousies were mixed up in the contest; so the significance of this election may not be important.

Confederate Doings in Canada.—A number of Confederates are now on trial in Cincinnati, charged with conspiring to release the prisoners confined at Camp Douglas. The evidence states that large quantities of arms and other munitions of war were secreted in a house near the camp, and that many of the Confederates who were engaged in the plot had been refugees in Canada. We publish in another column the testimony of a witness named Maughan, from which it will be seen that Mr. Jacob Thompson supplied a large sum of money for the purpose of carrying out some hostile designs against the United States. As the cash was delivered to Castleman, one of the leaders in the conspiracy to release the Camp Douglas prisoners, there can be little doubt to what particular purpose it was to be put. As, however, the rebels got frightened and dispersed, the greater part retreating to Canada, it is not at all improbable that some part of the funds was diverted to furnish both the St. Albans and Lake Erie raids.—Globe.

Mr. Dunkin's Bill.—The polling took place in the township of Pickering, under Mr. Dunkin's Bill. Whiskey polled 436 votes; water, 467; leaving a majority of one in favor of the prohibitionists. Kent does not relish Mr. Dunkin's liquor prohibition bill. The townships of Howard and Chatham have both rejected it.

EUROPEAN ITEMS.

Snow in Madrid.—There has been a great snow storm in Madrid, something quite unknown even to the oldest inhabitant.

A Scandal.—A French paper states that a great English countess, whose name will very shortly be before the Divorce Court, has arrived at Paris, having eloped with her coachman."

Bishop Colenso About to Return to Natal.—The Bishop of Natal intends within the next few weeks to proceed to Natal and take possession of his diocese, notwithstanding the sentence of deprivation passed upon him by the Metropolitan.

A Present to the Pope.—The Pope received from Havana, on new year's day, several thousand cigars; and not being a smoker himself, he has given them all to General Montebello, commanding the French army of occupation.

Bishop Colenso.—We (Record) understand that the lords of the privy council committee of appeal have come to a decision on the Colenso case, and that the task of drawing up the report has been entrusted to Lord Kingsdown.

Fall of a Wharf.—Butler's Wharf, London, England, gave way and fell into the Thames on the 13th January. The loss is great,—about 40,000 sacks of rice and 1000 bales of Cloves were among the products that floated down the river.

The Princess Mary of Cambridge.—We are authorised to state that there is no foundation whatever for the statement that Her Royal Highness the Princess Mary has recently contracted a matrimonial alliance. So long as a similar report was circulated as a mere rumor we thought it too absurd to require notice, but now that it has been confidently asserted as a fact we feel it our duty to meet it with an explicit contradiction.—Times.

American Trotting Horses in England.—Kentucky Patchen and the American Ranger.—Mr. B. Long's American trotting stallion, Kentucky Patchen, is now ready for a dash with the Ranger for one or two miles, upon the Aintree Race Ground, Liverpool, for from £500 to £1,000 a side. If the Ranger's supporters mean trotting, let them draw up articles and forward them to Mr. Long, Acton, near Wetherby, when a match will be finally settled. Mr. Long would be glad to know as to the whereabouts of Shepherd F. Knapp. Should a match be made between Kentucky Patchen and the Ranger, the stakes to be deposited at Bell's Life office.—Bell's Life, Jan. 7.

The business done in the market is not near so great since the wood, lumber, &c., has been moved to what is called Market No. 2. Grain was not so plenty on Saturday. Wheat sold at 98c, Rye 61c, Barley 60c, Peas 65c, Oats 48c and Buckwheat 45c. Beef was plenty and brought old prices, $4 for forequarters and $5 for hindquarters per 100 lbs. Pork scarce at $7,50. Health and Pure Blood are Inseparable.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are composed are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with the disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine will not help them; let not even these despair; incredulity and skepticism is overthrown by a host of testimony which is truly irresistable. At first the virtues ascribed to the Mountain Pills were deemed fabulous. The public had been so often deceived that they could not believe the simple truths put forward by their discovery. Yet facts undeniable, attested by witnesses of the highest character and respectability have proved, and are proving each day, the virtues of this mighty healer. They mark, by their miraculous efficacy and power a new era in medicine.

We did not believe in "cure-alls" until we tried Ayer's inimitable Pills, and now we think the whole secret lies in the fact, that purgatives are the natural remedy for disease, and Dr. Ayer has made the best of purgatives. They cure all our complaints.—Logan (O.) Press.

Through a trial of many years and through every nation of civilized men, Ayer's Cherry Pectoral has been found to afford more relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled Consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy, and the pale, thin features of him who was lately lusty and strong whispers to all but him, Consumption. He tries everything; but the disease is knawing at his vitals, and shows its fatal symptoms more and more all over his frame. He is taking the Cherry Pectoral now: it has stopped his cough and made his breathing easy: his sleep is sound at night: his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the Cherry Pectoral an imperishable renown. But its usefulness does not end here. Nay, it causes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easy cured by the Cherry Pectoral if taken in season. Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.

Ayer's Cherry Pectoral.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

New Bedford, Mass., Nov. 24, 1863.
Dear Sir:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.
Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
