THE WEATHER.—The weather is very mild, and we have a February thaw in real earnest. The roads in the country are nearly bare except in places where the heavy drifts were. Skating was almost given up yesterday, although the ice is in good order yet.—The side-walks in most parts are nothing but slush, which does not speak well for the carrying out of the By-Law for the cleansing of the snow off the board walks.

STEAMER ALGOMA.—This splendid steamer, running between Collingwood, Bruce Mines and Fort William, is now being put in thorough condition, and will resume her regular trips on the opening of navigation. The machinery has been thoroughly overhauled. We notice that our old friend, Captain Perry, has the management of her, and from his well-known knowledge of steamboating, while on Canadian waters, feel satisfied that the wants of the public will be fully attended to. Looking back to the pleasant excursions we had, when he was owner of the Bowmanville, we look forward with a great deal of pleasure to those in store for us on the Algoma.—Leader.

COLONIAL GOVERNMENT SECURITIES.—The following quotations are given by the London Times of the 4th inst:—Canada government 6 per cent Jan. and July, 1877-84, 92 to 94; do. 6 per cent, Feb and Aug, 94 to 96 x d; do, 6 per cent, March and Sept, 94 to 96; do, 5 per cent, Jan and July, 81 to 83; do, 5 per cent, inscribed stock, 81 to 83; New Brunswick government 6 per cent, Jan and July, 94 to 97; Nova Scotia government 6 per cent sterling, 1875, 95, 97.

Canadian flour rather more steady; sales 550 bbls at 10,55 a 11,90 for good to choice extra. Stocks higher. Money more active at 6 per cent. Sterling Exchange dull at 108½. Gold 201.

POLICE COURT.

Thursday, Feb. 23rd.

Before Dr. Robison.

DRUNK AND VAGRANT.

Archy Buchanan, just out of limbo, could not refrain from getting on the burst, and with Jas. Dogherty, as his companion, was charged with drunkenness and vagrancy. Archy was sent to Hospital to repair damages by coming in contact with some ice while falling in the street. Dogherty was sent to gaol for 60 days.

DRUNK AND DISORDERLY.

John Daly was charged with being drunk and with assaulting Policeman Caldwell, and fined $3.

LARCENIES.

Joseph Patrah, Daniel Bates and William Minnes, all boys, were charged with stealing wood from one of the wharves, on complaint of the owner. The boys were remanded. To commit these will serve as a warning to the tribe of vagrants who are constantly stealing wood from yards and wharves.

Two lads named Burrell and Christmas (colored) took it into their heads on Tuesday to rob the till of a shop in Princess street, from which they took the sum of five dollars. It was thought they proceeded to the railway station and procured tickets for Belleville, for which place they set out by the afternoon train. The High Bailiff telegraphed to the Chief of Police at Belleville to send the boys back by return train, but no answer was received yesterday, nor were the boys forthcoming.

BAILED.—Peter Doyle, arrested on a charge of a breach of the Foreign Enlistment Act, was bailed out yesterday.

WHISKERS!!!—Those wishing a fine set of whiskers, a nice moustache, or a beautiful head of glossy hair, will please read the card of Thos. F. Chapman in another part of this paper. [39 3m d&w

We did not believe in "cure-alls" until we tried AYER'S INIMITABLE PILLS, and now we think the whole secret lies in the fact, that purgatives are the natural remedy for disease, and Dr. Ayer has made the best of purgatives. They cure all our complaints.—Logan (O.) Press.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" " " I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

" " " Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

" " " I have been a great sufferer from Dyspepsia, and had to abandon preaching. " " " The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

" " " Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,

" " " I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

" " " The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,

" " " The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that had distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St, N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces an shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are composed are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with the disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine will not help them; let not even these despair; incredulity and skepticism is overthrown by a host of testimony which is truly irresistable. At first the virtues ascribed to the Mountain Pills were deemed fabulous; The public had been so often deceived that they could not believe the simple truths put forward by their discovery. Yet facts unfeasible, attested by witnesses of the highest character and respectability have proved, and are proving each day, the virtues of this mighty healer. They mark, by their miraculous efficacy and power a new era in medicine.

Sold by all Medicine Dealers.

LADIES! LADIES!! LADIES!!!

Don't fail to read the advertisement in this paper, headed

IMPORTANT TO FEMALES.

DR. CHEESEMAN, of New York, has devoted the last thirty years of his practice to Female Complaints. His Pills act like a Charm. They are reliable and safe.

Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford great relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled Consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy, and the pale, thin features of him who was lately lusty and strong whispers to all but him, CONSUMPTION. He tries everything; but the disease is knawing at his vitals, and shows its fatal symptoms more and more all over his frame. He is taking the CHERRY PECTORAL now; it has stopped his cough and made his breathing easy; his sleep is sound at night; his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the victims which have won for the CHERRY PECTORAL an imperishable renown. But its usefulness does not end here. Nay, it causes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easy cured by the CHERRY PECTORAL if taken in season. Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.

Prepared by DR. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo28
