Mr. Sherwood arose about five o'clock in the morning to attend the death of his mother in Collingwood and found the barn a mass of flames. He only managed to save one horse and it is a severe loss to Mr. Sherwood, especially at this time of the year. There was only a small insurance on the barn. The cause of the fire is a complete mystery and we extend our sympathy to Mr. and Mrs. Sherwood in their loss.

The noise on Saturday night sounded like a German invasion, but upon looking up the calendar it was found to be Hallowe'en night. The boys got at their mischief early and several of the village citizens had a hunt for their effects on Monday, but the tricks were of a harmless nature, no serious damage being done, and we should remember that we wer once boys and liked our fun the same as the boys at the present time do.

Mr. Roy Piper met with a serious accident one day last week while assisting his father at the threshing. He hitched a team of spirited horses to the tank and when coming around the end of the barn they became unmanageable and ran away. Roy was thrown from the tank but hung to the lines until the hind wheel of the tank hit a gate post and rebounding struck him on the shoulder, breaking a piece of bone off his shoulder blade. The horses continued their mad flight until stopped in Flesherton. Roy is pretty badly used up with one arm but is lucky to escape with his life. We understand he is progressing favorably.

—How Mutt explained it to Jeff: Jeff—Say, Mutt, I don't understand what started this war anyway. Mutt—It's simple. Food was so scarce and Austria got so Hungary that King Peter said: I'll Servia,' so he went Russian for a bit of Turkey, but slipped in some Greese and fell down and broke up China and got in Dutch and Brussels sprouted up with India-dignation and of course John Bull-ed his way in, but money is getting so scarce—Jeff—Good-night.

"Tag" day for the Children's Aid Society was duly observed in Flesherton last Saturday. The day was all that could be desired, the collectors were in good humor and the people with a few exceptions rose to the occasion and responded in a hearty-good-natured manner; one thought we were doing a most unchristian act in collecting for the neglected children of our own country, we should send that money to Belgium; another one felt the giving away of ten or twenty five cents such a momentous matter that he would "not go into it,' s ill $38.00 was raised and sent to the treasurer of the Children's Aid Society who wishes us to thank all who gave their time and their money so freely.

Card of Thanks

Mrs. William Fisher and family desire to express their thanks to their friends and neighbors for their kindness and sympathy to them in their recent bereavement.

THIS

World - Wide War

has created demand for newspapers unprecedented in history.

The fact that Canada is in a state of war along with the mother country and their Allies against the combined forces of Germany and Austria and the further fact that Canadian troops are now on the firing line, will have the effect of increasing our interest in the struggle.

The ADVANCE clubbed with The Toronto Morning World will be mailed to subscribers from now to the 1st of January, 1916, for $3.50. Think of it! A morning daily paper and a weekly paper 15 months for only $3.50.

Take advantage of this special offer at once as we are obliged to reserve the right to withdraw it without notice as the ramifications of the war may cause a very rapid increase in the cost of white paper, which will mean a much higher price for your newspaper.
