A few weeks ago we had an item dealing with an accident that occurred while rigs were driving home from the Port Law concert, in which we said it was supposed the rig which caused the trouble was from Flesherton. It has since been learned that this was not the case, and thus the village has one sin less to do penance for.

Congratulations are being showered upon Dr. Jamieson, M. P. P. for South Grey, who has been made Speaker of the Legislative Assembly. This gives the County of Grey a monopoly of Speakers, as it were, the House of Commons with Dr. Sproule in the chair and Dr. Jamieson wearing the gown in Toronto. Hurrah for Us!

The Ambursen people are having some difficulty in moving their heavy machinery from the works at Eugenia to this station, owing to the amount of snow on the roads. There have been several upsets. Last week they undertook to bring out the big two-inch steel cable, which was wound on a big drum. It was upset near Hoy's corner and had to be unwound and drawn along the road like a huge snake with eight or ten teams attached to it at various points. The cable was somewhere in the neighborhood of half a mile in length and created considerable interest as it was "snaked" through town.

The Presbyterian Sabbath School entertainment on Christmas evening marked another successful event for the church. The evening was all that could be desired in the way of weather and the attendance was in accord with the weather. The program was a good one and altogether the event may be considered quite as successful as any of its predecessors. Proceeds amounted to over $60. The secretary's report showed the school to be in a healthy condition with an average attendance of 59 pupils and 84 on the roll. Finances also were very satisfactory: Balance on hand at beginning of year, $119.41; collections $46.76; total $166.17. Expenses for the year were $104.44.

Doc. Fairey of Winnipeg has returned home for a visit with his mother, Mrs. Jos. Clinton. Doc. has had charge of a gang of men on construction work on the Winnipeg waterworks, and is now a foreman with the Northern Construction Company. This firm is one of the large contractors on the greater Winnipeg Waterways System, which will pipe drinking water to greater Winnipeg, a matter of 100 miles, from Shoal Lake, Lake of the Woods. A standard gauge railway has already been constructed over the entire distance to be covered by the pipe line, by the Northern Construction people, who will also build sixty miles of the pipe line, which will be of steel, enclosed in concrete. A number of rivers will have to be tunnelled under enroute. The scheme will cost at least $13,000,000.

The Nominations

Artemesia will not have an election this year. Flesherton will have a "scrap" this year, which is a healthy sign. The meeting Monday evening was well attended by the citizens, thus showing an increasing interest in village affairs. The nominations were quite numerous. Not all will stand, but the following slate was nominated.

For Reeve—D. McTavish and L. Fisher.

For Councillors—T. Blakeley, John Nohn, Mark Wilson, W. Buskin, W. W. Trimble, Chas. Stewart, J. O. Patton, C. H. Munshaw and C. N. Richardson.

Osprey will have an election for Councillors as seven candidates were nominated for the three seats. Mr. John Thomson was re-elected for Reeve and Mr. Irwin Morrison for Deputy Reeve by acclamation. The following are in the field as Councillors: W. H. Guy, Joseph Henderson, John Muirhead, Geo. Ross, Albert Arnott, John Lockhart, T. H. Weatheral.

Black-Russell

The home of Mr. James Russell, Rock Mills, was the scene of a quiet but pretty wedding on Wednesday, December 23, at 12 o'clock, when his second daughter, Lillian, was united in marriage to Thomas H. Black, also of Rock Mills. The wedding march was played by Mrs. Will Russell while the bridal party entered the parlor where the ceremony was performed by Rev. R. C. Kerr, beneath a pretty arch of evergreens and Christmas bells. The bride, who was unattended, wore a beautiful white silk blouse, trimmed with shadow lace and pearls and blue serge skirt. After a dainty wedding feast the bride and groom took the afternoon train for a short trip, the bride travelling in a blue suit with blue plush hat to match, and the groom's gift, a handsome set of furs. The bride was the recipient of many beautiful presents, among them a bank-note from her father. Mr. and Mrs. Black will reside on their farm near Port Law, and their many friends wish them happiness and prosperity.

Genoa-Burroughs

On Wednesday evening, Dec. 23, at 6 o'clock a quiet wedding was solemnized at 88 Albany avenue, Toronto, when Lenore, eldest daughter of ex-Police Inspector and Mrs. S. Burroughs, formerly of Grecian Villa, De Burgh Hill, Dover, England, was united in marriage to Prof. Ellwood Genoa, youngest son of Mr. and Mrs James Genoa of Flesherton. Rev. John McNeil of Walmer Road Baptist church, officiated. The bride, who was given away by her mother, wore a travelling suit of French tailored serge and black velvet hat. Miss Christene Romney of Folkestone, England, school friend of the bride, assisted as bridesmaid, also the Misses Millie and Lottie Burroughs, sisters of the bride, were in attendance. Mr. Robert Morse of Toronto acted as best man. Mr. and Mrs. Genoa left later for Flesherton, where they intended to spend a short honeymoon, and on their return will reside at 108 Dupont St., Toronto.

The Scheme Failed

A Chepstow farmer put up at a Walkerton hotel He also put up a job on the proprietor that did not pan out very well. The farmer claimed that a robe which, according to his story, says the Telescope, he had purchased the day previous in Teeswater, had been stolen from his cutter. He went to the proprietor and being threatened with a suit for its recovery, Mr. Ward, to save trouble, paid Valad $10 and the latter departed. The hotelkeeper, however was not satisfied with Valad's story and on phoning to Teeswater found that he had not purchased a robe there and discovered that he had been the victim of a fraud. Mr. Ward through his socicitor, wrote a letter to Valad giving him until Saturday night to return the $10 and as was expected the money was repaid. As a warrant had been sworn out for Valad's arrest and was in the hands of the Chief, by returning the cash he got out of an unpleasant predicament and prevented the serious charge of fraud being laid against him. When asked the reason for his conduct, Valad had no excuse to offer other than he was under the influence of liquor.
