Christmas Gifts

There is a movement on foot this year for something substantial for Christmas, now that the German flimsy ware is debarred (as it should have been years ago).

Just by way of suggestion we would propose that you call in and examine our stock of furniture suitable for presents, which is unusually full this year. For instance we have rockers for mother, easy chairs for father, beautiful pictures and frames for sister, handsleighs for little brother, little rockers, dolls beds and wicker chairs and other things for little sister—something for everybody. Come in and see the latest thing in dolls beds and rockers.

Then we have the usual stock of all kinds of parlor, bedroom and dining room furniture—desks, chairs, odd pieces, secretaries—Oh! there is too much to enumerate. Come in and go over our stock yourself. Always happy to show goods and to demonstrate that our prices are as low as the lowest.

We are prepared to furnish flowers and floral designs for funerals, weddings, or social gatherings, having arranged with the Dale estate of Brampton to handle their business here.

Patriotism and Production

The first Agricultural Conference will be held in the lecture room of the Winter Fair Building, Ottawa, on Wednesday, January 20th, at 1.30 o'clock.

The conference will be presided over by Honourable Jas. Duff, Minister of Agriculture for Ontario, and will be addressed by the Honourable Martin Burrell, Minister of Agriculture for for Canada. The discussion will be led by Duncan Anderson, Orillia, Ont., and and Robt. Miller, Stouffville, Ont.

The conference is held under the direction of the Dominion Department of Agriculture, in co-operation with the Provincial Department of Agriculture, and is the first of a series which are being arranged for througout Canada, to explain and discuss conditions in counties where live stock and agricultural production will be affected by the war.

Much valuable information has been collected, with the view of presenting to farmers and business men the necessity of extending our agricultural production in order, through the development of our own resources, to take advantage of the opportunity of establishing an extensive export trade and, at the same time, to discharge our duty to the Empire by providing a more adequate supply of food stuffs for the sustenance of its army and its people. Farmers are urged to be present in large numbers to participate in this conference. It is their privilege as citizens of this Dominion to render a very effective service to the Mother Country during the coming year. What is to done and how to do it will be fully discused at the Ottawa meeting.

No Extremist

The following shows what the ultra-Grit editor of the Mt. Forest Confederate thinks of the new speaker:

The present editor of the Confederate has already extended his congratulations to Hon. David Jamieson that is to be. We have pleasure in publishing this week a letter from the first editor paying the same tribute from the standpoint of an old school-mate, neighbor and friend. Our joined hands bridge a space of nearly half a century. Mr. Stovel, no doubt, rightly ascribes Dr. Jamieson's success to his studiousness and good biblical home training. We do not wish to overdo the matter of praise, but we might just suggest that some of the amiable qualities of the member for South Grey are due to his early Grit training. Though Mr. Stovel playfully calls his friend a dyed-in-the-wool Tory, Dr. Jamieson, we think, has not gone to the extremes in Toryism of many perverts to that political faith.
