WEDNESDAY MORNING, APRIL 26, 1865.

COMMERCIAL.

FRUIT TREES.—Mr. Donnelly has just arrived with a very choice lot of fruit and ornamental trees, and a fine variety of shrubs, &c., raised in his Nurseries at Rochester. Those who want trees should call and see Mr. Donnelly, at Anderson & Ford's Wharf, as no time should be lost in planting them.

EXPORT OF CATTLE.—The steamer Pierrepont carried to Cape Vincent yesterday about 130 head of cattle and horses, 100 of which were brought from Belleville by the Watertown, and 30 by the St. Helen. There is a large drove waiting at Belleville for transportation to the Cape. The cattle export is nearly over, and very few more will be exported. Mr. John Breden has sold all his stock, comprising 500 of the finest cattle to be found in this part of Canada, all of which have been exported, via the Cape. And it is stated the Cape Ferry has carried over during the season over 2000 head of horses and cattle, besides sheep and hogs, making that part of the business very remunerative.

COAL OIL DISCOVERIES.—The Guelph Advertiser says that coal oil has been discovered near Eden Mills, in the township of Eramosa, and the fact has caused considerable excitement in that neighborhood.—Specimens of the petroleum have been sent to Toronto for analysis. The Goderich Signal says the people of that place are in a fever of excitement in consequence of the discovery of strong indications of petroleum. Tenders for the boring of a test-well have been asked for, and operations will be proceeded with at once.

CANADIAN SECURITIES.—To those who objected to the vote of $1,000,000 for fortifications, as adding to our debt, and likely, on that account, to lower the price of our securities, it may be matter of surprise that our six per cents, which went pretty well down in the eighties some time ago, rose again till, on the 27th ult., they stood at 92 to 93. Then came news of this vote and another debate on fortifications, whereupon they should have dropped; but instead of that they continued to rise, touching 97 on the 6th instant, with business done on that and succeeding days at 96.

THE DUBLIN EXHIBITION.—The collection of manufactured articles and works of art for the Dublin International Exhibition, got together by the Board of Arts &c., here consisting of 31 packages, have been forwarded to Portland for shipment by the Moravian. The Mineralogical collection, also consisting of 31 packages, was forwarded last week. A collection of various articles from the Eastern Townships was also despatched by last steamer, and collections of grain made by the Boards of Agriculture for the two Provinces, and of manufactures made by the U. C. Board of Arts, &c., go forward by the Moravian. We have already noticed the collection of woods sent from Quebec. Altogether the Canadian exhibition will be a pretty large and not discreditable one—although by no means what it ought to have been or what it would have been had action been taken in time.

MONTREAL MARKETS.—Montreal, April 24.—Flour—Receipts, 3,219 bbls; market quiet and lower; prices generally accepted; sales—strong superfine, at $4 90; city brands, $4 85; nothing done in extra or fancy; little enquiry for coarse flour; bags at $2 70.—Wheat—No transactions. Ashes—First pots $5 25, inferiors $5 70; first pearls $5 50, inferiors $5 60. Pork and butter unchanged.

MARINE.

THE ST. HELEN.—The steamer St. Helen arrived from Picton on Monday night, with a good load of freight, both for Kingston and Montreal, and left yesterday morning for Picton to take on board Major Bog's Infantry Company, of the Eastern Administrative Battalion, to be stationed at the Frontier. She left Picton at five o'clock and was to pass down during the night, making the trip through to Montreal, after landing the Company at Caughnawaga. The Canals will not be open before Saturday, and it is probable that she will have to lie in Montreal until next week.

MARINE ITEMS.—The gale gave out on Monday evening, and we had beautiful weather yesterday. A perfect calm prevailed on the lake. A number of steamers, who waited until the blow was over, left during the night and yesterday morning. The propeller St. Lawrence left at midnight for Hamilton. The propeller Indian left yesterday morning for Milwaukie, and the propeller Brantford left shortly afterwards for Toronto. All were without cargoes.—The steamer Huron left for Gananoque to wood yesterday morning, and the steamer Watertown left for Belleville with a large load of passengers and freight. The steamer Magnet, of the Royal Mail Line, left for Toronto and Hamilton.

RIDEAU CANAL.—The Rideau Canal was opened yesterday, and a number of barges and scows waiting for the last week to start, took up the line of march for the Rideau. The steamer Bytown leaves Ottawa this morning for Kingston, and will arrive tomorrow morning.

NAVIGATION IN NEW BRUNSWICK.—The St. John River (New Brunswick), was open for navigation during the first week of this month—earlier than ever before for sixty years. In 1846 it opened on the 9th of April.

THE FIRST STEAMER FROM MONTREAL.—The steamer Europa of the Richelieu Company's line, arrived from Montreal yesterday afternoon, having left there in the morning. She had 40 cabin and about the same number of steerage passengers, with a considerable quantity of freight on board.—Quebec News of Saturday.

ICE IN LAKE ONTARIO.—The steamer City of Toronto had to put back on Monday, when within a couple of miles of Niagara, owing to large cakes of ice in the lake. The passengers for Buffalo were landed at Port Dalhousie.

FROM THE CANAL.—The Canadian propeller America passed up Friday afternoon, direct from the Welland canal—the first arrival of the season.—Detroit Free Press.

SALE OF A VESSEL.—The schooner North Star was sold yesterday for $6,000. The Star is 170 tons burthen, and came out in 1854.—Detroit Free Press.

VESSELS PASSING THROUGH THE WELLAND CANAL.—ST. CATHARINES, April 24.—Propeller Granite State, Ogdensburgh to Cleveland, sundries, tug W. K. Muir, Hamilton to Windsor; schooner Melrose, Clayton to Detroit, no cargo; schooner Royal Albert, Hamilton to Owen Sound, salt; schooner Coquett, Oakville to Bedford, no cargo; schooner Perseverance, Toronto to Cleveland; barque Arabia Toronto to Collingwood, no cargo.

POLICE COURT.—Tuesday.—Abraham Lono was charged with being disorderly, and Eliza Jane Yehoe and Margaret Mitchell were charged with being drunk and disorderly. The three appear to have had a regular scrimmage in a disorderly house at the north end of Wellington Street. Mitchell, who is a regular virago, was sent to gaol for 10 days. The others were discharged on promise to leave the house. A complaint was made at the Police Station yesterday of light bread being served by a baker on one of his customers. It is high time that an inspection of the Bakeries was made. Six of the inmates of Mrs. Wright's house were arrested yesterday afternoon. Charles Agger, who was fined for selling liquor without license on Saturday, was not living under the National Hotel as stated, but had previously.

Special Notice.

We are happy to learn that the important case of the ST. ALBAN'S RAIDERS is now in Press and shortly will be published, and equally pleased to know that it will be made strictly impartial and reliable in all its bearings, being supervised with great care by the HON. J. ABBOTT.

We confidently bespeak its great success amongst the leading classes.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

A. L. MATHEWS,
General Agent, 12 Gold St., New York.

Also, Manufacturer of Mathews' Arnica Hair Gloss, the best hair dressing in use. In large bottles, price 50c. 13

The Rev. C. W. Vining who has safely returned from a journey in the East, thoughtfully brings us, among other curiosities, some of the newspapers published in Egypt and Turkey. They are in four languages, French, Turkish, Armenian and Greek. We cannot read them, but he can, and through his patience we have been gratified to learn their contents, and the materials of which newspapers are made up in the land of the Osmanlis. Our American enterprise is well represented: stoves, wooden and tin-ware, ploughs, axes and tools are advertised from this country. In each of the four languages are heralded the virtues of the remedies made by our celebrated countryman, Dr. J. C. Ayer & Co., of Lowell. They seem not to depend on their home reputation for confidence abroad, but publish the certificates of the Musselmen rulers themselves, to the cures which those medicines have made in their midst. The Rev. gentleman informs us that the whole of remedial aid employed in those countries, comes from Europe or America, as they possess no medical colleges or schools in which they have any confidence themselves. There arose the religious ideas which pervade the human family, but almost all that is useful in art or invention must be carried back to these, the earlier settlements of mankind.—Lynn News.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2m68

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
