Grey County Breeder's Club

A number of breeders of pure bred stock congregated at the Department of Agriculture, Markdale, on Saturday for the purpose of discussing the live stock sales that have been advocated by the Board of Agriculture. The need of a special organization was apparent. Consequently our County can now boast of a Grey County Breeder's Club of which the primary object is to assist in the disposal of surplus stock.

On March 3rd, the Club purposes holding a sale of pure bred cattle at Markdale at which the members will offer only their best animals. President T. L. Mercer and Secretary T. H. Binnie are now busily engaged in preparing catalogues, advertising, etc. Any breeder may offer either males or females for the sale but a full description of pedigrees and animals will be required immediately.

The holding of joint sales as carried on by Breeder's Clubs in other parts of the Province, has been the means of attracting buyers from a distance and has also greatly stimulated the purchase of good breeding animals by local men. The organization of a Breeder's Club and the holding of an annual sale should certainly strengthen the live stock industry of the County. The following officers were elected: President, T. L. Mercer, Markdale; Vice-Pres., John Boland, R. R. No. 4, Markdale; Sec.-Treas., T. H. Binnie, R. R. No. 2, Priceville; Directors, Robt Brigham, Allan Park, Jos Watson, R. R. No. 3, Priceville, R N Fowler, Dundalk, G G Elliott, Feversham; C Parkinson, Clarksburg, J F Brownlee: Ravenna, Robt Batty, Meaford, S J McKnight, Epping, Wm Sutherland, Walter's Falls, J McKenzie, Chatsworth, Alex Fleming, Kilsyth, L Bowes, Strathnairn, T Scarf, Durham, Nelson Perdue, Massie.

Mr. John Bridges of Chaffey township is among the farmers of this District who knows how to make money out of beef. And the secret of his success is not wholly explained by the fair market price he is able to get, but is due largely to his attention in the care and feeding of his animals. On Thusday he brought to town the carcass of a nine months old calf and he went home with the pockets of his jeans bulging out with the $65 31 he received in exchange. The meat brought $52.71, and the hide $12.60. The animal dressed 502 pounds and he received 10½c. per pound. The 90 pound hide he sold 14c. per pound.—Burks Falls Arrow.

The first lot of four, sold in London on January 5th, brought $650,000, which will be divided among the men of the whole navy. The old custom was to give all the prize money to the officers and crew of the ship that made the capture.
