THE BOTHWELL OIL REGION.—The Bothwell Land Petroleum Company, whose chief stockholders are residents in Scotland, have recently made large purchases of land here. They have not condescended to take leases, but have bought "right out" the following named property:—

Lot 10 and part of lot 11, and lot 14 6th concession, Zone.

Lots 3, 4, 5, 6, part of lots 9 and 10, lots 11, 12, 13, 14, and 15, 7th concession, Zone.

WHOLESALE GROCERY MARKET.

Montreal, April 28.

There has been a fair amount of business done in staple and general groceries during the week. There is an improved tone in business circles, and a more hopeful future is looked forward to.—It is to be hoped that the great lessons derivable from the recent trials of the mercantile community will not soon be forgotten.

TEAS have been dealt in more freely. Some considerable sales have been made for export at about former values. Latest repo.ts noted Tea, as firm in London.

SUGARS are quiet at former prices, say 8¼c to 8c for Cuba and Porto Ricos in round lots. Refinery prices are as given in last review.

MOLASSES quiet dull and nominally a before quoted.

MARINE.

MARINE ITEMS.—The schooner Marco Polo has arrived at Garden Island with 12,000 pipe and 6,000 West India staves from Hamilton. The steamer Huron has passed down from Hamilton to Montreal with a full load of flour and other freight. The schooner Tecumseh passed through the Welland Canal for Kingston on Friday.

Father Point, April 27.

The steamer Advance arrived at 2 p.m., and left to return about 2 30. The ship Shandon passed up about 4; reports no ice in the Gulf; passed 2 vessels yesterday; misty; fresh breeze from N. E.

ARRIVAL OF THE NORTH AMERICAN.—Portland, April 27.—The steamship North American, Captain Kerr, from Liverpool on the 13th, via Londonderry on the 14th instant, arrived here at 8.45 this morning. She makes the following report:—"On the 22nd of April, in lat. 47.13, long. 45.29, passed the bark Arethusa, bound west."

A DISTRESSING CASE.—The 'Olive Branch,' a schooner of 100 tons burden, Captain Thomas Peters, of Portscatho, sailed out of St. Mawe's River on the 23rd of February, laden with copper ore, bound for Liverpool, and has not yet been heard of since. She appears to have foundered or been run down as fragments of her have since been picked up. By this melancholy event the captain's wife has been bereaved at a stroke, of husband, eldest son, a youth of fifteen, and son-in-law, and left with a family of ten children, one of them born since the event, all unprovided for.

LAUNCH AT QUEBEC.—Mr. W. H. Baldwin launched from his yard, on the St. Charles, on Tuesday morning, a ship named the Royal Family, of about 1200 tons, and of the following dimensions:—Length of keel 28 feet, over-all 192 feet, breadth of beam 37feet 6 in, depth of hold 23 feet 10 in. This ship has been finished, braced with iron stringers, and stayed throughout in a very superior manner. Every care possible has been taken to have her classed A 1. Her outline is very beautiful, and reflects the highest credit on her builder. We hope that Mr. Baldwin will receive a suitable price per ton to reward him for the great expense and care he has taken in the build of this first-class ship. On Saturday morning Mr. Baldwin was to have launched another ship of about 1300 tons, to be called Her Royal Highness.

POLICE COURT.—Saturday.—Jimmy McKeown and George Scobell were charged with drunkenness. Jimmy made another promise, 'that on his honor as a gentleman he would'nt get drunk again,' and was discharged. Scobell was fined $1. Jack O'Shea was charged with assaulting Mose Egan. Conflicting statements being made by the parties and their witnesses, the case was dismissed. William Proctor and John Harris, boys of about 15 years of age, were charged by Jane Hackett with stealing a quilted petticoat from a trunk in the upper part of her house. Several other articles were taken from the house, but none but the petticoat has been recovered. Ann McKeller deposed to buying the petticoat from Proctor, who said that his mother had sent him to sell it. Harris was present when he sold it. The petticoat being produced was identified by the prosecutor. The boys were committed for trial at the next Recorder's Court, which will keep them off the streets for a month or so, they being a regular nuisance on them.

IN THE YEAR 1845

Mr. Mathews first produced the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material; but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

New Bedford, MASS., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

The Rev. C. W. Vining who has safely returned from a journey in the East, thoughtfully brings us, among other curiosities, some of the newspapers published in Egypt and Turkey. They are in four languages, French, Turkish, Armenian and Greek. We cannot read them, but he can, and through his patience we have been gratified to learn their contents, and the materials of which newspapers are made up in the land of the Osmanlis. Our American enterprise is well represented: stoves, wooden and tin-ware, ploughs, axes and tools are advertised from this country. In each of the four languages are heralded the virtues of the remedies made by our celebrated countryman, Dr. J. C. Ayer & Co., of Lowell. They seem not to depend on their home reputation for confidence abroad, but publish the certificates of the Musselmen rulers themselves, to the cures which those medicines have made in their midst. The Rev. gentleman informs us that the whole of remedial aid employed in those countries, comes from Europe or America, as they possess no medical colleges or schools in which they have any confidence themselves. There arose the religious ideas which pervade the human family, but almost all that is useful in art or invention must be carried back to these, the earlier settlements of mankind.—Lynn News.

HAS JUST RECEIVED HIS FIRST ASSORTMENT OF

SPRING GOODS FOR 1865!

THREE CASES NEW DRESS GOODS,
ONE CASE STRAW HATS,
ONE CASE FANCY BUTTONS AND TRIMMINGS

SPECIAL.

S. Carsley begs to state that the Dress Department will receive his special attention during the coming Spring and Summer trade. The error that most of the stores make of filling their shops full of common stuff, from 7½d to 1s per yard, will be avoided.—Neither will the plan of some leading stores in this and other cities be adopted, of buying a scanty assortment of first-class goods, and making them at unreasonably high prices.

THE AIM WILL BE

To show a large assortment of First-Class Goods, at from 3 dollars to 5 dollars per dress, or from 1s. 3d. to 2s. 3d per yard.

☞ CALL AND SEE THEM.
