MRS. MAXWELL'S TESTIMONIAL.
New York, Dec. 23, 1862.
Knowing positively that Reeve's Ambrosia produced a beautiful head of hair for Mr Lizzie Shepherd, of Brooklyn, N.Y., I was induced, thereby, to use it thoroughly. I needed something for my hair, it being short and thin; had used only one-half dozen bottles when I could plainly notice an increase in its length, strength and beauty. An experience of about two years has proved a complete success. My hair is now, by measurement four feet ten inches in length; nearly reaching to the floor. I have allowed my photograph to proclaim the merits of Reeves' Ambrosia to the world.

New Juvenile Music Book.
By L. O. Emerson, Author of the "Golden Wreath," "Harp of Judah," &c.
MERRY CHIMES;
MERRY CHIMES; containing Elementary Instructions, Attractive Exercises, and Several Hundred Popular Songs.
This New Book will be found superior to all similar Works, in many points essential to its success as a popular Instruction Book in Vocal Music and Collection of Melodies for the Young.
The Elementary Department contains just those peculiar Elements that attract and retain the attention of Children. The Songs are not old and time-worn—sung through a dozen books—but New and Sparkling, adapted to all occasions, and alive with the Spirit of Times.
A large number have been written expressly for this work. The Melodies are equally good, and include very many Compositions never before published.
All who have examined this work predict for it a success beyond that of any similar publication.
Price 50 cents a copy—$5.00 a dozen.
Specimen Pages containing several choice pieces will be sent to any one on application.

Ice, Ice, Ice.
GREAT EXCITEMENT IN ICE.
Opposition is the Life of Trade!
THE UNDERSIGNED, in returning his sincere thanks for the liberal support he has received from the inhabitants of the City of Kingston for the last twenty years, begs to state that he is still able, willing and ready to commence to supply House Keepers, Hotel Keepers, Steamboats, Schooners, &c., &c., &c., on the most reasonable scale. He begs to state at the same time, that he has a good clean supply of Ice. It has not been taken out of the vicinity of Bell's Island, nor yet is it taken from the vicinity of Morton's Hog Pens, Cattle Stalls and Brewery Sockage, nor that of the Provincial Penitentiary, where the inhabitants of the city can best judge what quality of Ice can be procured in that quarter. His Ice is taken out of a good locality, in the neighborhood of Barriefield, near the landing of the late Major Addlen. Hoping to still merit a continuance of that liberal support he has received heretofore,
Respectfully,
ROBT. SPENCER.
