SCHOONER "L. D. COMAN."—This vessel, which was driven ashore on Lake Huron, near Port Austin, a few days since, has been abandoned, and is now fast going to pieces. The tug Muir, which went to her relief on Friday last, returned yesterday being unable to approach near enough to the wreck to extend a line to her or place a steam pump on board. The Coman was an old vessel, having come out in 1848, since which period she has undergone partial repairs. She was 165 tons burthen, was built at Erie, Pennsylvania, and is at present owned by John Johnson, of Port Huron.—Detroit Free Press.

LAUNCHES AT ST. CATHARINES.—On Monday afternoon Mr. Shickluna launched a fine new schooner from his dock-yard in this town, amidst the enthusiastic cheers of a multitude of spectators. The vessel was named the Mary Merritt, and the christening was performed by a daughter of H. C. Barwick, Esq. The new vessel is a beautiful specimen of naval architecture; indeed she could not be otherwise after coming from the skillful hands of Mr. Shickluna.—Mr. Simpson also launched a large and powerful tug-steamer from his ship-yard to-day. She is to be employed at Port Colborne, and will be despatched thence as soon as her machinery is completed.—Constitutional.

POLICE COURT.—Saturday.—Richard Kennedy, a boy about eight years of age, came to the Police Station on Friday night for protection, and having no home, was remanded. His mother got on the spree, and left him to take care of himself, and having no place to stay for the night, he came to the Police Station. He will be kept until the Police can find his mother. William O'Neil got tight and kicked his brother's door open, inflicting no further damage than a smashed foot. His brother gave him in charge. He was fined $2. Adelaine Crimps, a vagrant, was discharged, on promising to leave the city.

THE CASE OF JORDAN.—An application was made before Judge Draper on Saturday to admit Mr. Jordan to bail. The Judge asked the Counsel who made the application, to account for Jordan's having the loaded revolver in his possession. He would give his decision this day.

The Rev. C. W. Vining who has safely returned from a journey in the East, thoughtfully brings us, among other curiosities, some of the newspapers published in Egypt and Turkey. They are in four languages, French, Turkish, Armenian and Greek. We cannot read them, but he can, and through his patience we have been gratified to learn their contents, and the materials of which newspapers are made up in the land of the Osmanlis. Our American enterprise is well represented: stoves, wooden and tin-ware, ploughs, axes and tools are advertised from this country. In each of the four languages are heralded the virtues of the remedies made by our celebrated countryman, Dr. J. C. Ayer & Co., of Lowell. They seem not to depend on their home reputation for confidence abroad, but publish the certificates of the Musselmen rulers themselves, to the cures which those medicines have made in their midst. The Rev. gentleman informs us that the whole of remedial aid employed in those countries, comes from Europe or America, as they possess no medical colleges or schools in which they have any confidence themselves. There arose the religious ideas which pervade the human family, but almost all that is useful in art or invention must be carried back to these, the earlier settlements of mankind.—Lynn News.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

" * * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Narsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 3mo88

Ice, Ice, Ice.

GREAT EXCITEMENT IN ICE.

Opposition is the Life of Trade!

THE UNDERSIGNED, in returning his sincere thanks for the liberal support he has received from the inhabitants of the City of Kingston for the last twenty years, begs to state that he is still able, willing and ready to commence to supply House Keepers, Hotel Keepers, Steamboats, Schooners, &c., &c., &c., on the most reasonable scale. He begs to state at the same time, that he has a good clean supply of Ice. It has not been taken out of the vicinity of Bell's Island, nor yet is it taken from the vicinity of Morton's Hog Pens, Cattle Stalls and Brewery Sockage, nor that of the Provincial Penitentiary, where the inhabitants of the city can best judge what quality of Ice can be procured in that quarter. His Ice is taken out of a good locality, in the neighborhood of Barriefield, near the landing of the late Major Cuddies. Hoping to still merit a continuance of that liberal support he has received heretofore,

Respectfully,
ROBT. SPENCER.

N. B.—Ice delivered throughout the whole summer, SUNDAYS NOT EXCEPTED, from 5 o'clock A.M., till 10 P.M., and in cases of emergency can be had at all hours at his dwelling house, head of Princess Street, opposite to Mr. Denis Branigan's New Brick Block.
