In Flesherton the movers do not wait for the first of May as in the cities, but take it when they can get a house. There has been a lot of shuffling around the past winter and this week sees four or five families changing domicile. T. Fisher, barber, is taking the Stewart residence vacated last week by R. Moore; B. Welton will occupy the Andrew Benham residence; Thos. Fisher, who has occupied the Baptist Chapel residence has moved to his farm at Rock Mills, and R. Porteous is taking the place vacated by him.

To the Editor of The Advance:—We noticed an item in the Priceville correspondence last week in regards to a hockey game played there some time ago. Now to begin with we think it enough for a player to drive six miles to play and oblige the boys without having his playing criticized in the papers. If Priceville had such a star with them in Swinton Park please tell us why Swinton Park won the game, whereas when Swinton Park came back to Priceville they did not get a goal. Now if all the Priceville hockey boys live in Priceville, why did they not play the game that was to be played last Saturday afternoon. — A Hockey Fan.
