Born—At Forward, Sask., on April 28th, to Mr. and Mrs. Robt. Pallister, a daughter.

Mr. Arnold Thurston of the Exhibition camp at Toronto was home on a couple of days' leave of absence this week.

Saturday was the first fishing day of the trout season, and though cold and damp, a number of enthusiasts visited the streams and report fair success.

Rev. Joseph Dudgeon of Rosemont, who has been the guest of his brother, Rev. James Dudgeon, preached in the Methodist church on Sunday, morning and evening, to large congregations.

Mrs. W. E. Dyer of Port Huron, Mich, is visiting her sister, Mrs. Joseph Blackburn. Mrs. (Rev.) Ayers is also on her annual visit with her daughter.

A cake social, under the auspices of the Red Cross workers, will be held in the town hall on Saturday, May 8. All interested will kindly contribute.—Maud Richardson, President.

Mrs. J. W. Armstrong returned from Toronto last Saturday, where she has spent the past three months. She was accompanied by her daughter, Mrs. T. Aikenhead, and grand daughter, Mrs. A. Keith.

Mrs. Hannah Pedlar of this place, who is 75 years of age, has knitted over fifty pairs of socks for the soldiers during the past winter. Mrs. Jamieson has knitted 49 pairs. It will be seen by this that at least a portion of our womenfolk are doing their bit towards kicking the German polecats out of France and Belgium.

Dundalk High School baseball team invaded this town on Monday night and defeated the students here in a game by the score of 18-12. The game was very good at times, but the very unfare decision of the Dundalk Umpire got the local boys up in the air on several occasions. The boys are very anxious to get another try with a square umpire.

About forty members of the Markdale Epworth League visited the Flesherton Epworth League on Monday evening of this week. Addresses were given by Rev. W. W. Wallace of Markdale on "The Surrendered Life," and Rev. Jos. Dudgeon of Rosemont on "Our Motto." The Markdale friends gave also some musical numbers and a reading, which were much appreciated. At the close of the program a social time was enjoyed in the basement.

The Advance has received a letter of complaint regarding the personal nature of some of the news supplied by our Osprey Gravel Road correspondent, claiming that he has a "pick" at two or three parties and inserts spiteful items. The Advance tries to omit anything of that nature, but occasionally something passes the editorial pen that should not be printed. We appeal to our correspondent to be more careful. Personal feelings should never find vent in the columns of a newspaper.

Try a want ad. in The Advance. You are always sure to get good results.

Mr. Frank Duncan, hardware man, has installed a Bowser gasoline outfit capable of discharging and measuring 15 gallons per minute. This will be a great convenience to automobile men.

It is said that the best trout fishing in this section is being utterly destroyed by the strangers who come among us in connection with the hydro development. Their fishing appears to be practically all done on Sundays, too, when they literally swarm on the fishing grounds. It seems a pity that this should be allowed. Important personages in connection with the hydro have set a bad example and the smaller fry follow suit with enthusiasm while there appears to be none to say them nay. It would not be difficult to get a few convictions and it is hoped that somebody will get busy and have a stop put to the Sunday fishing before the trout are utterly annihilated.

An accident occurred at the hydro works, Eugenia, last week, which is likely to delay matters considerably. This happened at the headgates, where there is a 20-foot cutting. The filling behind the gates proved too great a pressure for the large wooden pipe beneath and crushed it in. The mishap will necessitate the shovelling out the 20-foot fill once more and replacing the wooden with a strong cement pipe, and it is expected the work will occupy some three months to complete. The cement tank beneath the surge basin has not yet been started, and will also require three months to complete and make ready for the pressure, so that sometime in August would be the earliest moment that the power could be turned on.

Wounded at the Front

In the terrihe battles fought at Langemarck and St. Julien, Bert Jamieson, son of Mrs. Jamieson of Flesherton, was reported seriously wounded. Later word received by Mrs. Jamieson says that her son is suffering from the German gas poisoning and that his condition is serious. He is in No. 2 hospital at Boulogne.

Private S. K. Hurd of the Governor General's Body Guard, was also reported wounded. Private Hurd is a son of John H. Hurd of Toronto, and a nephew of Henry Hurd of Kimberley. He has visited here and was known by many.

We trust that both the boys mentioned above will pull through.

Mrs. E. E. Gamey Dead

After several years of illness, Mrs. E. E. Gamey died at the home of her daughter, Mrs. E. G. Ford, 1193 East Lincoln Street, Portland, Oregon, on the morning of April 8th.

The funeral took place from her daughter's residence on the following Saturday afternoon at 2 o'clock to Mount Scott Park cemetery. Mrs. Gamey was 66 years of age, and leaves to mourn her loss the following family: Ernest Phillips, of Edmonton, Alberta; Charles H Phillips, of Nelson, B. C.; Mrs. A. H. Argus, of Los Angeles; Mrs. A. H. Knockie and Mrs. E. G. Ford of Portland, Oregon. Mrs. Gamey used to live near Maxwell, until she went to her daughter's in Winnipeg. She was preceded by her two sons, Wendel, who died last June, and an elder son, who died this winter in Portland, Oregon.

Her many friends regret her loss and the sorrowing family have the sympathy of the people of this district.

Frank Inkster, of Red Deer Hill, Sask., was sentenced to five years in the penitentiary on a charge of administering a drug to procure an abortion.

There is a movement on foot this year for something substantial for Christmas, now that the German flimsy ware is debarred (as it should have been years ago).

Just by way of suggestion we would propose that you call in and examine our stock of furniture suitable for presents, which is unusually full this year. For instance we have rockers for mother, easy chairs for father, beautiful pictures and frames for sister, handsleighs for little brother, little rockers, dolls beds and wicker chairs and other things for little sister—something for everybody. Come in and see the latest thing in dolls beds and rockers.

Then we have the usual stock of all kinds of parlor, bedroom and dining room furniture—desks, chairs, odd pieces, secretaries—Oh! there is too much to enumerate. Come in and go over our stock yourself. Always happy to show goods and to demonstrate that our prices are as low as the lowest.

We are prepared to furnish flowers and floral designs for funerals, weddings, or social gatherings, having arranged with the Dale estate of Brampton to handle their business here.
