Christmas Gifts

There is a movement on foot this year for something substantial for Christmas, now that the German flimsy ware is debarred (as it should have been years ago).

Just by way of suggestion we would propose that you call in and examine our stock of furniture suitable for presents, which is unusually full this year. For instance we have rockers for mother, easy chairs for father, beautiful pictures and frames for sister, handsleighs for little brother, little rockers, dolls beds and wicker chairs and other things for little sister—something for everybody. Come in and see the latest thing in dolls beds and rockers.

Then we have the usual stock of all kinds of parlor, bedroom and dining room furniture—desks, chairs, odd pieces, secretaries—Oh! there is too much to enumerate. Come in and go over our stock yourself. Always happy to show goods and to demonstrate that our prices are as low as the lowest.

We are prepared to furnish flowers and floral designs for funerals, weddings, or social gatherings, having arranged with the Dale estate of Brampton to handle their business here.
