A branch of the Patriotic League was formed here last week with Rev. Kerr President, D McTavish vice president, F. H. W. Hickling secretary and Geo. Mitchell Treasurer. A canvas of the town will be made on Friday of this week in order to give the citizens an oportunity to contribute.

The Advance had a short call from Bre't Irwin (Durham Chronicle), Miss Rita, and Mrs. Frank Irwin on Friday last. The party were taking a motor trip via Collingwood, Thornbury, Meaford and Owen Sound as a sort of constitutional. The weather was bad but they expected to make home the same night.

Miss H. McMurchy of Toronto addressed the Women's Institute last week, her subject being "Women's work in time of war". The speaker outlined the work which women can do to help bring the war to a victorious close; but practically work is not all that we should do. We should read, not only the newspapers, but books, and she mentioned some books that would give a good idea of the cause which lead up to the war. While the monthly business part of the meeting was receiving attention, Miss McMurchy was busy with her grey sock; she thought that the thirty four women present (one was nursing a small child) should have had their knitting with them. The members were charmed with Miss McMurchy's address, and hope that she may be returned some time in the future.

The Advance had a pleasant call one day last week from Mr. W. B. Whyte, of Heward, Sask. This young man is a son of Mr. Alex. Whyte of the Durham Road. He went west about six years ago and has prospered. He says crops in his district have been good for the past three years and give evidence of another bumper crop this year. Mr. Whyte is visiting his parents for a few weeks.

An Italian at Eugenia was relieved of $205.00 on Saturday last. The thieves entered his room where he was sleeping and removed the money from his pants pocket. Two suspected Bulgarians were arrested for the crime and brought before the magistrate, but there was not sufficient evidence to commit. In the haul were two fifty dollar bills and the whereabouts of these bills has not been discovered.

Owen Sound Westside Methodist Sunday School's annual Excursion to Toronto, Niagara and Soldiers' Concentration Camp, via C.P.R. to Toronto, and Canada Steamship Lines to Niagara, on July 17th. Running on Saturday makes this the most popular summer outing of the season. Information cheerfully furnished by any Methodist clergyman in your locality. See big bills later.

Two Flesherton automobile men were charged with exceeding the speed limit in Collingwood during the past week. With the blue paper came the intimation that five dollars and costs would pay the bill. Both parties strenuously deny exceeding the fifteen miles but found it cheaper to pay than fight, so decided to settle and shake the dust of Collingwood off their feet forever. They think it a good town to stay away from hereafter.

The Methodist garden party last week was a big financial success, the proceeds amounting to $120.50. The attraction was two very interesting baseball matches, one between a team of Dundalk girls and the Flesherton high school girls. The visitors secured the victory. Score, 15-17. The other match was a short game between Vandeleur and Markdale. Score, Markdale 3, Vandeleur 1. Flesherton band enlivened the evening with music.

According to the first draft of Methodist stations there is only one change on the Owen Sound district, F. N. Bowes being sent to Priceville. Bills are out for a monster celebration in Flesherton on July 1st. The day's sport starts at 10 a. m., when there will be a grand calithumpian procession, after which comes the greasy pig contest on the market square. The afternoon program commences at 1 o'clock, when there will be a baseball tournament consisting of Kimberley, Markdale, Dundalk and Flesherton teams. After this there will be a Ladies' baseball match between McIntyre and Flesherton. Good prizes are given and every game will be a good one. In the evening a grand concert will be given in the High School, when Dundalk talent will present a three act play, entitled, "Captain Rackett." This is an excellent play, and those who miss it will miss the best concert ever given in Flesherton. Accommodation for the day will be plentiful, as the Presbyterian church will serve dinner as well as the two hotels. We hope to see you all out for a good day's sport.

County Court in Session

The June sittings of the County Court and General Sessions opened before His Honor Judge Sutherland on Tuesday afternoon, and are still proceeding. There were on the list, three civil cases and two criminal cases.

The first case tried was an action for damages by James Smith, a Sydenham farmer, against W. E. Tottenham, who operates a threshing machine. Smith claimed damages for injuries received by being caught in a belt, because of Tottenham starting the machine without giving warning. A verdict for the defendant was entered, on the answers of the jury. Middlebro & Spereman for plaintiff; Wright, Telford & McDonald, for defendant.

Rex. vs. McKenzie and Vaughan, a criminal case, was finished yesterday, the accused parties being found guilty of causing bodily injuries to Miss Gertrude Walker of Markdale. This case dates back to March, 1914, when Miss Walker, while driving near Markdale, met two rigs racing along the road, one of which was driven by the two young men mentioned, collided with her buggy, smashing it to pieces and causing her serious injuries, from which she was in the hospital for several months, and has not yet entirely recovered. The jury brought in a verdict of guilty, and a sentence will likely be delivered today.

Rex vs. Leslie, a charge of assault causing bodily harm, laid by John McDonald against Alex. Leslie, both farmers near Springmount, is still being heard. The alleged assault took place in March last, when Leslie is said to have struck McDonald on the head with a stake from his sleigh rack, inflicting a wound which required several stitches to close up. A verdict for $30 was given.

There are two other cases to be tried both civil cases. One is an action brought against Harper, Boettiger and Buckle by one Craft, to recover money in connection with the sale of western land, which is claimed to have been misrepresented by the defendants. All the parties reside in Normanby township. Judgment reserved.—Advertiser.

$10.00 Reward

A reward of ten dollars will be paid to any one giving information which will lead to the conviction of the individuals who have been breaking glass in the windows of the Presbyterian Church, Flesherton.

There is a movement on foot this year for something substantial for Christmas, now that the German flimsy ware is debarred (as it should have been years ago)

Just by way of suggestion we would propose that you call in and examine our stock of furniture suitable for presents, which is unusually full this year. For instance we have rockers for mother, easy chairs for father, beautiful pictures and frames for sister, handsleighs for little brother, little rockers, dolls beds and wicker chairs and other things for little sister—something for everybody. Come in and see the latest thing in dolls beds and rockers.

Then we have the usual stock of all kinds of parlor, bedroom and dining room furniture—desks, chairs, odd pieces, secretaries—Oh! there is too much to enumerate. Come in and go over our stock yourself. Always happy to show goods and to demonstrate that our prices are as low as the lowest.

We are prepared to furnish flowers and floral designs for funerals, weddings, or social gatherings, having arranged with the Dale estate of Brampton to handle their business here.
