The Flesherton Advance.

VOL. 60; NO. 37 — FLESHERTON, WEDNESDAY, FEBRUARY 12, 1941 — W. H. Thurston & Son, Props.

Maxwell United Church

REV. GEO. L. MERCER, S.D., D.D.
Minister

SERVICES

SUNDAY, FEBRUARY 16th
11 a.m. — Eugenia.
3 p.m. — Wareham.
7.30 p.m. — Maxwell.

Note: Services next Sunday will be held as announced for Feb. 9th. Accordingly there will be no service in the Mt. Zion church.

Dr. Mercer's sermon theme will be "The Man Who Could Sing in the Face of Calamity." A good attendance at all services next Lord's Day is anticipated.

THRO'-THE-WEEK MEETINGS

The young people of Eugenia church meet tonight (Wednesday) at 8 o'clock and the youth of Maxwell on Friday evening in the chuhch hall. The Fellowship convenor will be in charge of the program and will give a talk on "Building and Sailing the Ship of Life." All young people invited — yes! Young or old.

Flesherton United Church

REV. G. K. McMILLAN, B.A., B.D.
Minister

11.00 a.m. — Worship Flesherton.
2.00 p.m. — Worship Ceylon.
7.30 p.m.—Worship Flesherton.

Gospel Workers' Church

Feversham, Ont.
Rev. C. McNichol, Pastor

Sunday School at 10.00 a.m.
Morning Service at 11.00 a.m.
Evening Service at 7.30 p.m.

When a fire was put on in the morning in a school house near St. Thomas the stoking was so good that the school burned.

Flesherton Baptist Church

Minister: Rev. Fred Ashton

Services—Flesherton.
11 a.m. Worship.
12 noon, Bible School.
7 p.m., Gospel Service.
Rock Mills—
2 p.m., Bible School.
3 p.m., Worship.
Monday at 8 p.m. Y. P. Service.

The Y. P. S. had a splendid program presented to them Monday night with the president in charge. Miss Virginia Wilson gave a very profitable talk on Fanny Crosby, the blind Humn Writer. The chorus blind Hymn Writer. The chorus was thoroughly enjoyed by all and Mr. Roy Langford assisted with his trombone, with Mrs. D. Williams at the piano. The attendance was the largest yet, but it is believed that next Monday will be larger still, as many will want to be in on the Bible Contest Game.

Next Sunday weather permitting the Rev. Mr. Ashton will preach at Rock Mills at 3 p.m. Mr. Roy Langford will assist in the music with his trombone and a good tme is expected

Card of Thanks

Mrs. W. S. Inkster and family wish to express their appreciation and gratitude for the assistance of friends during the time Mr. Inkster was confined to the house and for the many expressions of sympathy extended to them in their bereavement.

A speaker at the farmers' meeting in London recently gave the following interesting facts: in 1903 a binder could be bought for 100 bushels of wheat; in 1920 it cost 98 bushels of wheat, and in 1940 it cost 600 bushels of wheat.

"THE TASK WILL BE GREATER IN 1941"

Canada's rapidly expanding production for war purposes will require increasing sums of money. That is why the Prime Minister warned Canadians in his New Year's broadcast that the year ahead demands more effort and more sacrifice.

Every man, woman and child is asked to lend. Every dollar you lend will help to put another man in a job — making more munitions. Every dollar you lend may save a soldier's life — help to shorten the war. Small wage earners must carry their share of the burden, too.

Private Secretary For Minister of Public Works

Miss Elsie Fisher, daughter of Mr. and Mrs. George Fisher of Ceylon, is now the private secretary of Hon. F. R. Oliver, Minister of Public Works, at the Parliament Buildings, Toronto. Miss Fisher has been a stenographer in the Ontario civil service for the past two years and excellent work has been rewarded in her selection for the important duty she is now engaged in. Her many friends in this district are pleased to hear of her advancement.

ARMY SCHOOLS WILL PROVIDE MECHANICS

Designed to meet needs of the Military forces without further depleating the supply of skilled workers for industry, an Army Trades School with accommodation for 2,000 students will open in Hamilton about May 1st next.

Eligable for the course will be those who have first completed their basic military training and, who, under intensive coursese in the trades for which they have been selected at a civilian technical school, have learned the fundamentals of such trades.

Already some 3,000 soldiers have commenced, or are about to commence the preliminary training establishments. Before being admitted to the Army Trades School they will also have practice at a military training centre or unit. In the case of the less technical trades, only this practice will be required to complete training.

The scheme is designed for the purpose of providing the army with tradesmen whose work is necessary for effective functioning in the field. Mechanization of the armed and the development of weapons and equipment of a highly technical nature make necessary the employment of large numbers of skilled tradesmen to repair, maintain and operate the complicated machines, weapons, equipment and instruments of modern warfare in all arms of the Service, authorities point out.

$10.00 Pair For Bottle Of Pure Maple Syrup

Mrs. E. A. Duncan of The Wiarton Echo. tells the following story in a recent issue in her column, "As a Woman Sees it": A woman had been visiting a relative in Wiarton in the prohibition days and had enjoyed the maple syrup which was in season. She decided to take some home with her but was unable to lay her hands on a container. Finally she got a whiskey bottle and the maple syrup was poured in and the bottle corked and she put it in her bag. On the train en route for her home she went into the washroom and was gone some little time. Some time later she got off the train and happened to glance in her bag. There was no bottle, but there was a note which said. "Lady, my need is greater than thine!" and attached to the note was a ten dollar bill. Pretty expensive maple syrup.

A shipment of Canadian wheat is on its way to Spain. It is hoped Franco's promise to do the right thing is as good as the wheat.

Future Events

A dance will be held at Kimberley on Friday, Feb. 14th, with music by the Markdale Old Mill orchestra. Lunch served. Admission 25c.

A sale of homemade baking and afternoon tea will be held in the Frateranal' Hall, Flesherton, on Friday Feb. 14th. Proceeds in aid of the Red Cross.

A Carnival is being held in the Arena, Flesherton, on Wednesday February 19. There will be many good prizes and attractive events. Owen Sound Citizens Band is expected to be on hand to supply music. Admission 35c and 20c. Come on out and enjoy a good time. Don't forget

A euchre will be held in Priceville school on Friday, Feb. 21st at 8 p.m., under the auspices of the W. I., for Red Cross work. A large attendance is expected. Good prizes. Lunch served. Admission 20c.

Drive Commences For War Savings

Flesherton is definitely in the war this week with the launching of the campaign for the sale of War Saving Certificates.

Britain cannot win the war without money, and vast sums of it. Canada cannot take part effectively without contributing fabulous amounts towards the expense. In the midst of a desperate war, Canadians are asked to save and lend all that they can afford providing the necessities of decent, plain living for them selves and their families. Five per cent of the average bread-winner's income is not regarded as too much to ask as an investment in war savings to support the country's war effort.

Mr. S. L. Stauffer has accepted the arduous duties of campaign manager for Flesherton and he should have the backing and moral and monetary support of every liberty-loving and loyal citizen. Let the popular response be speedy and generous.

The appeal to war savers is to purchase individually from one certificate a month to ten certificates a month which is the greatest amount allowed to any investor.

The payment for a certicicate is not a gift, it is a loan at about 3 per cent interest. For every $4 you invest you get back at the end of 7½ years, $5.

We all know something about the issues to stake. As King George once put it: "In this war we are all on the 'ront line." In this campaign our sincerity as Canadians, as Britishers, as lovers of the human race is put to the test.

Many of us have no doubt been longing for some way in which we were really helping to win the war. W have this opportunity within our reach. All that is necessary is to adjust our scale of living in order to have available the money from our earnings to lend to Canada in the form of war savings. Every certificate one buys is a blow against Nazi-ism. As the Chesley Enterprise puts it:

"The zero hour on the home front is here and luckily for us there is still time to act." We need not wait for a canvasser to ask our support, but can go to our bank or post office and join the Army of War Savers now and make sure that we win the war.

ATTENTION! Flesherton Civil Guard

It is imperative that all members will attend a special meeting on Wednesday Night, Feb. 12th in the Town Hall at 8 p.m. when a committee will be formed to organize the campaign for War Savings Certificates. Workers willing to assist the Civil Guard in this vital effort will be welcome at this meeting, the nature of which should point out to you where your duty lies. Buy War Savings Stamps and save for victory.

—S. L. STAUFFER, Chairman
O. C. Civil Guard

SOLD RESTAURANT

Mr. Cecil Nelson, proprietor of the Quality Restaurant for the past two years, has sold the stock and equipment to Mr. Raymond Sit Sup, proprietor of the Madison Cafe and left on Wednesday to reside in Owen Sound. Mr. Nelson was highly regarded by a wide circle of friends, who wish him the best of success.

BIRTHS

STEWART — In Owen Sound G. & M. Hospital on Saturday, February 8th, 1941, to Mr. and Mrs. Kendall Stewart, a daughter.

DIED

STEWART — At the Owen Sound G. & M. Hospital on Saturday, February 8th, 1941, infant daughter of Mr. and Mrs. Kendall Stewart of Flesherton.

Soak an orange for five minutes in boiling water before peeling. The white lining will then came off with the skin.

W. J. Bellamy Retires; 30 Years Secretary of High School Board

It was with sincere regret that the Flesherton High School Board received the resignation of its veteran secretary-treasurer at its annual meeting last week. Mr. Bellamy has been a capable officer of the Board since its inauguratioin 31 years ago, and has rarely missed a meeting. His long experience and familiarity with educational and municipal law and practices have made him an invaluable executive and advisory member. At the urgent request of the Board, Mr. Bellamy has agreed to retain his connection in an advisory capacity, and expressed his desire to continue serving in the cause of education in this community.

The meeting appointed Mr. Roy Piper, a member of the Board and the retiring chairman, as secretary-treasurer, succeeding Mr. Bellamy. Dr. J. E. Milne was elected chairman of the Board, R. Allen as vice-chairman, while the managing committee is composed of Dr. Milne, Mr. Allen and Mr. Piper.

MILITARY SERVICE NOW FOUR MONTHS

Replacing the originial 30-day military training scheme under the National Resources Mobilization Act, the first of a four-months' training plan will begin about March 15, when it is planned to call up between 6,000 and 6,500 men, and the same month each month afterward, according to announcement made last week by the Prime Minister.

Those to be called, according to present arrangements, are all young men as they reach the age of 21. There will be no exemptions, though postponments may be worked out by the Boards of Review in the different districts.

The four months' period of training will be divided into basic training for two months and advanced training for a further two months. At the end of the first two months those who volunteer and are accepted for the Royal Canadian Navy of Air Force will be withdrawn and will go to Naval or Air Force schools. The others will go to advanced Training Schools where special training will be given in the particular arm of the service to which they are posted, preference being given as much to the branch of the service for which each would like.

At the end of four months, and unless the recruit desires to volunteer and is accepted for some active unit he will be posted to reserve unit and will return to civil life, being liable to recall if he should be required for service in Canada or for additional training.

Military Hospitals Provide Care on Spot in Canada

Some 40 military hospitals with a capacity of 4985 beds, not including those attached to the training centres under the Natural Resources Mobilization Act, or those maintained under the Department of Pensions and National Health for men requiring treatment after discharge from the Army, now serve the Canadian Army in training or on duty in Canada and Newfoundland.

Varying from 15 to 500-bed capacity, these hospitals are dotted from the Pacific to the Atlantic whereever troops are stationed.

New Auctioneer in Osprey

Mr. Walter Seeley of Maxwell has taken out an auctioneer's license for the County of Grey and conducted his first sale on Monday, when Mr John Poole disposed of his farm stock and implements at good prices. His many friends in Osprey wish him the best of success as an auctioneer.

ENGAGEMENT

The engagement is announced of Madge, daughter of Mrs. Lucas and the late Johnson Lucas, of Markdale to Archibald McQueen, of Paris, son of Mrs. D. McQueen of Owen Sound, and the late Mr. McQueen. The wedding will take place quietly the middle of February.

Snow Club Road In Good Condition

The executive of the Osprey Snow Club has been tendered some very complimentary remarks on the condition of the County roads from Flesherton to Singhampton, and the spur roads to Badjeros and Feversham, from travellers and others who make use of them for motor cars and trucks.

The contractor and others responsible for the maintenance work do appreciate this recognition of their work. However, on the other hand, the executive has a real task on their hands in financing. As most people know it is voluntary donations that will keep the good work up, and more funds are urgently required in the near future, so that plowing will not have to be curtailed or possibly discontinued at a time when needed most.

Any person especially benefited by the maintenance of these roads are urgently requested to forward their donation to the treasurer of the Snow Club or to any of the working executive, as soon as possible. Lists of donors and amounts will be forwarded to the press from time to time. Following is a list of those who have already donated:

McColl-Frontenac Oil Co. $12.50; A. N. Brownridge $12.50, D. McTavish & Sons $10, Down & Boyd $10, Edward Seeley $10, Canadian Oil Co. $10, Imperial Oil Co. $10, National Grocers $5, M. Dobson $5, K. Kennedy $5, Frank Taylor $5, B. S. Field $5, Firestone Tire & Rubber Co. $5, Wesley Young $5, Frank Slater Co. $5, York Trading Co. $5, Flesherton Creamery Co. $5, Gideon Eby & Son $5, Manjuris Candy Co. $5, E. J. Buckingham $5, C. M. Heron $5, Jas. Long $5, Wm. J. Chard $2, Frank J. Thurston $2, Geo. Sled $2, H. Milligan $2, C. N. Long $2, Mervyn Gould $2, Howard Francis $2, John Monaghan $2, Ken Stewart $1, Fred Hale $2, Dr. R. W. Lindsay $10, J. W. Robinson $5, Morton Sayers $5.

Aiken — Springgay

An interesting marriage that took place in Toronto recently was that of Miss Helen Dorothy Springgay, daughter of Mrs. Springgay and the late Reuben Springgay of St. Catharines, to Mr. David Archibald Aiken, R.C.A.F., of No: 1 I.T.S., son of Mr. and Mrs. Hedley William Aiken of St. Catharines. The ceremony was held at the home of the padre of the Training School, Flight Lieut. H. Cotton, Servington Crescent.

The bride wore a costume of powder blue, with Hudson seal coat and black hat. Mr. Eric B. Barrow, R.C.A.F., of Florida, and Mr. Earl R. Springgay of Toronto attended the bridegroom. Mrs. Aiken, mother of the bridegroom, who was present, has another son in the Air Force, at Manning Pool, and a third son is desirous of joining.

More Than One Reason

The admittance of a certain amount of food to occupied France, Spain and Finland may be partly political as well as humanitarian. There is some idea of stiffening Marshall Petain in his stand against the Nazi demands, keeping General Franco neutral, and to uphold the Finland democracy. If the Red Cross can distribute the supplies without letting them fall into Nazi hands the shipments will likely continue.
