## COMMERCE AND MARINE.

MARINE ITEMS.—The R. M. Steamer Champion passed down yesterday morning, and the Grecian up in the evening. The American Express Steamer Ontario passed up in the morning, and the Cataract down in the afternoon. The steamer St. Helen passed down on Monday night. The steamer City of Ottawa arrived from Ottawa in the morning and left on return in the afternoon. The propeller St. Lawrence, from Chicago, passed down yesterday morning, landing 131 barrels of pork. The propeller Perseverance, which left here on Saturday night, arrived from Port Dalhousie yesterday morning with a full cargo, about 20,000 bushels of corn, for G. Chaffey & Bros. The schooner S. Robinson left for Saginaw, light, on Monday night. The brig Orkney Lass cleared on the same night, intending to take on 180 cords of wood at way ports for Toronto. The schr. S. Amsden, with staves from Port Dover arrived on Monday for Calvin & Brock.

A CAPSIZE.—Yesterday afternoon the sailing boat 'Sweepstakes' was capsized in the harbor, in the highest of all possible gales. There were two persons in the boat, both of whom got on the gunwale of the vessel and waited there until they were rescued from the shore. The 'Sweepstakes' is a most unsafe sail boat, and has capsized half a dozen times already.

CIRCULAR TO COLLECTORS OF CUSTOMS.

War Department,
Washington, 23rd May, 1865.

The Executive Order of November 21st, 1862, prohibiting the exportation of arms and ammunition from the United States, and the Executive Order of the 11th May, 1863, prohibiting the exportation of horses, mules and live stock, (being no longer required by public necessities,) the aforesaid Orders are hereby rescinded and annulled.

By order of the President,
(S'd.,) EDWIN M. STANTON,
Secretary for War.

WRECK OF THE BOHEMIAN.—The wreck of the steamship Bohemian, as it now lies, off Broad Cove, Cape Elizabeth, has been purchased by Capt. Glennie, of St. John, N.B. He will at once beg n the work of breaking it up and removing it. The price paid is said to be $3000, and the sale includes hull, machinery, freight, &c., subject only to the claim of the American underwriters on such goods as were insured in the United States.

RAPID PASSAGE.—The steamship Peruvian, Ballantine commander, sailed from Quebec for Liverpool on the 13th of May, and arrived at Londonderry on the morning of the 22nd, thus making the run home from port to port in the extraordinary short time of nine days.

STRUCK BY A SQUALL.—The schooner Aldebaran, Captain Knight, grain loaded, from Chicago, was struck by a violent squall on Sunday morning last, while on Lake Huron. The gale came from the north, and with such fury as to carry away her foresail and main gaff topsail, rendering them unfit for further service. She arrived here yesterday noon, and after a short delay proceeded on her voyage.—[Detroit Free Press, 7th.

The propeller Indian, of Montreal, that got ashore on the Easter Sister reef on Tuesday morning last, was taken off by Capt. Fortier of the Provincial Ins. Company of Canada, and brought to this city last night to be put in the dry dock for repairs. Much credit it is due to Capt. Fortier for his prompt action in getting the boat off from her perilous position.—[Detroit Adv.

CHIRIQUI IMAGES.—We have had the pleasure of examining a quantity of gold received by Dr. J. C. Ayer & Co., from Honduras, in payment for their medicines, which are extensively sold throughout Central America. Among massive crosses, bracelets, and chains, are the rude images which have been taken from the graves of the Chiriqui chiefs—birds, turtles, serpents, bugs and reptiles done in solid gold. They carry us back beyond historic times, to periods and places where barbarism reigned supreme. They seem to come here now in mute appeal from the winding sheets of their ancestors, to ask for the simple Indians in the mountains, medical protection from cultivated skill, against diseases which gather them up in too early graves. Ignorant and unlettered as they are, they have learned of the white man enough to know where to apply for relief, and what will bring it. Our well known townsmen, above named, inform us that they require their remittances from foreign countries now to be made in silver and gold.—[Lowell, Mass.) Sentinel.

IN THE YEAR 1844

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

General Agent, 12 Gold St., New York.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

* * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostate and had to abandon my business.

H. S. KINGSLEY,

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

G. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation, and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by E. E. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 3m88

WHEREAS the Corporation of the Township of Loughboro are indebted to the County Council of the County of Frontenac for arrears of County rates due by this Corporation, and have been improving the roads of the said Township, and have incurred an expenditure of large sums of money in repairing the same, and it is expedient and necessary to make provision for the liquidation and payment thereof.

And whereas, to carry into effect the said recited object, it will be necessary for the said Corporation to raise the sum of $1,200, by way of loan, in the manner hereinafter mentioned:

And whereas it will require the sum of $654 to be raised annually by special rate upon the whole rateable property of the said Township of Loughboro, for the payment of the said loan or debt and interest thereon as hereinafter mentioned:

And whereas, the amount of the whole rateable property of the said Township of Loughboro, according to the last revised Assessment Rolls of the said Township of Loughboro, is $245,699, irrespective of any income to be derived from the temporary investment of the sinking fund hereinafter mentioned, or any part thereof, or of any income in the nature of tolls, interest or dividends from the said work or roads, from any stock, shares or interest in the said work or roads, upon which the money to be so raised or any part thereof is intended to be invested.

And whereas, for paying the interest upon the said loan or debt about to be created, and for creating an equal yearly sinking fund for paying the principal of the said loan or debt of $1,200 and interest as hereinafter mentioned, it will require an equal special rate per annum of Three Mills in the Dollar upon the whole rateable property of the said Township of Loughboro, in addition to all other rates to be levied in each year.

Be it therefore enacted by the Corporation of the Township of Loughboro,—

1st. That it shall and may be lawful for the Reeve of the said Township of Loughboro to raise by way of loan the said sum of $1,200 upon the credit of debentures to be issued by the said Corporation of the Township of Loughboro.

2nd. That it shall and may be lawful for the said Corporation of the Township of Loughboro to issue debentures for the said sum of $1,200, in sums of one hundred dollars each, which debentures shall be sealed with the Corporation Seal of the said Township of Loughboro, signed by the Reeve and countersigned by the Treasurer of the Township, and be made payable to any person named therein or bearer.

3rd. That the said debentures shall be made payable in equal proportions, in one and two years from the first day of January next, after this By-Law shall take effect, and after having received the assent of the electors of the said Township of Loughboro, at the office of the Treasurer of the said Corporation, and shall have attached thereto coupons for the payment of interest thereon semi annually, at the rate of six per cent. per annum, on the first day of July and the first day of January in each year, at the office of the Treasurer aforesaid.

4th. That for the purpose of forming a sinking fund for the payment of the said debentures and the interest thereon, at the rate aforesaid, an equal annual special rate of three mills in the dollar shall, in addition to all other rates to be raised, levied and collected in the said Township of Loughboro in each year, be levied and collected upon the whole of the rateable property in the said Township of Loughboro, according to the last revised Assessment Roll of the said Township of Loughboro, until the said debentures and all interest thereon are fully paid and discharged.

5th. That this By-Law shall finally pass and take effect on the 19th day of June, 1865, having first received the assent of the electors of the said Township of Loughboro, as required by law.

Dated the 13th day of May, 1865.
