Clapp vs Clapp.

SALE of REAL ESTATE.

IN PURSUANCE of a decree on further directions made in the above cause, will, with the approbation of JAMES ALEXANDER HENDERSON, Esquire, Master of this Court at Kingston, be sold by Public Auction, at the Town of Napanee, on

SATURDAY, 15th of July Next,
AT TWELVE O'CLOCK, NOON,

By M. C. Whitcomb, Auctioneer, at his rooms in the Town of Napanee aforesaid, the following valuable Freehold Property, being the residuary Real Estate belonging to the Estate of the late John Clapp, that is to say:—

Parcel 1.—The west Half of Lot Number Twenty-seven in the fourth Concession of the Township of Thurlow, in the County of Hastings, containing one hundred acres, more or less, subject to the payment to the Crown of the sum of $380 or thereabouts, being the amount still due thereon.

Parcel 2.—The south end of the east Half of Lot Number Twelve in the third Concession of Fredericksburg Additional, containing twenty five acres, more or less.

Parcel 3.—The west half of Lot Number Twelve in the said third Concession, containing one hundred acres, more or less.

Parcel 4.—The south end of the east half of Lot Number Thirteen in the said third Concession, containing fifty six acres, more or less, subject to the life estate of Sarah Clapp therein, and excepting thereout four acres at the north end.

Parcel 5.—The right, title and interest of the said Estate in a small House and Lot on Stone Mills Hill, containing one quarter of an acre or thereabouts, situated on Lot Number Seven in the first Concession south of the Bay of Quinte, in the Township of Marysburgh, formerly the property of one John S. Hill.

Also will be sold at the same time, a Mortgage held by the said Estate on Block Number Thirteen, between the second and third Concessions of Fredericksbuig Additional, made by Allen Clapp in favor of John Clapp, deceased, and the amount due on which has been fixed by the said Master at the sum of $1457:92.

Parcel 1 above mentioned is situated about eight miles from Belleville. About seventy acres are cleared, the remaining thirty acres being covered with beech, maple and ash timber. The soil is good. A Frame House, about twenty by twenty-six feet, and a small Stable, are erected upon the premises.

Parcel 2 is situated close to Hay Bay; is all cleared and under cultivation, with the exception of about five acres of elm timber at the north end.

Parcel 3 abuts on Hay Bay. The Bay Road crosses it near the middle of the Lot. The north end is thinly timbered with pine. On that part lying south of the Bay Road are barns and outhouses. The Section School House is built on this Lot. The soil is good.

Parcel 4 is composed of very good land. On it is built a comfortable Dwelling House. There is a good Orchard of apple trees on this Parcel. Sarah Clapp, the present life tenant, is now over seventy-two years of age.

The House on Parcel 5 is built of logs.

Block Number Thirteen, between the second and third Concessions, on which the Estate holds the Mortgage above mentioned, contains by Surveyor's calculation about fifty-four acres, and has been estimated to exceed in value the amount due upon the Mortgage to be sold. The Mortgage is now overdue.

One-tenth of the purchase money of each Lot must be paid down by the purchaser at the time of sale to the Vendors' Solicitors, and in cases where arrangements for an extension of the time for payment may not be made, the balance of the purchase money must be paid in one month from the day of sale.

The Vendors shall be bound to produce or account for only such Deeds or papers relating to title as are in their custody.

A plan or sketch of that part of the premises to be sold which forms the Clapp Homestead will be produced at the time of sale.

In other respects the conditions of sale are the standing conditions of the Court of Chancery.

For further particulars, conditions and terms of payment, apply at the Office of Kirkpatrick & Kirkpatrick, Solicitors, Ontario Street, Kingston.

AMERICAN WATCHES.

THE AMERICAN WATCH-Co.
OF WALTHAM, MASS.,

Having recently increased their facilities for manufacturing Watches, by large additions to their buildings and to their force of workmen, are desious of introducing their products into Canada, a market which they have hitherto been unable to supply, owing to the large depand for their Watches in the United States.

The reputation which these Watches have acquired in the States, may be judged of by the fact that since the Company began their business, nearly 150,000 Watches of their manufacture—have passed into use among the people, and have given, with rare exceptions, the utmost satisfaction to all who have tried them. They have superseded in this market all other Watches coming within the range of their prices.—The Company have attained this result solely by making

GOOD WATCHES,
AND SELLING THEM AT MODERATE PRICES.

At the present rate of Exchange between the two countries, American Watches can be sold for Canada currency at about one half of the currency prices in the States; and as we have not advanced the prices of our Watches since the war commenced in proportion to the rise of gold, this state of exchange renders them cheaper, in reality, than they were before the war.

The Company do not solicit orders for single Watches, but will be happy to furnish every one with full information respecting them, and to fill such orders from the Watch Trade as they may be favored with.
