Rev. James Dudgeon, pastor.

RE-OPENING SERVICES

Sunday, August 29th, 1915

11 a. m. and 7 p. m.—Rev. Waugh will occupy the pulpit.

Master Willie Norris of Toronto will sing at both services.

Walkerton

Ellen Gunness, a young woman of Owen Sound, was brought here from Wiarton on Saturday last and committed to three months in the Walkerton jail on the charge of being a vagrant and a loose character. Two young men, George West and William Klingbill of Wiarton, are also serving three months in the Walkerton jail for interfering with Constable Glover when he attempted to arrest the woman in the Wiarton park on Monday evening of last week.

On Sunday morning last Chief Ferguson's deaf and dumb son, Harry, got a cooked potato caught in his throat and had a narrow escape from being choked to death. After vainly trying to dislodge the tuber, the family phoned for the doctor, but before the physician's arrival however, the lad was black in the face and had almost succumbed. With the aid of instruments the obstacle was finally removed and the boy's life saved by the narrowest margin.

Private Louis Runstedler of the 34th Battalion, London, who has been visiting at his home here, was up before Magistrate James Tolton on Tuesday morning on the charge of breaking into the home of Mr. George Bryce in the East Ward. While going home after 12 o'clock on Monday night, Runstedler, who had, it seems, been drinking, entered the home of Mr. Bryce and taking off his clothes went to bed. As Mr. Bryce, himself, had been working in the country, and was absent from home that night, one of the girls rushed to a neighbor's phone and notified the police, with the result that Nightwatchman Swanston hurried to the scene. Before his arrival, however, Runstedler decamped, jumping it is said, from an upstairs window and leaving all his clothes behind, with the exception of his trousers. The Nightwatchman took possession of the deserted military clothes and found Runstedler's name attached to some of the garments. On appearing before the magistrate on Tuesday morning, Runstedler was told that if he would go back to camp on the next train that the case would be dismissed, otherwise the charge would be pressed against him. Capt. Klein, who appeared for him, promised to see that he got back, and Runstedler, we understand, took the first train out. —Herald.

Portlaw

Harvesting is now in full swing. The work will be more tedious on account of a great deal of the grain being put down with the recent heavy rains and wind. Crops of all kinds are the heaviest we have had in many years.

Miss McArthur of Toronto visited her cousin, Mrs. J. A. Thompson.

Master John Jamieson of Toronto is spending his holidays with friends here.

We congratulate Miss Gladys White on her success in passing her examinations. She intends to go to the university to complete her studies.

Mrs. Northcote of Toronto visited with Mrs. J. A. Lyons.

Rev. L. W. Thom of Midhurst visited at T. R. McKenzie's.

Mrs. Maddock and two sons and Miss Millsap of Toronto, and Miss Walker of Owen Sound, are visitors with Mrs. Thos. Taylor and other friends.

Miss Hazel Chapman of the west back line and Master Lawrence Chapman of Durham, spent some days with their aunt, Mrs. R. T. White.

Quite a number of vehicles filled with happy people drove out to Eugenia recently and picnicked in honor of Miss Viola Cornfield before her return to Toronto. Perhaps the most exciting feature of the outing was a joy ride participated in by the ladies. The commotion seemed as exciting to the citizens as to the picnickers.

CATTLE STRAYED

Strayed from the premises of the undersigned, lot 25, con. 8, Osprey, six head of cattle as follows :—4 yearlings—2 red with white face, 1 brindle and one spotted ; also two 2-year-olds—1 brindle and 1 spotted, both dehorned. Send information to

WM. THOMPSON,
R. R. 2, Singhampton.

Hydro Electric Inspection

For the proper protection of property against any possible fire hazard certain changes may be required to be made in a number of lighting installations. The present wiring will be inspected in accordance with the precautions taken by the Hydro Electric Commission and due notice of any defects found will be given by the Inspector, as the Hydro Electric does no house wiring. The owners of property who desire to take current should get competent wire men to make what changes and clearing up will be necessary to make their installation entirely safe, as it is only a short time now until the Hydro will be connecting the 24 hour service.

The wire man must obtain a permit before commencing each job. The Inspector has power to refuse a permit to any person he deems incompetent of the execution of a job of wiring in accordance with the Rules and Regulations. The permit issued by the Inspector will be required to be posted in a conspicuous place on each job, until such time that the wiring is completed and passed, when the Inspector will issue a permit to the Superintendent of the Supply Plant to connect up to the installation. A certificate will be given to the owner vouching for the works being O. K. Owners having wiring done should not make final payment to the wire man until the final certificate is issued by the Inspector.

Any advice in connection with the installation can be obtained from The District Inspector of Palmerston, Box 63, Phone 35.

To the Panama Pacific Exposition

Via the Canadian Rockies

At the present time a great many are planning their annual tour. Considerable numbers visit the popular California resorts, while many prefer the unsurpassed resorts, palatial hotels and magnificent scenery of the Canadian Rockies. This year why not combine the two by a visit to the Panama Pacific Exposition.

Numerous people in comfortable circumstances, well able to afford a trip, have the mistaken idea that a journey of this nature is most expensive. This is not so, thanks to the modern railway facilities, an extensive trip, both interesting and educational, can be made with speed and comfort at a comparatively small cost. Why not investigate?

Those contemplating a trip of any nature will receive full information from any C. P. R. Agent ; or write M. G. Murphy, District Passenger Agent, Toronto.

4200 Miles By Auto

Mr. and Mrs. L. W. Newton and their nephew, J. C. Marshall, are visiting Mr. Newton's brothers, Fred, Edward, John and Oliver, says the Creemore Star.

The party drove through by auto from San Francisco, a distance of 4200 miles. They started July 15 and arrived in Creemore on Tuesday evening, Aug. 10. This is a total of 26 days, but three days of this time they were delayed in Nebraska by high waters.

Mr. Newton is uncomplimentary with reference to Michigan roads. He says they are the worst he encountered on the whole trip. He left the Lincoln highway, which was his route from the coast, at South Bend, Ind., then came through Kalamazoo and Jackson to Detroit.

They camped out every night and cooked their own meals over an open fire and the three tourists exulted in the experience. They carried a spade and rope and tackle to help the auto in places where its own power was not sufficient, but the tackle was used only once on the trip. The going was excellent until they entered Nebraska. Here the valleys of the Platte were flooded from the swollen stream on account of the heavy rains, and they met with considerable difficulty through the whole of this state.

Mr. Newton left this part of the country 35 years ago for the west, and this is his first visit back to old friends. On their return trip they will follow the Santa Fe trail and a southern route.

Their speedometer will read probably 8400 miles when they get back home. They started with a new Dodge car.

George Merkley of Melancthon met with almost instant death on Tuesday morning of this week. He was engaged for the day with Frank Campbell in hauling hay and with a team and an empty rack they were returning to the field for a load. Mr. Campbell was driving the team while Mr. Merkley was seated on one side of the rack. The field over which they had to travel was very rough and the jolting of the wagon threw Mr Merkley from his seat to the ground. He alighted on his head and shoulders, breaking his neck. He died instantly. Coroner Dr. J. A. Smith of Shelburne was immediately summoned, but the circumstances did not warrant an inquest necessary, the fatality being of a purely accidental nature.

Homeseekers Special Train

Leaves Toronto 10.45 p. m. each Tuesday.

For the accommodation of Homeseekers' and general tourist traffic to Western Canada, through train carrying tourist sleepers and colonist cars will leave Toronto 10 45 p. m. each Tuesday until further notice running through to Winnipeg.

Attention is directed to the remarkably low Round Trip fares in connection with Homeseekers' Excursions to Western Canada via Canadian Pacific Railway. Tickets are on sale each Tuesday until October 26 h, inclusive, and are good to return within two months from date of sale.

Apply to any C. P. R. Agent for full particulars or write M. G. Murphy, District Passenger Agent, Toronto.
