Frost for three nights during the past week did some damage to tender vegetables in this township, but not to any very serious extent.

Last week a mistake was made in speaking of Miss Gladys White. She is a daughter of Mr. Robert White, not Richard as stated.

Mr. C. W. Ramage of the Durham Review gave The Advance a short call on Friday evening. He and members of the family were over on a little motor trip.

Mrs. R. H. Wright left on Saturday to join her husband at Cadogan, Sask. Miss Elsie is at her school in Osprey and Elmer is attending Model School at North Bay.

Miss Mabel Clark and Mrs. J. E. Cantlen, of Clinton, and Mr. and Mrs. O. Cooper, and Misses Francis and Nora Cooper, of Collingwood, gave The Advance a call on Saturday. They motored over to view the Eugenia works and to call on friends here. Miss Clark is local editor on a Clinton paper, and did her first newspaper work for The Advance some years ago. It was a pleasure to meet her again.

R. Burnside of Markdale had Frank Sullivan of Irish Lake up before James McMullen, J. P., one evening last week, charged with assault. Frank admitted that he "hit him, and hit him hard," and the magistrate tacked on $5 and costs for the war map drawn on the cattle buyer's face. Frank said the cattle buyer called him a very naughty name and thought he was justified in measuring out punishment but the magistrate thought otherwise.

The Methodist church was reopened on Sunday last after being repainted, fixed up inside, when Rev. Waugh of Dundalk preached morning and evening to crowded houses. Mr. Waugh's sermons were very highly appreciated. The evening sermon was especially good, and was listened to with wrapt attention. It dealt with German Kultur as opposed to Bible culture as set forth in the fifth chapter of Matthew. Willie Norris, the boy singer of Toronto, renderod solos and the full choir also gave special music. The church has been repainted from ceiling to basement, seats regrained, a new pulpit added, also new carpet, and the choir rearranged. It is also expected that electric lighting will be installed.

The concert given in the Methodist church Monday evening was largely attended and much enjoyed by those present. Willie Norris, the boy singer of Toronto, has a remarkable voice of wonderful power for a child. He was a great attraction at both services on Sunday as well as at the concert. Mrs. Peterson of Dundalk is a prime favorite here, and never before did she appear at better advantage. The audience could scarcely get enough of her clever work. Miss Georgina Barton of Dundalk gave several solos very nicely. Local talent filled in the remainder of the program. The concert netted some $43.10. Something like $775 was asked for to complete church renovation and instal electric lighting. The subscriptions on Sunday and proceeds of the concert amounted to $636.27.

A woman who gave her name as Tillinton worked the Women's Institute here a few weeks ago for a date for a concert to be given by her in the fall of 1916, and contracts were signed. When the ridiculousness of the contract dawned on the signers the woman was followed by County Constable Cook and an attempt made to get the contract returned. We fear that Constable Cook's persuasive powers with the ladies are not as fully developed as were those of the female in question, at any rate he was not successful. Constable Cooney of Laurel, who collared her on complaint of some Shelburne ladies whom she had likewise duped, seems to have had more persuasive powers, for before he got through with her she was glad to give up the Shelburne contract, also nine dollars to cover expenses.

Two Hillsburg boys filled a bicycle pump with powder and set fire to it. The pump went through a plate glass window but no further damage was done.
