Public School Inspector Huff was in town last week but did not think it worth his while to call and explain the cause of delay in reporting the recent Entrance examination results, He evidently takes the ground that it is nobody's business when the results are made known. The newspaper offices may spend hours answering telephone calls and parents put to no end of inconvenience by the delay for all he cares. When asked as to the cause of delay he simply ignores the query. Other inspectorates that were behind had the cause explained, but our inspector does not appear to have sufficient courtesy to answer a civil question. The cause of delay may have been owing to the inspector's own remissness or it may not; the reasons may be legitimate or they may not; in any event the public would like to know, you know.

Address and Presentation

The members of Flesherton Presbyterian Bible Class gathered at the home of Mr. and Mrs. W. Stewat on Monday night and presented Miss Mabel Holloway with a centre table and the following address:—

To Miss Mabel Holloway—We the members of Chalmer's Presbyterian Church Bible class, to which you have for some time belonged, wish to extend our happy felicitations and good wishes at this stage in our uninterruptedly pleasant relations. You have been exemplary in life and conduct, regular in attendance and strongly devoted to the cause for which we, as a class exist. Time will bring its changes but the seed of an unruffled temper, diligent effort and a pure life will yield their fruits. These, coupled with a pleasing happy manner and fidelity to God have won our esteem. We bespeak for you a bright future, noble Christian achievements and an impress on society and the world that cannot be obliterated. Please accept this little token of our regard and esteem with the prayer that the Master will still further bless your efforts and enrich your helpful life. Signed, Tom Chard, Donald McVicar, Muriel MacTavish, Clara Gilchrist.

Mr. George Carnahan of North Keppel, last Thursday lost four horses valued at about one thousand dollars, from eating seed wheat which had been treated with formaldehyde to prevent smut. A couple of bags of treated wheat were left in the wagon in the barnyard on Thursday evening, and in the night the horses broke in and all ate of the poisoned grain. Two were dead in the morning, and though two veterinaries were called in, the other two also died. Mr. Carnahan is in the West and his sons have been doing the work in his absence.
